## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Freedom Investors Corp.  
Brookfield, Wisconsin

We have audited the accompanying balance sheet of Freedom Investors Corp. as of June 30, 2012 and the related statements of income, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the balance sheet is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall balance sheet presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Freedom Investors Corp. at June 30, 2012 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information included in the accompanying computation of net capital and aggregate indebtedness schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Notes to Financial Statements**  
June 30, 2012

**1. Summary of Significant Accounting Policies**

**Business Activity**

The Company was incorporated in the state of Wisconsin on November 25, 1988. The Company is registered with the Securities and Exchange Commission, the National Association of Securities Dealers, and Securities Investor Protection Corporation. The Company's principal business activity is the sale of securities and annuities.

**Cash and Equivalents**

Cash and equivalents consist of the Company's checking and money market accounts.

**Reserves and Custody of Securities**

The Company did not hold securities for sale, nor does it hold customer securities at June 30, 2012. Because the Company does not handle customers' securities, Rule 15(c)3-3, in regard to computation for determination of reserve requirements and information relating to the possession or control requirements, does not apply.

**Accounts Receivable**

Accounts receivable are reported at contract value, less our estimate for uncollectible amounts based on experience relative to the population of accounts receivable.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Subsequent Events**

Management has evaluated subsequent events for possible recognition or disclosure through the date the financial statements were available to be distributed (August 27, 2012). There were no subsequent events that required recognition or disclosure.

**2. Net Capital Requirements**

As a registered broker/dealer and member of the National Association of Securities Dealers, Inc., the Company is subject to the Uniform Net Capital Rule, which required the maintenance of minimum net capital and requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 15 to 1. At June 30, 2012, the Company's net capital and required net capital were \$27,739 and \$5,000, respectively. The ratio of aggregate indebtedness to net capital was 0.97 to 1.

**3. Common Stock**

Common stock consists of 2,500 authorized, 1,000 issued and outstanding no par value shares.

**4. Filing Requirements**

There were no liabilities subordinated to claims of creditors during the year ended June 30, 2012. Accordingly, a statement of changes in liabilities subordinated to claims of creditors is not included in the financial statements as required by rule 17a-5 of the Securities and Exchange Commission.

**FREEDOM INVESTORS CORP.**  
Brookfield, Wisconsin

**Notes to Financial Statements**  
June 30, 2012  
(Continued)

**5. Related Party Transactions**

The Company paid management fees during the year to its parent company as follows:

Freedom Securities, Inc. \$ 306,712

**6. Income Taxes**

The Company files a consolidated United States income tax return with its parent company, Freedom Securities Corp., and pays its share of the consolidated tax liability and files a separate return for Wisconsin tax purposes. During the year, the Company changed its method of accounting from the cash basis to accrual basis for tax purposes. The tax returns are filed using the accrual basis of accounting. The provision for income taxes consists of:

Current benefit	\$ (1,908)
Deferred benefit	<u>(1,000)</u>
Total	<u>\$ (2,908)</u>

The Company is no longer subject to United States income tax examinations for years ending before June 30, 2009 and Wisconsin income tax examinations for years ending before June 30, 2008.

**7. Customer Settlement**

The Company was awarded and collected a settlement for a margin call in the amount of \$184,947 which resulted in the recognition of approximately \$90,000 in income for the year ended June 30, 2012.

**8. Commitments**

The Company is periodically subject to examination of its operations by various regulatory agencies. During the year FINRA and the SEC completed an examination of the Company's compliance with certain regulatory and financial requirements. The examinations resulted in a number of issues that management is attempting to resolve. It is management's opinion that none of these issues will have a material effect on the Company's financial statements.

**9. Revenue Concentrations**

Approximately 60% of the Company's revenue was received through two companies for the year ended June 30, 2012.

**10. Concentrations**

Cash and cash equivalents are maintained at an area financial institution. Balances may periodically exceed the federally insured limit of \$250,000, although the Company has never experienced a loss related to these overages. Non-interest bearing account balances were fully insured at June 30, 2012 due to a federal program in effect through December 31, 2012.

**FREEDOM INVESTORS CORP.**  
Brookfield, Wisconsin

**Notes to Financial Statements**  
June 30, 2012

**11. Litigation**

The Company has retained legal council regarding two unresolved arbitrations. An unfavorable outcome in these arbitrations could result in material damages. However, management intends to aggressively contest the issues raised and does not believe any subsequent settlement will have a material effect on the Company's financial statements.

**12. Loan Payable**

The note payable is due to FINRA as the result of penalty. The note bears interest at a fixed rate of 6.25% and is payable in monthly installments of \$1,000 expiring May 2014. Payments are due as follows:

<u>Year Ended</u>	<u>Amount</u>
2013	\$ 12,000
2014	9,500
Total	<u>\$ 21,500</u>

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL

To the Board of Directors,  
Freedom Investors Corp.  
Brookfield, Wisconsin

In planning and performing our audit of the financial statements of Freedom Investors Corp. (the Company), as of and for the year ended June 30, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17A-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility, that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

Our consideration of the internal control was for the limited purpose described in the preceding paragraphs and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore there can be no assurance that all such deficiencies have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to warrant attention by those charged with governance. We consider the following deficiencies to be a significant deficiencies:

#### **Separation of Duties**

The Company operates its accounting and reporting function with principally one individual, which precludes a proper segregation of duties. This condition is not, however, unusual in entities the size of Freedom Investors Corp. It is important for management to be aware of this condition, and to realize that the concentration of duties and responsibilities in one individual is not desirable from a control point of view. Under these conditions, the most effective controls rest in management's knowledge and monitoring of matters relating to the Company's financial affairs.

#### **Computation of Net Capital**

Our audit procedures revealed that the Computation of Aggregated Indebtedness and Net Capital Under Rule 15c3-1 wasn't completed correctly due to balance sheet inaccuracies.

Subsequent to audit it is client's intention to file an amended Computation of Aggregated Indebtedness and Net Capital.

#### **Check Signing Policy**

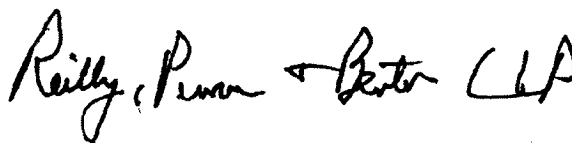

Our audit procedures revealed that the Company allows the Vice-President to sign their own checks. We recommend the President sign checks made out to the Vice-President.

#### **Journal Entry Postings**

Our audit procedures revealed that the Company does not prepare general journal entries when changing information within the general ledger. To provide an audit trail within the general ledger, we recommend that the initial entry to record transactions is changed via a secondary journal entry and not a direct change to the initial entry.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2012, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, FINRA and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, and should not be used for any other purposes.

**Independent Auditors' Report on Applying Agreed-Upon  
Procedures Related to an Entity's SIPC Assessment Reconciliation**

Board of Directors  
Freedom Investors Corp.  
Brookfield, Wisconsin

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation (SIPC) for the year ended June 30, 2012, which were agreed to by Freedom Investors Corp. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Freedom Investors Corp. compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Freedom Investors Corp. management is responsible for the Freedom Investors Corp. compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility for those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1 Procedure: Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements entries.  
Conclusion: No findings.
- 2 Procedure: Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended June 30, 2012.  
Conclusion: No findings.
- 3 Procedure: Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers.  
Conclusion: No findings.
- 4 Procedure: Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments.  
Conclusion: No findings.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
