PAUL M. STUTTS, CPA, PLLC CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

To the Shareholder of McMillion Securities, Inc.:

I have audited the accompanying balance sheets of McMillion Securities, Inc., (a North Carolina corporation and wholly owned subsidiary of McMillion Associates, Inc.) as of March 31, 2012 and 2011, and the related statements of income, changes in shareholder's investment and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards required that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of McMillion Securities, Inc. as of March 31, 2012 and 2011, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was made for the purpose of forming an opinion on the basic financial statements as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED MARCH 31, 2012 AND 2011

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNFICANT ACCOUNTING POLICIES:

NATURE OF OPERATIONS AND BASIS OF ACCOUNTING

The Company, which is a wholly owned subsidiary of McMillion Associates, Inc., is a securities broker/dealer that is engaged in the general securities business and places orders through a national clearing agent on a fully disclosed basis. Commission revenues and expenses on orders placed through the clearing agent are recorded as of the trade date. The Company does not maintain an inventory of securities, carry customer or margin accounts, or hold securities on behalf of customers. The Company uses the accrual method of accounting.

ACCOUNTS RECEIVABLE AND BAD DEBTS

Accounts receivable are recorded at the amount expected to be received in cash and bad debts are accounted for under the reserve method. At March 31, 2012 and 2011, the reserve was \$0 as all uncollectible accounts had been written off.

USE OF ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

2. INCOME TAXES:

The results of the Company's operations are included in the consolidated federal income tax return of the parent. The federal income tax effects related to the Company's operations are absorbed by the parent.

The Company files separate state income tax returns and is responsible for the related taxes.

In management's opinion, there are no uncertain tax positions for the years ended March 31, 2012. The years currently open and subject to an IRS audit are 2010, 2011, and 2012.

3. NET CAPITAL REQUIREMENTS:

As a security broker/dealer, the Company must comply with certain net capital requirements prescribed by the regulations of the Securities and Exchange Commission (SEC), which can limit the scope of operations, including the payment of dividends. The Company's net capital, as defined in the regulations, was \$8,118 in 2012 and \$8,110 in 2011, as compared to the minimum requirement of \$5,000.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED MARCH 31, 2012 AND 2011

4. EXEMPTION FROM SEC RULE 15c3-3:

The Company is exempt from the provisions of the Securities and Exchange Commission Rule 15c3-3 because it does not carry customer accounts.

5. CONCENTRATION OF CREDIT RISK:

Concentration of credit risk arises principally for advances to parent.

6. SUBSEQUENT EVENTS:

Management has reviewed subsequent events through May 18, 2012, the date as of which the financial statements were available.

Independent Accountants' Report on Applying Agreed-Upon Procedures Related to an Entity's SIPC Assessment Reconciliation

To the Board of Directors of McMillion Securities, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the period from April 1, 2011 to March 31, 2012, which were agreed to by McMillion Securities, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC solely to assist you and the other specified parties in evaluating McMillion Securities, Inc.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). McMillion Securities, Inc.'s management is responsible for the McMillion Securities, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries as recorded in the general ledger noting no differences ;
- Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended March 31, 2012 with the amounts reported in Form SIPC-7 for the period from April 1, 2011 to March 31, 2012 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7with supporting schedules and working papers maintained by McMillion Securities, Inc. noting no differences;
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers maintained by McMillion Securities, Inc. supporting the adjustments noting no differences; and

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

PAUL M. STUTTS, CPA, PLLC CERTIFIED PUBLIC ACCOUNTANT

REPORT OF INDEPENENT AUDITOR ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

To the Shareholder of McMillion Securities, Inc.:

In planning and performing my audit of the financial statements and supplemental schedules of McMillion Securities, Inc. (the "Company") for the years ended March 31, 2012 and 2011 in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the

United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

My consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and used of the Board of Directors, management, the SEC, the New York Stock Exchange, Inc., the Financial Industry Regulatory Authority and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
