Independent Auditor's Report

To the Board of Directors of
Stuyvesant Square Advisors, Inc.
New York, New York

I have audited the accompanying statement of financial condition of Stuyvesant Square Advisors, Inc. as of September 30, 2012, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Stuyvesant Square Advisors, Inc. as of September 30, 2012, and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV, is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2012

NOTE 1- SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

The Company was incorporated in New York on April 28, 2008. It serves as a broker/dealer in securities and provides investment banking and private placement services to its clients.

Fixed Assets

Furniture and equipment are being depreciated using the straight-line method over their estimated useful lives, ranging from five to seven years. For the fiscal year ended September 30, 2012, depreciation expense was \$782.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Compensated Absences

Employees of the Company are entitled to paid vacations, paid sick days, and personal days off, depending on the job classification, length of service, and other factors. The accrual cannot be reasonably estimated, and accordingly, no liability has been recorded in the financial statements. The Company's policy is to recognize the costs of compensated absences when actually paid to employees.

Management's Review for Subsequent Events

Management had evaluated subsequent events through November 20, 2012, the date which the financial statements were available to be issued.

NOTE 2- INCOME TAXES

The company and its stockholders elected to be subject to the S corporation provisions of the Internal Revenue Code. Accordingly, all income or losses and applicable tax credits are reported on the stockholders' individual income tax returns. New York levies a minimum entity tax on Subchapter S corporations which is reflected in the current period expenses.

STUYVESANT SQUARE ADVISORS, INC.

The Company's net capital as computed under 15c3-1, was \$38,738 at September 30, 2012, this exceeded required net capital of \$22,407 by \$16,331. The ratio of aggregate indebtedness to net capital at September 30, 2012 was 867.6%.

NOTE 4- RELATED PARTY TRANSACTIONS

The Company has signed expense sharing agreements with both employees, one of which is the sole shareholder, to cover the costs of office expenses, including rent, utilities and related services. Independent Auditor's Report on Internal Control Structure Required by SEC Rule 17a-5

Board of Directors
Stuyvesant Square Advisors, Inc.

In planning and performing my audit of the financial statements of Stuyvesant Square Advisors, Inc. (the Company), as of and for the year ended September 30, 2012, in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, detect and correct misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency or combination of deficiencies, internal control such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

My consideration of internal control was limited for the purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that I consider to be material weaknesses, as defined previously.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the stockholders, management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments, Assessment Reconciliation (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the Year Ended September 30, 2012, which were agreed to by Stuyvesant Square Advisors, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Stuyvesant Square Advisors, Inc.'s compliance with the applicable instructions of the Assessment Reconciliation (Form SIPC-7). Stuyvesant Square Advisors, Inc.'s management is responsible for the Stuyvesant Square Advisors, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended September 30, 2012, with the amounts reported in Form SIPC-7 for the year ended September 30, 2012 noting no differences.
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
