INDEPENDENT AUDITORS' REPORT

Board of Directors
Investors Properties, Inc.
Annapolis, MD

We have audited the accompanying statement of financial condition of Investors Properties, Inc. at June 30, 2012 that is filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Investors Properties, Inc. at June 30, 2012, in conformity with auditing standards generally accepted in the United States of America.

--	-------------------

INVESTORS PROPERTIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 1 – ORGANIZATION & SIGNIFICANT ACCOUNTING POLICIES

Organization - Investors Properties, Inc. (the Company) is a securities broker/dealer registered with the SEC and the Financial Industry Regulatory Authority (FINRA).

Accounting Basis - The financial statements are prepared on the accrual basis of accounting.

Securities Transactions - Securities transactions and any related gains or losses on sales are recorded on a trade date basis.

Cash and Cash Equivalents - For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable - Management has elected to record bad debts using the direct write-off method. Generally accepted accounting principles require that the allowance method be used to reflect bad debts. However, the effect of the use of the direct write-off method is not materially different from the results that would have been obtained had the allowance method been followed.

Income Taxes - The Company accounts for income taxes using the liability method, under which deferred tax assets and liabilities are determined based on the differences between financial statement and tax basis carrying amounts. As of June 30, 2012, no provision for deferred tax benefit has been made due to the uncertainty of realizing it in the future.

NOTE 2 - FAIR VALUE MEASUREMENT

All of the Company's assets and liabilities which are stated at fair value are valued in accordance with Level 1 criteria, as defined in FASB ASC 820. Level 1 value measurement uses quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

NOTE 3 – USE OF ESTIMATES

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions. This will affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the reported period. Actual results could differ from these estimates.

NOTE 4 – INVESTMENT

At June 30, 2012, the Company's investment is comprised entirely of NASDAQ stock and is carried at market value.

INVESTORS PROPERTIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's uniform net capital rule (Rule 15c3-1) which requires the maintenance of minimum net capital and requires the ratio of aggregate indebtedness, as defined to net capital, as defined, shall not exceed 15 to 1. The Company had net capital and net capital requirements computed under these provisions as follows:

Net capital	<u>\$ 90,415</u>
Net capital requirement	<u>\$ 5,000</u>

NOTE 6 – OTHER REGULATORY REQUIREMENTS

The Company does not hold any funds or securities for the account of customers and limits its business to mutual funds and variable annuities. It is therefore exempt from the customer reserve requirements of the Securities and Exchange Commission Rule 15c3-3 under Section (k)(1).

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 24, 2012, the date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.

SUPPLEMENTARY REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS
ON INTERNAL ACCOUNTING CONTROL

Board of Directors
Investors Properties, Inc.
Annapolis, MD

In planning and performing our audit of the financial statements of Investors Properties, Inc., (the Company), as of and for the year ended June 30, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at June 30, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Board of Directors
Investors Properties, Inc.
Annapolis, MD

In accordance with Rule 17a-5(e)(4) of the Securities and Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended June 30, 2012, which were agreed to by Investors Properties, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and other specified parties in evaluating Investors Properties, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Investors Properties, Inc.'s management is responsible for Investors Properties, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries including check registers and bank statements noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended June 30, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
