Report of Independent Auditors

To the Board of Directors and Shareholder of
Walton Securities, Inc.

In our opinion, the accompanying statements of financial condition present fairly, in all material respects, the financial position of Walton Securities, Inc. (a wholly owned subsidiary of Walton International Group USA) (the "Company") at December 31, 2011 and 2010, in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Notes to Financial Statements

December 31, 2011 and 2010

1. Organization

Background

Walton Securities, Inc. (the "Company"), an Arizona corporation formed on September 5, 2006, which commenced operations on September 6, 2007, is a wholly owned subsidiary of Walton International Group (USA), Inc. (the "Parent"). The Parent is a wholly owned subsidiary of Domaco Holdings, Inc. ("DHI"), which is, in turn, an indirect wholly owned subsidiary of Interborder Holdings Ltd. ("IHL"), a privately-held Alberta corporation owned by the P.J. Doherty Family Trust.

Walton Securities, Inc. maintains its headquarters in Scottsdale, Arizona. The Company engages in the sale and distribution of securities exempt from registration under Regulation D of the Securities Act of 1933 ("the Act").

Nature of Operations

The Company functions as the managing broker-dealer for securities offerings sponsored by the Parent. The Company acts as the wholesale conduit for the privately placed direct participation program securities sold in offerings sponsored by the Parent. Such securities are wholesaled through registered broker-dealers and investment advisors and are not sold directly to the public by the Company.

The Company is a registered broker-dealer under the Securities Exchange Act of 1934 and a member of the Financial Industry Regulatory Authority ("FINRA").

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America and conform to practices within the broker-dealer industry.

Cash

The Company carries its cash balances in a non-interest bearing bank account with a commercial banking institution.

Securities Transactions

The Company carries no customer accounts and conducts no securities transactions directly with the public.

Income Taxes

The Company is included in the consolidated federal and state income tax return filed by DHI. Pursuant to a Tax Sharing Agreement with its Parent, the Company provides for income taxes as if it were a stand-alone taxpayer, deferred tax assets or liabilities are accounted for by the Parent, and the Company's current tax provision is calculated by applying the Parent's estimated effective tax rate to the Company's pre-tax income. The Company's estimated effective tax rate was 38.6% and 39.6% for the years ended December 31, 2011 and 2010, respectively. Income tax payable of \$482,570 and \$307,180 is included in payable to affiliate at December 31, 2011 and 2010, respectively.

Walton Securities, Inc.

(A wholly owned subsidiary of Walton International Group (USA), Inc)

Notes to Financial Statements

December 31, 2011 and 2010

The Company accounts for uncertain tax positions by determining whether a tax position of the company is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is reduced by the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant taxing authority. Management has determined that no reserves were required for the years ended December 31, 2011 and 2010.

Use of Estimates

The preparation of the accompanying financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

3. Related Party Transactions

The Company entered into a Shared Services Agreement with the Parent on November 30, 2006, which was most recently amended and restated on October 1, 2010. For its services of providing records maintenance, financial reporting, and policy implementation and as an inducement to restrict its business exclusively to that of providing broker-dealer services for the offerings of its Parent and affiliated companies, the Company receives a servicing fee of 2% of gross sales of institutional offerings and 6.5% of gross sales of wholesale offerings. Prior to July 1, 2010 the Company received a servicing fee of 9% of gross sales of all offerings.

Under the Shared Services Agreement, the Parent provides and pays for all actual costs of rent and utilities, telephone, data processing services, printing and stationary, postage and delivery, legal fees, sundry expenses and income taxes. The Company has no obligation either directly or indirectly for the expenses incurred by the Parent to provide management and administrative services pursuant to the Shared Services Agreement. The Company prepares a schedule of costs incurred by the Parent for the benefit of the Company in accordance with the requirements of Securities and Exchange Commission Rule 17a-4. As such, the Company does not record these expenses or a corresponding liability in the accompanying financial statements. The Company treats any unpaid portion of the expenses incurred by the Parent for the benefit of the Company under the Shared Services Agreement as a reduction of net worth when calculating net capital in accordance with Rule 15c3-1 of the Securities Exchange Act of 1934 ("Rule 15c3-1").

The Company also provides services as managing broker for the Parent's direct participation programs, and receives management fees determined on an offering by offering basis. The Company processes investment subscriptions for the Parent and markets to, contracts with and manages the selling group of registered broker-dealers.

Receivable from Parent at December 31, 2011 and 2010 consists of advances paid by the Company to the Parent. Such advances are noninterest bearing and payable on demand.

Payable to affiliate at December 31, 2011 and 2010 represents the Company's net income tax liability payable to DHI.

Walton Securities, Inc.

(A wholly owned subsidiary of Walton International Group (USA), Inc)

Notes to Financial Statements

December 31, 2011 and 2010

The employees of the Parent assigned to the Company are covered under the Parent's benefit plans, pursuant to the employment relationship with the Parent, and are made available by the Parent under the Shared Services Agreement.

4. Net Capital Requirements

Under Rule 15c3-1 of the Securities Exchange Act of 1934 (the "Rule"), the Company operates pursuant to section (a)(2)(vi) of the Rule and is required to maintain a minimum net capital amount of the greater of 6 2/3% of aggregate indebtedness, as defined, or \$5,000. On December 31, 2011, the Company had net capital of \$1,866,652 which was \$1,787,924 in excess of the amount required and on December 31, 2010, the Company had net capital of \$2,191,109 which was \$2,124,377 in excess of the amount required.

The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph k (2) (i) of such Rule) under the Securities Exchange Act of 1934. Operating under such exemption, the Company has not prepared a Determination of Reserve Requirements for Brokers or Dealers.

5. Continued Financial Support from Parent Company

The Company relies on funding from its Parent under the terms of a Shared Services Agreement, which states that the Parent will provide all and pay for the actual cost of all administrative services to the Company as listed in Article II of the Shared Services Agreement. Effective July 1, 2010, termination of the Shared Services Agreement is scheduled to occur on the third anniversary of the Effective Date (July 1, 2013) unless renewed or terminated by mutual written consent at any time prior to the expiration of the term.

The Company believes the Parent will continue to support its operations and will abide by the terms of the Shared Services Agreement.

6. Commitments and Contingencies

The Company may become party to certain claims, legal actions and complaints arising in the normal course of business. There has been no claims, legal actions and complaints during the year ended December 31, 2011 and 2010.

7. Subsequent Events

In preparing the financial statements, the Company evaluated subsequent events occurring through February 17, 2012, the date the financial statements were issued, in accordance with the Company's procedures related to disclosures of subsequent events.
