**INDEPENDENT AUDITOR'S REPORT**

To the Members of

**PALICO, LLC**

***Report on the Financial Statements***

I have audited the accompanying statement of Financial condition of Palico, LLC (the "Company") as of December 31, 2012 and the related statements of operations, changes in members equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Palico, LLC as of December 31, 2012, and the results of its operations and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

***Other Matter***

My audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The information contained in the supplemental schedule listed in the accompanying index is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in the supplemental schedule has been subjected to the auditing procedures applied in my audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information in the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2012

---

### 1. ORGANIZATION AND DESCRIPTION OF BUSINESS:

Palico, LLC (the "Company"), a New York Limited Liability Company, operates a platform that provides (a) institutional or family office accredited investors that utilize limited partnerships or limited liability companies to invest in private placement offerings and (b) Funds of Funds (together the "Investors") with contact information, an overview of the firm and descriptions of potential investment opportunities listed by the General Partners (the "Sponsors"). The platform serves as a secure "electronic Rolodex" utilized by Investors to initiate contact with a Sponsor who can then provide the Investor with additional information regarding the Sponsor as well as information about the specific investment opportunity(ies). The Platform does not function as a placement agent or finder. Palico revenues are generated solely from membership fees charged for becoming a user of the Platform. The Company is registered with the Financial Industry Regulation Authority, Inc. (FINRA).

### 2. SIGNIFICANT ACCOUNTING POLICIES:

These financial statements have been prepared in conformity with generally accepted accounting principles which require the use of estimates by management.

### 3. INCOME TAXES:

The Company became a Limited Liability Company on January 4, 2001. No provision for federal income tax has been made, as the company is an LLC and is not liable for Federal Income taxes.

### 4. NET CAPITAL REQUIREMENTS:

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1. The rule requires that the Company maintain minimum net capital, as defined, of 6-2/3% of aggregate indebtedness, as defined, or \$5,000, whichever is greater. Net capital as reported on page 8 of this audited Form X-17A-5 indicates net capital of \$119,290. In January 2013, the Company filed part IIA of Form X-17A-5 (unaudited) and reported the same net capital of \$119,290.

The Company claims exemption from the requirements of rule 15c3-3, under Section (k) (2) (i) of the rule.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL**  
**REQUIRED BY SEC RULE 17a-5**

To the Board of Directors and Members' of

**PALICO, LLC**

In planning and performing our audit of the financial statements and supplementary schedules of Palico, LLC (the "Company") for the year ended December 31, 2012, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(l) of the Securities and Exchange Commission ("SEC"), I have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affect the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies that results in more than remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2012, to meet the SEC's objectives.

In addition, my review indicated that the company was in compliance with the conditions of exemption from Rule 15c3-3 pursuant to paragraph k(2)(i) as of December 31, 2012, and no facts came to my attention to indicate that such conditions had not been complied with during the year.

This report is intended solely for the information and use of management, the SEC, the Financial Industry Regulation Authority, Inc. and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
