INDEPENDENT AUDITORS' REPORT

To the Members' of
Harbor Financial Services, LLC

Report on the Financial Statements

We have audited the accompanying financial statements of Harbor Financial Services, LLC (the Company) which comprise of the statement of financial condition as of December 31, 2012 and 2011, and the related statements of income, changes in members' equity, and cash flows for the years then ended, and the related notes to the financial statements that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Harbor Financial Services, LLC as of December 31, 2012 and 2011, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in the Supplemental Schedules is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Harbor Financial Services, LLC

Notes to the Financial Statements

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Harbor Financial Services, LLC (the Company), a limited liability company organized in 2004, is a licensed broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the Financial Industry Regulatory Authority (FINRA). The Company acts primarily as a broker in municipal securities, government securities, corporate debt and equity securities, equity trading on a fully disclosed basis, options, life insurance and annuities, mutual funds and investment advisory services. The Company's office is located in Mobile, Alabama.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Commissions

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Furniture and equipment, net

Furniture and equipment are recorded at cost and depreciated over the estimated useful life of the individual assets. Ordinary repairs are expensed as incurred while the cost of parts, labor and installation incurred for improvements of fixed assets and the preparation of the asset for its intended use are capitalized. Depreciation is provided on a straight-line basis using estimated useful lives of three to seven years.

Income Taxes

The Company is a limited-liability company and is taxed as a partnership for federal income tax purposes. Accordingly, no provision for federal income taxes has been recorded in the accompanying financial statements since the taxable income or loss is included in the income tax return of the members. As the Company is not liable for federal income tax, the Company has recorded no liability associated with uncertain tax positions. The Company files income tax returns in the United States federal jurisdiction. The statute of limitation for Internal Revenue Service ("IRS") examination of the Company's federal tax returns is determined by the statute governing the tax returns of its members.

The Company's policy is to record interest and penalties relating to taxes in interest expense on the financial statements. There were no significant interest and penalties related to taxes paid in fiscal years 2012 or 2011.

Harbor Financial Services, LLC

Notes to the Financial Statements

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences

Employees of the Company are entitled to paid vacation, paid sick days and personal days off depending on job classifications, length of service, and other factors. It is impractical to estimate the amount of compensation for future absences, and, accordingly, no liability has been recorded in the accompanying financial statements. The Company's policy is to recognize the costs of compensated absences when actually paid to employees.

Statements of Cash Flows

For the purposes of the Statements of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

Subsequent Events

The Company evaluated all events or transactions that occurred after December 31, 2012 through February 26, 2013, the date the Company issued these financial statements. During this period, the Company did not have any material recognizable subsequent events that required recognition in the disclosures to the December 31, 2012 financial statements.

Reclassification

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with the current year presentation.

NOTE 3 – DEPOSITS

The Company maintains cash on deposit with three banking institutions. At times, deposits may exceed Federal Deposit Insurance Corporation (FDIC) coverage of \$250,000. The Company had one deposit account as of December 31, 2012 and 2011 with a balance \$585 and \$3,876, respectively, in excess of FDIC coverage.

The Company maintains cash balances at a clearing organization insured by the Securities Investor Protection Corporation (SIPC). The Company had no deposit account with a clearing organization in excess of SIPC coverage of \$100,000 at December 31, 2012 and 2011, respectively.

Harbor Financial Services, LLC
Notes to the Financial Statements

NOTE 4 – RECEIVABLE FROM AND PAYABLE TO BROKER DEALERS

Accounts receivable from and payable to broker dealers consist of the following:

	Receivable	Payable
December 31, 2012		
Receivable from broker dealers	\$ 285,437	\$ -
December 31, 2011		
Receivable from broker dealers	\$ 260,198	\$ -

The Company clears all of its propriety and customer transactions through a clearing organization on a fully disclosed basis.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

NOTE 6 – FURNITURE AND EQUIPMENT

A summary of the cost and accumulated depreciation of premises and equipment follows:

<i>December 31,</i>	2012	2011
Furniture and office equipment	\$ 69,288	\$ 67,332
Accumulated depreciation	(35,552)	(32,878)
Property and equipment, net	\$ 33,736	\$ 34,454

Depreciation expense for the years ended December 31, 2012 and 2011 amounted to \$10,656 and \$9,557, respectively.

