**Independent Auditor's Report**

Board of Directors

Infinity Securities, Inc. dba Infinity Financial Services:

We have audited the accompanying statement of financial condition of Infinity Securities, Inc. dba Infinity Financial Services (the Company) as of September 30, 2012, and the related statements of operations, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Infinity Securities, Inc. dba Infinity Financial Services as of September 30, 2012, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*General*

Infinity Securities, Inc. dba Infinity Financial Services (the "Company") was incorporated in the State of California on January 9, 2007. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer, that provides several classes of services, including engaging in investment advisory and general securities brokerage activities on behalf of its clients. Fee revenues are generated through mutual fund transactions.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Receivables from clearing organization represent commissions earned on securities transactions. These receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Securities transactions and related commission revenues and expenses are recorded on a settlement date basis. Accounting principles generally accepted in the United States of America require transactions to be recorded on a trade date basis; however there is no material difference between trade date and settlement date for the Company.

**Notes to Financial Statements**

**September 30, 2012**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(Continued)**

Advertising costs are expensed as incurred. For the year ended September 30, 2012, the Company charged \$10,665 to other operating expenses for advertising costs.

Property and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

With the consent of its shareholders, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar regulations, although there exists a provision for a minimum franchise tax and a tax rate of 1.5% over the minimum franchise fee of \$800.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through November 27, 2012, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

**Note 2: RECEIVABLES FROM CLEARING ORGANIZATION**

Pursuant to the clearing agreement, the Company introduces all of its securities transactions to clearing brokers on a fully disclosed basis. Customers' money balances and security positions are carried on the books of the clearing brokers. In accordance with the clearance agreement, the Company has agreed to indemnify the clearing brokers for losses, if any, which the clearing brokers may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing brokers monitor collateral on the customers' accounts. As of September 30, 2012, the receivables from clearing organization of \$19,439 are pursuant to these clearance agreements.

**Infinity Securities, Inc. dba Infinity Financial Services**

**Notes to Financial Statements**

**September 30, 2012**

**Note 3: DEPOSIT WITH CLEARING ORGANIZATION**

The Company has a brokerage agreement with Mesirow Financial ("Clearing Broker") to carry its account and the accounts of its clients as customers of the Clearing Broker. The Clearing Broker has custody of the Company's cash balances which serve as collateral for any amounts due to the Clearing Broker as well as collateral for securities sold short or securities purchased on margin. Interest is paid monthly on these cash deposits at the average overnight repurchase rate. The balance at September 30, 2012 was \$25,122.

**Note 4: PROPERTY AND EQUIPMENT, NET**

Property and equipment are recorded net of accumulated depreciation and summarized by major classification as follows:

		Useful Life
Computer equipment	\$ 12,775	5
Computer software	<u>5,207</u>	3
Total cost of property and equipment	17,982	
Less: accumulated depreciation	<u>(11,563)</u>	
Property and equipment, net	<u>\$ 6,419</u>	

Depreciation expense for the year ended September 30, 2012 was \$2,952.

**Note 5: INCOME TAXES**

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company has elected the S Corporate tax status, therefore no federal income tax provision is included in these financial statements. The tax provision provided is the California franchise tax of \$800.

**Note 6: OCCUPANCY EXPENSE**

The Company is currently leasing its office space on a month-to-month basis. For the year ended September 30, 2012, the Company recorded \$33,653 in occupancy expense.

**Infinity Securities, Inc. dba Infinity Financial Services**

**Notes to Financial Statements**

**September 30, 2012**

**Note 7: CONCENTRATIONS OF CREDIT RISK**

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

**Note 8: RECENTLY ISSUED ACCOUNTING STANDARDS**

In June of 2009, the Financial Accounting Standards Board (the "FASB") implemented a major restructuring of U.S. accounting and reporting standards. This restructuring established the Accounting Standards Codification ("Codification" or "ASC") as the source of authoritative accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with generally accepted accounting principles in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs")

For the year ending September 30, 2012, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2010-29	Business Combinations (Topic 805): Disclosure of Supplementary Pro Forma Information for Business Combinations (December 2010).	After December 15, 2010
2011-04	Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IRFSS (May 2011).	After December 15, 2011
2011-05	Comprehensive Income (Topic 220): Presentation of Comprehensive Income (June 2011).	After December 15, 2011

**Infinity Securities, Inc. dba Infinity Financial Services**  
**Notes to Financial Statements**

**Note 8: RECENTLY ISSUED ACCOUNTING STANDARDS**

**(Continued)**

2011-08	Intangibles - Goodwill and Other (Topic 350): Testing Goodwill for Impairment (September 2011).	After December 15, 2011
2009-17	Consolidations (ASC 810) - Improvements to Financial Reporting by Enterprises with Variable Interest Entities	After November 15, 2009

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**Note 9: NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on September 30, 2012, the Company had net capital of \$47,342 which was \$42,342 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$47,628) to net capital was 1.01 to 1, which is less than the 15 to 1 maximum allowed.

Board of Directors

Infinity Securities, Inc. dba Infinity Financial Services:

In planning and performing our audit of the financial statements of Infinity Securities, Inc. dba Infinity Financial Services (the Company), as of and for the year ended September 30, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Infinity Securities, Inc. dba Infinity Financial Services

Pursuant to Rule 17a-5 (e) (4) of the Securities Exchange Act of 1934, we have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of Infinity Securities, Inc. dba Infinity Financial Services ("the Company") for the year ended September 30, 2012. Our procedures were performed solely to assist the Company in complying with Rule 17a-5 (e) (4), and our report is not to be used for any other purpose. The procedures we performed are as follows:

1. Compared listed assessment payments with respective cash disbursements records entries;
2. Compared amounts reported on the unaudited Form X-17A-5 for the year ended September 30, 2012, with the amounts reported in General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations in the Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an examination made in accordance with generally accepted auditing standards, we do not express an opinion on the schedule referred to above.

In connection with the procedures referred to above, nothing came to our attention that caused us to believe that the amounts shown on the Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to schedules referred to above and does not extend to any financial statements of Infinity Securities, Inc. dba Infinity Financial Services taken as a whole.
