INDEPENDENT AUDITORS' REPORT

To the Member of
Reliance Worldwide Investments, LLC:

We have audited the accompanying statement of financial condition of Reliance Worldwide Investments, LLC at December 31, 2011, and the related statements of income and changes in member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referenced above present fairly, in all material respects, the financial position of Reliance Worldwide Investments, LLC as of December 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in our opinion is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

February 14, 2011

To the Member of
Reliance Worldwide Investments, LLC:

In planning and performing our audit of the financial statements of Reliance Worldwide Investments, LLC (the "Company") as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control or financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g) (1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of the control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemption provisions of rule 15c-3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal controls and the practices and procedures referred to in the previous paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal controls and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them

to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses.

The Company, because of its size and limited personnel, is unable to maintain adequate separation of the various accounting functions. However, management informs us that there are procedures in place that mitigate the lack of separation of functions. Because of these additional procedures, we did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects, indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Members and Principals of the Company, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Russell P. Cannizzo & Company". The signature is written in a cursive style with a large, sweeping flourish at the end.

Reliance Worldwide Investments, LLC
Notes to Financial Statements
December 31, 2011

1. Organization and Nature of Business

Reliance Worldwide Investments, LLC (the "Company") is a correspondent broker-dealer and investment banking firm. The Company is registered with the Securities and Exchange Commission (SEC), the Municipal Securities Rulemaking Board (MSRB) and applicable states. It is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SPIC). The Company is a Nevada single member Limited Liability Company wholly owned by one individual.

2. Significant Accounting Policies

Basis of Presentation - The financial statements include the accounts of the Company. The Company has no subsidiaries and is engaged in business as a correspondent broker-dealer. On June 25, 2007, the SEC granted the Company's registration pursuant to Section 15(b) of the Securities Exchange Act of 1934 and FINRA granted the Company's application for membership. FINRA approved the Company to conduct the following types of business: broker or dealer retailing corporate equity securities over-the-counter, broker or dealer selling corporate debt securities, mutual fund retailer, U.S. government securities broker, municipal securities broker, put and call broker or dealer or option writer and private placement of securities. The Company's scope of approved services was expanded on March 22, 2010 with an amendment to its Form BD adding investment banking. The target market for these investment services is privately-held lower middle market businesses.

Use of Estimates -The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes - The Company has elected to be taxed as an S-corporation for income tax purposes. Profits and losses of the Company are thus passed through to the individual tax return of the managing member and no income tax allowances are included in these financial statements.

Depreciation - Depreciation is recorded in the financial statements with estimated useful lives as allowed by the Internal Revenue Code using the straight-line method.

3. Commitments

The Company has entered into a commercial office space rental agreement for its furnished premises at 1240 Barclay Boulevard, Buffalo Grove, Illinois, that expires on December 31, 2014. Future minimum monthly payments under the agreement are as follows:

2012	\$420/month
2013	\$540/month
2014	\$665/month

Reliance Worldwide Investments, LLC
Notes to Financial Statements
December 31, 2011

5. Fair Value

In determining fair value, the Company uses valuation approaches according to fair value measurement within FASB ASC 820. Fair value measurements are determined based on the assumptions that the market participants would use in pricing an asset or liability.

FASB ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the uses of unobservable inputs by requiring that the most observable inputs be used when available. The defined levels within the hierarchy based on the reliability of inputs are as follows:

- Level 1 – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;
- Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and
- Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on market, exchange, dealer or broker-traded transactions.

As of December 31, 2011, the only assets or liabilities that are measured at fair value on a recurring basis in periods subsequent to initial recognition are cash, and cash segregated under federal or other regulations. The Company measures fair value of cash and cash segregated under federal or other regulations as Level 1.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash and cash equivalents	<u>\$ 113,049</u>	=	=	<u>\$ 113,049</u>
Total	<u>\$ 113,049</u>	=	=	<u>\$ 113,049</u>

4. Subsequent Event

The Company has evaluated subsequent events through February 14, 2012, the date which the financial statements were available to be issued.

Independent Accountants' Report on Applying Agreed-Upon Procedures Related to an Entity's Assessment Reconciliation

To the Member of Reliance Worldwide Investments LLC
Buffalo Grove, IL

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments, General Assessment Reconciliation (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2011, which were agreed to by Reliance Worldwide Investments LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC solely to assist you and the other specified parties in evaluating Reliance Worldwide Investments LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Reliance Worldwide Investments LLC's management is responsible for the Reliance Worldwide Investments LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2011, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011 noting that final payment was made subsequent to the year end, and not accrued for the year ended December 31, 2011, but paid prior to the issuance of these financial statements;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