Harbor Financial Services, LLC

Notes to the Financial Statements

NOTE 7 – COMMITMENTS AND CONTINGENT LIABILITIES

The Company has obligations under operating leases with initial noncancelable terms in excess of one year. Aggregate annual rentals for office space and equipment at December 31, 2012, are approximately listed as follows:

2013	\$	83,972
2014		83,972
2015		86,241
2016		86,241
2017 and thereafter		177,021
	\$	517,447

Rent expense for 2012 and 2011 aggregated to \$108,709 and \$104,238, respectively, and is included in the occupancy expense line item on the Statements of Income.

NOTE 8 – PROFIT SHARING PLAN

The Company has a defined contribution 401(k) plan, open to all employees who have at least one year of service and are age twenty one or older, subject to a minimum threshold of one thousand hours worked per calendar year. The Plan provides for a 100% match on the first 3% of employee compensation contributed, then 50% match of the next 2% of compensation contributed as defined by the Plan document. The Company's matching contribution to the Plan totaled approximately \$16,083 and \$11,680 in 2012 and 2011, respectively. Additional amounts may be contributed at the option of the Company. There were no such discretionary contributions made in 2012 and 2011.

NOTE 9 – LEGAL CONTINGENCIES

The Company assesses potential liabilities in connection with lawsuits and threatened lawsuits under FASB ASC 450. The filing of a suit or formal assertion of a claim or assessment does not automatically indicate that accrual of a loss is appropriate. An accrual would be inappropriate, but disclosure would be required, if an unfavorable outcome is determined to be reasonably possible but not probable, or if the amount of loss cannot be reasonably estimated. If an unfavorable outcome is assessed as probable, an accrual would be appropriate if the amount of loss can be reasonably estimated, and disclosure would be required.

The Company is currently a party to arbitrations occurring in the normal course of operations. The Company has determined that it is less than reasonably possible that potential liabilities will occur in connection with ongoing cases.

Harbor Financial Services, LLC

Notes to the Financial Statements

NOTE 10 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2012, the Company had net capital of \$597,970, which was \$547,970 in excess of its required net capital of \$50,000. The Company's net capital ratio was 0.51 to 1 at December 31, 2012. At December 31, 2011, the Company had net capital of \$630,958, which was \$580,958 in excess of its required net capital of \$50,000. The Company's net capital ratio was 1.07 to 1 at December 31, 2011.

**Harbor Financial Services, LLC
Supplemental Schedule of Computation for Determination of
Reserves Requirements Under Rule 15c3-3 of the
Securities and Exchange Commission**

The Company is exempt from this requirement under SEC Rule 15c3-3(k)(2)(ii).

Other Reports

**REPORT OF INDEPENDENT AUDITORS ON INTERNAL
CONTROL STRUCTURE REQUIRED BY RULE 17a-5
OF THE SECURITIES AND EXCHANGE COMMISSION**

To the Members' of
Harbor Financial Services, LLC

In planning and performing our audits of the financial statements of Harbor Financial Services, LLC (the Company) as of and for the year ended December 31, 2012 and 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3(e). Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- (1) Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
- (2) Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.
- (3) Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012 and 2011 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered broker-dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANTS REPORT ON APPLYING
AGREED-UPON PROCEDURES AS REQUIRED BY RULE
17a-5(e)(4) OF THE SECURITIES AND EXCHANGE COMMISSION**

To the Members' of
Harbor Financial Services, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2012, which were agreed to by Harbor Financial Services, LLC (the Company), the Securities and Exchange Commission, the Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries related to payments made or overpayments applied in connection with the SIPC-6 filing, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers with those amounts reported in the financial statements, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working supporting the adjustments through recalculation of the general assessment based on revenues and expenses reported within the financial statements, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
