Independent Auditor's Statement on Material Inadequacies

To the President  
Wadsworth Investment Co, Inc.  
879 Church Street, Rte 68  
Wallingford, CT 06492

I have audited the accompanying financial statements of Wadsworth Investment Co., Inc. (WIC) as of April 30, 2012, and the related statements of income, changes in ownership equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and have issued my report thereon dated May 14, 2012. I conducted my audit in accordance with accounting standards generally accepted in the United States of America.

In planning and performing my audit, I considered WIC's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be significant deficiencies. Under standards issued by the American Institute of Certified Public Accountants, significant deficiencies are deficiencies in internal control, of a combination of deficiencies, that adversely affect WIC's ability to initiate, authorize, record, process or report financial data reliably and in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the financial statements being audited that is more than inconsequential will not be prevented or detected. Material weaknesses are significant deficiencies, or a combination of significant deficiencies, that result in a more than remote likelihood that material misstatements in relation to the financial statements being audited will not be prevented or detected.

I found and noted no matters involving the internal control over financial reporting and its operation that I considered to be material inadequacies.

Independent Auditor's Report

William F. Wadsworth  
Wadsworth Investment Company, Inc  
879 Church St  
Wallingford, Connecticut

I have audited the accompanying Financial and Operational Combined Uniform Single Report (FOCUS REPORT), Statement of Cash Flows and Reconciliation of Computation of Net Capital of Wadsworth Investment Company, Inc, as of April 30, 2012. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note 1, the financial statements include in the FOCUS REPORT were prepared in the conformity with the accounting practices prescribed by the Securities and Exchange Commission, which are the same as the accounting principles generally accepted in the United States.

In my opinion, the financial statements referred to above present fairly, in all material respects, the Statement of Financial Condition for Noncarrying, Nonclearing and Certain Other Brokers or Dealers of Wadsworth Investment Company, Inc, as of April 30, 2012 and the Computation of Net Capital, Computation of Net Capital Requirement, Statement of Income (Loss), Statement of Changes in Ownership Equity, Statement of Cash Flows, and the Reconciliation of Computation of Net Capital for the year ended on the basis of accounting described in Note 1.

**Independent Auditor's Report on Internal Accounting Control**

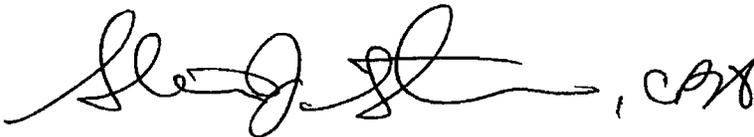

To the President  
Wadsworth Investment Co, Inc.  
879 Church Street, Rte 68  
Wallingford, CT 06492

I have audited the accompanying financial statements of Wadsworth Investment Co., Inc. (WIC) as of April 30, 2012, and the related statements of income, changes in ownership equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and have issued my report thereon. I conducted my audit in accordance with accounting standards generally accepted in the United States of America.

In planning and performing my audit, I considered WIC's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be significant deficiencies. Under standards issued by the American Institute of Certified Public Accountants, significant deficiencies are deficiencies in internal control, of a combination of deficiencies, that adversely affect WIC's ability to initiate, authorize, record, process or report financial data reliably and in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the financial statements being audited that is more than inconsequential will not be prevented or detected. Material weaknesses are significant deficiencies, or a combination of significant deficiencies, that result in a more than remote likelihood that material misstatements in relation to the financial statements being audited will not be prevented or detected. I noted no matters involving the internal control over financial reporting and its operation that I considered to be material weaknesses.

As part of obtaining reasonable assurance about whether WIC's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, I do not express such an opinion.

This report is intended solely for the information and use of the management of Wadsworth Investment Co., Inc. and the U.S. Security and Exchange Commission and is not intended to be and should not be used by anyone other than these specific parties.
