INDEPENDENT ACCOUNTANTS' AGREED-UPON PROCEDURES REPORT

Manarin Securities Corporation
Omaha, Nebraska

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Manarin Securities Corporation (the Company), the Securities and Exchange Commission, the Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and these other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries and the Company's bank statements, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 Part III for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011, noting the following differences:

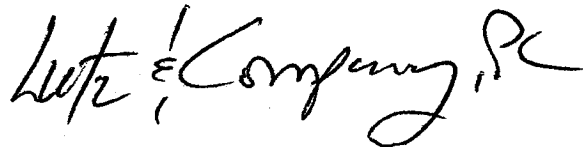

Total revenue reported on the audited Form X-17A-5 Part III	\$2,142,935
12b-1 fee reimbursement	45,129
Income tax refund	<u>5,284</u>
Total revenue reported in the Form SIPC-7	<u>\$2,193,348</u>

The 12b-1 fee reimbursement was recorded by the Company as an expense in FOCUS reporting and not included as an offset to revenues. The income tax refund was recorded by the Company as revenue for FOCUS reporting. These two differences amount to \$50,413 and were reported in Form SIPC-7 as an adjustment to total revenue on Line 2c(8) by the Company;

3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers consisting of general ledger trial balances and client prepared detail, noting no differences; and
4. Proved the mathematical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
