We have audited the accompanying statement of financial condition of ACF International, Inc. (the "Company") as of December 31, 2012 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of this financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether this financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in this financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of this financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of this financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of this financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of ACF International, Inc. as of December 31, 2012 in accordance with accounting principles generally accepted in the United States of America.

ACF INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2012

NOTE 1. ORGANIZATION AND NATURE OF BUSINESS

ACF International, Inc. (the "Company") is registered as a broker dealer in securities with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a Massachusetts corporation and is wholly owned by Ahorro Corporcion Financiera. In this capacity, it executes agency transactions on behalf of its customers and executes principal transactions in securities. The Company conducts business primarily with other broker dealers on behalf of its customers. The Company's customers are located primarily in the United States of America.

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in market (market risk) or failure of the other party to the transaction to perform (counterparty risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to market and counterparty risk through the use of a variety of financial position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the credit standing of each broker dealer, clearing organization, customer, and counterparty with which it conducts business.

The Company has agreed to indemnify its clearing broker for losses that the clearing broker may sustain from the customer accounts introduced by the Company. As of December 31, 2012, there were no customer accounts having debit balances which presented any risks.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The books and records of the Company are kept on the accrual basis and follow trade-date accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP")

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

ACF INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENT

(continued)

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Statement of Cash Flows

For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business.

The Company maintains cash in bank deposit accounts which at times exceed the federally insured limits. The Company has not experienced any losses in these accounts.

Commissions

Commissions and related clearing expenses are recorded on the trade-date basis as securities transactions occur.

NOTE 3. FAIR VALUE MEASUREMENT

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

(continued)

NOTE 3. FAIR VALUE MEASUREMENT (continued)

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data. FASB ASC 820, *Fair Value Measurement* has no material effect on these financial statements.

NOTE 4. FIXED ASSETS

Fixed Assets are stated at cost, less accumulated depreciation. Depreciation is based on the straight-line method over the estimated useful lives of the assets.

Fixed assets consist of the following:

Software	\$ 79,058
Equipment	98,872
Furniture & Fixtures	50,100
Leasehold Improvements	<u>28,779</u>
	256,809
Less: Accumulated Depreciation	<u>(223,288)</u>
Net Fixed Assets	<u>\$ 33,521</u>

NOTE 5. GUARANTEES

FASB ASC 460, *Guarantees*, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of the indebtedness of others.

The Company has issued no guarantees at December 31, 2012 or during the year then ended.

(continued)

NOTE 6. NET CAPITAL REQUIREMENTS

The Company is a registered broker-dealer and, therefore, subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1. The Company has elected to be an alternative filer, as defined, and as such has a minimum net capital requirement of \$250,000. Net capital and aggregate indebtedness change from day to day, but as of December 31, 2012, the Company had net capital of \$623,954, which exceeded its requirement of \$250,000 by \$373,954. The Company's net capital ratio was 0.06 to 1

NOTE 7. INCOME TAXES

The Company did not make a provision for regular federal income or state and local taxes as a result of net operating loss carryforwards. The Company has net operating loss carryforwards for federal tax purposes of approximately \$5,115,000 expiring between 2022 and 2032. The Company also has net operating loss carryforwards for state and local tax purposes of approximately \$4,849,000, expiring between 2028 and 2032. At December 31, 2012, the Company has a gross deferred tax asset of approximately \$1,999,000 relating to these net operating losses. The Company has recognized a valuation allowance to offset the entire deferred tax asset. The deferred tax assets and the corresponding valuation allowance increased by approximately \$257,000 in the current year primarily due to the loss incurred in the current year.

The entire provision included in the statement of operations consists of the state and local income taxes. The Company has determined that there are no uncertain tax positions which require adjustment or disclosure on the financial statements. The tax years that remain subject to examination by taxing authorities are 2011, 2010 and 2009.

NOTE 8. COMMITMENTS AND CONTINGENCIES
