INDEPENDENT AUDITOR'S REPORT

To the Partners
HFBE Capital, L.P.
Houston, Texas

We have audited the accompanying balance sheets of HFBE Capital, L.P. (HFBE) as of December 31, 2012 and 2011 and the related statements of operations, changes in partners' capital and cash flows for the years then ended, and the related notes to the financial statements that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HFBE Capital, L.P. as of December 31, 2012 and 2011, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles in the United States.

Other Matters

As described in Note B, the general partner of HFBE was acquired effective September 1, 2012 by an organization that owns another broker dealer. As a consequence, HFBE is being marketed to possible interested parties. During this time, HFBE has not engaged in any investment banking activities.

Our audits were made for the purpose of forming an opinion on the financial statements as a whole. Schedules I, II and III on pages 11, 12, and 13 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

HFBE Capital, L.P. (a Texas limited partnership) ("the Partnership") maintains its accounts on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP). Accounting principles followed by the Partnership and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

Description of Business – The Partnership is located in Houston, Texas and is a private investment banking firm. Accordingly, the Partnership has claimed an exemption from the Securities and Exchange Commission (SEC) Rule 15c3-3 under section (K)(2)(i). The Partnership is registered as a Broker-Dealer with the SEC, and a member of the Financial Industry Regulatory Authority (FINRA).

Statement Presentation – The unclassified statement of financial condition is presented in accordance with industry standards.

Cash and Cash Equivalents – The Partnership considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Revenue Recognition – Commissions are recognized when transactions settle and receivables are recorded at that time.

Income Taxes – The Partnership's income, losses, and tax credits will be included in the income tax returns of the Partners. Accordingly, the Partnership does not record a provision for Federal income taxes. The Partnership accrues Texas Margin Taxes if owed. The Partnership did not owe any Texas Margin Tax at December 31, 2012.

The Partnership believes that all tax positions will more likely than not be sustained upon examination. As of December 31, 2012, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2009 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statements of operations.

Estimates – The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events – The Partnership has evaluated subsequent events through February 19, 2013, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2012.

NOTE B PARTNERSHIP AGREEMENT

The Partnership was formed October 1, 1998. The general partner of the Partnership is HFBE Capital GP LLC, and the limited partners are Donald Barker, William Frazier and Alex Howard.

The general partner has an ownership interest of .0034% and the limited partners each have a 33.3322% interest.

Effective September 1, 2012, Howard Frazier Barker Elliott, Inc. (HFBE) (the owner of the general partner) was acquired by Stout Risius Ross, which operates a separate broker dealer. As a result, HFBE, Inc. changed its name to 1140 Esperson, Inc. and acquired 100% of HFBE Capital GP LLC. The Partnership is being marketed to interested buyers and is not engaged in any investment banking activities during this process.

All Partnership profits, losses and distributions are to be allocated to the partners in proportion to their respective percentage interests.

NOTE C MANAGEMENT AGREEMENT

The Partnership entered into a management agreement with Howard Frazier Barker Elliott, Inc. (HFBE) (now 1140 Esperson, Inc), a company related through common ownership, whereby HFBE will provide administrative and operational services, facilities, furniture and pay all overhead expenses of the Partnership. At December 31, 2012 and 2011, the Partnership had advanced \$221,778 and \$287,237, respectively to HFBE for services to be rendered in the future.

HFBE receives an incremental allocation services fee of \$9,100 per month and a proportional allocation service fee equal to 85% of the monthly adjusted net operating net income of the Partnership. On October 1, 2012 the incremental allocation services fee was adjusted to \$563 per month. The proportional allocation service fee was terminated on August 31, 2012. The service fees may be adjusted upon written notice by HFBE.

NOTE D NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Partnership is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2012 and 2011, the Partnership had net capital of \$44,160 and \$53,960 respectively, and a net capital requirement of \$5,000. The Partnership's ratio of aggregate indebtedness to net capital was -0- and .01 to 1 at December 31, 2012 and 2011, respectively. The Securities and Exchange Commission permits a ratio of aggregate indebtedness for the Partnership at this time of no greater than 15 to 1.

NOTE E CONCENTRATIONS AND CREDIT RISK

The Partnership's bank balances, which were \$44,160 and \$54,546 at December 31, 2012 and 2011, respectively, are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. It is the Partnership's practice to utilize high net worth financial institutions to minimize its credit risk.

For the year ended December 31, 2011, one customer represented 93% of the Partnership's commission revenue. The Partnership had no revenue during 2012.

Generally, no collateral or other security is required to support accounts receivable. At December 31, 2011, management determined that no allowance for doubtful accounts was required.

**REPORT ON INTERNAL CONTROL STRUCTURE REQUIRED BY SEC RULE 17 A-5
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15C3-3**

The Partners
HFBE Capital, L.P.

In planning and performing our audit of the financial statements and supplemental schedules of HFBE Capital, L.P. (the Partnership), as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Partnership's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and the practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the partners, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be an should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED UPON PROCEDURES
RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION**

February 19, 2013

To the Partners
HFBE Capital, L.P.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2012, which were agreed to by HFBE Capital, L.P. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the SIPC, solely to assist you and the other specified parties in evaluating HFBE Capital, L.P.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7). HFBE Capital, L.P.'s management is responsible for the HFBE Capital, L.P.'s compliance with those requirements. This agreed upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. We compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries including the general ledger detail and cash disbursements journal noting no differences.
2. We compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012 noting no differences.
3. We compared adjustments reported in Form SIPC-7 with supporting schedules and working papers including general ledger detail and clearing broker reports noting no differences.
4. We proved the arithmetical accuracy of the calculation reflected in Form SIPC-7 and in the related schedules and working papers including general ledger detail and quarterly Focus reports supporting the adjustments noting no differences.
5. We compared the amount of overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting overpayments were not applicable for this report.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
