Use thi	s Schedule to report details of affirmative responses to questions contained in the SEC Supplement.
Item on Form	
(Identify)	Answer
3G	NYSE File No. 20110270385 The Legal Section of the Market Regulation Department at the Financial Industry Regulatory Authority, on behalf of NYSE Regulation, Inc., alleged that from September 2008 through March 9, 2009, Goldman Sachs Execution & Clearing, L.P. ("GSEC") failed to have procedures and controls in place reasonably designed to detect and prevent potential improper efforts to "mark the close" by customers transmitting orders to the NYSE at or near the close through the use of GSEC's electronic order entry and routing systems, in alleged violation of NYSE Rule 342. A hearing officer from the NYSE's Office of the Hearing Board has been assigned to this matter.
3E(2)	ICE File No. 2012-016 In a letter dated June 25, 2012, ICE Futures U.S., Inc. ("ICE") Compliance Department informed Goldman Sachs Execution & Clearing, L.P. ("GSEC") that, after performing an account Customer Type Indicator ("CTI") review for trade dates March 5, 2012 through March 9, 2012, ICE found that certain accounts that cleared to GSEC were improperly coded as CT11 instead of CT14, in alleged failure to comply with ICE Rule 6.10. Without admitting or denying the allegations, GSEC consented to a fine in the amount of \$1,000 which was paid by submission of a check on July 6, 2012.
