INDEPENDENT AUDITOR'S REPORT

Board of Directors
Whitehall-Parker Securities, Inc.
San Francisco, California

I have audited the accompanying statement of financial condition of Whitehall-Parker Securities, Inc. (a California corporation) as of August 31, 2011 and the related statements of revenue and expenses, changes in cash flows, and changes in stockholders' equity for the year then ended. These financial statements are being filed pursuant to Rule 17a-5 of the Securities Exchange Act of 1934 and include the supplemental schedule of the net capital computation required by Rule 15c3-1. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Whitehall-Parker Securities, Inc. as of August 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. The above-mentioned supplemental schedule, when considered in relation to the financial statements, presents fairly, in all material respects the information included therein in conformity with the rules under the Securities Exchange Act of 1934.

Whitehall-Parker Securities, Inc.

NOTES TO FINANCIAL STATEMENTS

August 31, 2011

NOTE A - SUMMARY OF ACCOUNTING POLICIES

A summary of the company's accounting policies consistently applied in the preparation of its financial statements is as follows:

1. Whitehall-Parker Securities, Inc. was incorporated February 1, 1982 under the laws of the State of California. The Company is a broker dealer registered with the Securities and Exchange Commission.
2. As a registered broker-dealer, the Company is subject to Rule 15c3-1 of the Securities and Exchange Commission which requires the maintenance of minimum net capital of 6 2/3% of aggregate indebtedness or \$5,000, whichever is greater, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At August 31, 2011, the Company had complied with both requirements.
3. The company's management considers all receivables to be collectible at August 31, 2011. Therefore, no allowance for doubtful accounts is required.
4. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally using the modified accelerated cost recovery method (MACRS).
5. Income tax returns have not been examined by governmental agencies since the Company's inception.
6. For purposes of the statement of cash flows, the company considers all unrestricted investment instruments purchased with original maturities of three months or less to be cash equivalents. At August 31, 2011 there were no cash equivalents.
7. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures.
8. Management has evaluated subsequent events through October 27, 2011, the date the financial statements were available to be issued.

PART II

Whitehall-Parker Securities, Inc.

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL CONTROL STRUCTURE

August 31, 2011

ROBERT STEPHENSON
An Accountancy Corporation
515 N. Sepulveda Blvd., Suite A
Manhattan Beach, California 90266
(310) 318-1592

Board of Directors
Whitehall-Parker Securities, Inc.

**REPORT BY INDEPENDENT ACCOUNTANT
ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC Rule 17a-5**

In planning and performing my audit for the financial statements of Whitehall-Parker Securities, Inc. (the "Company") for the year ended August 31, 2011, I have considered its internal control structure, including procedures for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements, and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, I have made a study of the practice and procedures (including tests of compliance with such practices and procedures) followed by the Company that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. I did not review the practices and procedures followed by the company: (1) in making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13; (2) in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System; or (3) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of an internal control structure and the practices procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use of disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America.

Rule 17a-5(g) lists additional objectives of the practice and procedures listed in the preceding paragraph.

ROBERT STEPHENSON
An Accountancy Corporation

Page Two
Board of Directors

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

My consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under the standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relationship to the financial statements being audited may occur and not be detected and corrected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving the accounting system and control procedures that I consider to be material weaknesses as defined above. In addition, the Company, was in compliance with the exemptive provisions or Rule 15c3-3 as of August 31, 2011 and no facts came to my attention indicating that such conditions had not been complied with during the year then ended.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at August 31, 2011 to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the national Association of Securities Dealers, Inc., and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, and should not be used for any other purpose.
