INDEPENDENT AUDITORS' REPORT

To the Board of Directors
IIFL, Inc.

We have audited the statement of financial condition of IIFL, Inc. (the "Company") as of March 31, 2012 and the related statements of operations, changes in stockholder's equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of IIFL, Inc. as of March 31, 2012 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

IIFL, INC.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

IIFL, Inc. (the "Company") is a wholly owned subsidiary of India Infoline Limited (the "Parent"). The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is also an SEC registered investment advisor. The Company was incorporated on January 30, 2008 under the laws of the State of New York.

Basis of Presentation

The Company is engaged in a single line of business which comprises several classes of services including: the sale of unregistered securities to institutional and high net worth individuals and, advising institutional and high net worth individuals on various asset classes in India.

Estimates

The presentation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Advisory fees are generally recorded when earned and contractually due. Placement fees are determined on a case by case basis according to the terms negotiated by management and are generally recorded at the time the placement is completed and the income is reasonably determinable. Research fees are recorded when such fees are reasonably determinable or as received.

Concentration of Credit Risk

The Company maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk for cash.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers highly liquid investments, with original maturities of 90 days or less, that are not held for sale in the ordinary course of business to be cash equivalents.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued**

Furniture and equipment

Furniture and equipment are stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the respective asset class as follows:

<u>Asset Class</u>	<u>Useful life (years)</u>
Office furniture and equipment	5
Computers	3

Translation of foreign currencies

The Company's functional currency is the U.S. dollar. Assets and liabilities denominated in foreign currencies, if any, are translated based on the current rates of exchange at each balance sheet date, while income statement accounts are translated based on the rates of exchange at the time of each transaction. Gains or losses resulting from foreign currency transactions, if any, are included in net income.

Advertising costs

Advertising costs, if any, are charged to expenses as incurred. The Company incurred no advertising costs for the year ended March 31, 2012.

Income Taxes

The Company accounts for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for expected future tax consequences of events that have been included in the financial statements. Under this method deferred tax assets and liabilities are determined based on the differences between the financial statements and tax basis of assets and liabilities using enacted tax rates in effect for the year the differences are expected to reverse. The effect of the change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

2. **NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At March 31, 2012, the Company had net capital of \$571,287 which was \$321,287 in excess of its required net capital of \$250,000. The Company's percentage of aggregate indebtedness to net capital was 10.17%.

3. INCOME TAXES

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the deferred tax asset as of March 31, 2012 are as follows:

Classified as current:	
Net operating loss carryforward	\$ 160,248
Net current deferred tax asset	160,248
Less: valuation allowance	-
Net deferred tax assets	\$ 160,248

The Company has not provided a valuation reserve against the deferred tax asset since management believes it is more likely that the full amount of the benefit will be realized in the future.

The deferred income tax benefit on the accompanying statement of operations differs from the amount computed by applying the federal statutory rate of 34% to the loss before income taxes due to the following:

- The effect of state and local income taxes
- Differences in depreciation and the reporting period (December 31) for tax purposes.

The current and deferred portions of income tax benefit included in the accompanying statement of operations are as follows:

	Current	Deferred	Total
Federal	-	\$100,518	\$100,518
State/local	-	17,738	17,738
Total	-	\$118,256	\$118,256

As of March 31, 2012, the Company has available unused net operating loss carryforwards that may be applied against future taxable income and that expire as follows:

Year of Expiration	Amount
2023	\$ 8,551
2025	96,429
2026	295,640
Total	\$ 400,620

The Company files income tax returns in the U.S. federal, state and local jurisdictions. With few exceptions, the Company is no longer subject to examination by federal, state and local tax authorities for years before 2008.

4. RELATED PARTY TRANSACTIONS

For the year ended March 31, 2012, the Company earned revenue of \$226,035 from entities affiliated with the Parent, such amount is included in Advisory fees in the accompanying statement of operations. As of March 31, 2012 the Company had \$15,804 receivable from entities affiliated with the Parent.

5. COMMITMENTS

The Company has obligations under an operating lease with initial non-cancelable terms in excess of one year. Aggregate annual rental for office space at March 31, 2012 is as listed below:

Year Ending March 31:	Amount
2013 \$	130,659
2014	134,253
2015	137,946
2016	94,276
thereafter	-
Total	\$ 497,134

6. EXEMPTIVE PROVISION

The Company meets all of the requirements for exemption from SEC Rule 15c3-3 with regard to the computation for determination of reserve requirements. The Company does not hold funds or securities for, or owe money or securities to, customers.

IIFL, INC.

SECURITIES EXCHANGE COMMISSION (SEC) RULE 17A-5(e)(4)
AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S
SIPC ASSESSMENT RECONCILIATION

To the Board of Directors
IIFL, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments Form SIPC-7 - pages 13 and 14 - to the Securities Investor Protection Corporation (SIPC) for the year ended March 31, 2012, which were agreed to by IIFL, Inc. (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries in the general ledger noting no differences.
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended March 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended March 31, 2012 noting no differences.
3. Compared adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers.
5. There was no application of overpayment, thus, no difference between the current assessment and the original computation.

CERTIFIED PUBLIC ACCOUNTANTS & CONSULTANTS

REPORT ON INTERNAL CONTROL

REQUIRED BY
SECURITIES EXCHANGE COMMISSION (SEC) RULE 17A-5
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM
(SEC) RULE 15C3-3

To the Board of Directors
IIFL, Inc.

In planning and performing our audit of the financial statements and supplementary schedule of IIFL, Inc. (the "Company"), as of and for the year ended March 31, 2012, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by Rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

WBOWDEN@VOLCPA.COM

Because of inherent limitations in any internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control, including control activities for safeguarding securities that we consider to be material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate as of March 31, 2012 to meet the SEC's objectives.

This report recognizes that it is not practicable in an organization the size of the Company to achieve all the division of duties and cross-checks generally included in a system of internal accounting control, and that alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be used by anyone other than these specified parties.
