Report of Independent Registered Public Accounting Firm

The Managing Member
Albright Securities LLC

We have audited the accompanying statement of financial condition of Albright Securities LLC (the Company) as of December 31, 2012, and the related notes to the statement of financial condition.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the statement of financial condition in conformity with U.S generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a statement of financial condition that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the statement of financial condition based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the statement of financial condition in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of financial condition.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Albright Securities LLC at December 31, 2012, in conformity with U.S. generally accepted accounting principles.

1. Operations

Albright Securities LLC (the Company) is a limited liability company that was formed in the state of Delaware in January 2005, and commenced operations on June 1, 2005. The Company registered as a broker dealer with the Securities and Exchange Commission (SEC) on January 11, 2006, and was approved for membership by the Financial Industry Regulatory Authority (FINRA) on the same date. The Company is a wholly-owned subsidiary of Albright Capital Management LLC (ACM). ACM focuses on the emerging markets and launched its flagship private fund (the Flagship Fund) in January 2007. The Company was formed primarily to serve as the private placement agent in connection with one or more private funds sponsored by ACM.

The Company's activities are limited to acting as a private placement broker and it operates at the \$5,000 net capital level. It neither carries customer accounts nor holds customer cash or securities and is exempt from the reserve requirements pursuant to Rule 15c3-3 of the Securities and Exchange Commission under paragraph (k) (2) (i) of that rule. The Company does not act as a dealer or market maker. It has not executed any securities transactions since it commenced operations.

Pursuant to the terms of the Limited Liability Company Agreement (the Agreement) dated January 28, 2005, the Company may be dissolved, and its affairs wound up upon the first to occur of the following: (i) the written consent of ACM, (ii) at any time there are no members of the Company, unless the business of the Company is continued in a manner permitted by the Delaware Limited Liability Act (the Act), (iii) the entry of a decree of judicial dissolution under Section 18-802 of the Act, or (iv) the occurrence of any other event resulting, under non-waivable provisions of the applicable law, in the dissolution of the Company.

In accordance with the Agreement, except as otherwise provided by the Act, the debts and obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and ACM shall not be obligated personally for such debt, obligation or liability of the Company, solely by reason of being a member of the Company.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

2. Significant Accounting Policies (continued)

Taxation

No provision for federal and state income taxes has been made since the Company is not a taxable entity. ACM is individually liable for the taxes on its share of the Company's income or loss.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC 740, "Income Taxes". Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances, and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. As of December 31, 2012, the Company did not have any unrecognized tax liabilities.

The Company recognizes interest and penalties, if any, related to unrecognized tax exposures as income tax expense in the statement of operations. During the year, the Company did not accrue any interest or penalties.

3. Net Capital Requirements

The Company, as a registered broker-dealer, is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1).
