Spire Securities, LLC  
Reston, Virginia

**Report on the Financial Statements**

We have audited the accompanying statement of financial condition of Spire Securities, LLC (the Company) as of December 31, 2012 and 2011, and the related statements of income, member's equity, and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Spire Securities, LLC as of December 31, 2012 and 2011, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## NOTES TO FINANCIAL STATEMENTS

### SPIRE SECURITIES, LLC

December 31, 2012 and 2011

#### NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Spire Securities, LLC (the Company), a wholly owned subsidiary of Spire Investment Partners, LLC (the Parent), is a securities brokerage firm providing securities brokerage and trading services to both individuals and institutional entities and also provides regulatory oversight to registered representatives for their investment advisory services. The Company does not have custody of client accounts or hold securities. Securities are held by third parties, and transactions are cleared through clearing organizations and their direct placement partners.

The Company qualifies under Rule 15c3-3(k)(2)(ii) from the Securities and Exchange Commission Customer Protection Rule (Rule 15c3-3). Accordingly, the supplemental schedule of Information Relating to Possession or Control Requirements for Brokers and Dealers Pursuant to Rule 15c3-3 is not applicable.

The Company uses accrual basis accounting for financial statement purposes, recognizing income when earned and expenses when incurred. A consolidated income tax return is filed with the Parent.

Cash, as used in the accompanying financial statements, includes currency on hand, demand deposits with financial institutions and short-term, highly liquid investments purchased with a maturity of three months or less.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The Company records commission revenue when earned rather than when received. The commission revenue will fluctuate depending upon the volume of trades. Total commission revenue for the years ended December 31, 2012 and 2011 was \$6,887,048 and \$5,352,992, respectively.

No provision for income taxes has been provided in these statements, as the Parent, by agreement, is responsible for any tax liability of the consolidated group. The Parent has elected, under the Internal Revenue Code, to be taxed as a partnership. Accordingly, no provision has been made for Federal and State income taxes on income recognized.

## NOTES TO FINANCIAL STATEMENTS

### SPIRE SECURITIES, LLC

December 31, 2012 and 2011

#### NOTE B - INCOME TAXES

Statements of Financial Accounting Standards require companies to disclose unrecognized tax benefits and liabilities. The Company operates as a Limited Liability Company (LLC) and is not subject to Federal income taxes. However, with limited exceptions the tax records of the Company generally remain open for three years for federal income tax examination and four years for state income tax examination. Management has evaluated the effect of the guidance and all other tax positions that could have a significant effect on the financial statements and determined that the Company had no uncertain tax positions at December 31, 2012 and 2011 that required disclosing or recognition.

#### NOTE C - CLEARING AGENTS

The Company has a clearing agreement with National Financial Services, LLC (NFS) as a clearing agent. The agreement is in effect until October 2013 and thereafter may be renewed annually. Either party may terminate the agreement with 90 days written notice, NFS requires the Company to maintain net capital of \$200,000 and an escrow deposit of \$75,000, subject to change at the discretion of NFS.

The Company also has a clearing agreement with Pershing, LLC (Pershing) as a clearing agent. The agreement remains in effect unless either party terminates the agreement with 90 days written notice. Pershing requires the Company to maintain net capital of \$100,000 and an escrow deposit of \$100,000, subject to change at the discretion of Pershing.

#### NOTE D - LIABILITIES SUBORDINATED TO GENERAL CREDITORS

The Company had no liabilities that were subordinated to general creditors at December 31, 2012 and 2011.

#### NOTE E - RELATED PARTY TRANSACTIONS

Spire Wealth Management, LLC, a sister company, is paid management fees for providing all management services to the Company. The Expense Sharing Agreement between Spire Securities, LLC and Spire Wealth, LLC allocates management fees based on the percentage of Spire Securities' gross revenues to total gross revenues of both entities. As a result of transactions and short-term loans between these related entities, Spire Wealth Management, LLC owed the Company \$427 and \$924 as of December 31, 2012 and 2011, respectively.

Spire Securities, LLC and Spire Wealth Management, LLC are wholly owned subsidiaries of Spire Investment Partners, LLC.

## NOTES TO FINANCIAL STATEMENTS

### SPIRE SECURITIES, LLC

December 31, 2012 and 2011

#### NOTE F - OFFICE LEASE

The Company occupies space that is leased by the sister company. It pays its pro-rata share of the sister company's lease expense, based upon revenue percentages, as part of its monthly payment for office services. The rent component of office services expense for the years ended December 31, 2012 and 2011 was \$131,667 and \$130,544, respectively.

#### NOTE G - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 10 to 1. Rule 15c3-1 further requires all brokers not generally carrying customers' accounts to maintain net capital of not less than \$100,000 or one-fifteenth of the Company's aggregate indebtedness, whichever is greater.

At December 31, 2012, the Company's aggregate indebtedness to net capital ratio was 0.6768 to 1 and the Company had net capital of \$641,381, which was \$541,381 in excess of its required net capital of \$100,000.

#### NOTE H - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Company to concentrations of credit risk consist of the receivable from clearing organization and cash and cash equivalents. The Company grants credit terms in the normal course of business to its clearing brokers for payment of commissions for customer trades. As part of its ongoing procedures, the Company monitors the credit worthiness of its clearing broker.

The Company maintains cash in bank deposit accounts that, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. Management believes the Company is not exposed to any significant risk related to cash.

#### NOTE I - FAIR VALUE MEASUREMENTS

Unless disclosed otherwise, the Company estimates that the fair value of all financial and non-financial instruments at December 31, 2012 does not differ materially from the aggregate carrying values recorded in the accompanying statement of financial condition. The estimated fair value amounts have been determined by the Company using available market information and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and, accordingly, the estimates are not necessarily indicative of the amounts that the Company could realize in a current market exchange.

DIFFERENCES WITH FOCUS REPORT \$ 0

CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditor's Report on Internal Accounting  
Control Required by SEC Rule 17a-5

Board of Directors  
Spire Securities, LLC  
Reston, Virginia

In planning and performing our audit of the financial statements of Spire Securities, LLC (the Company), as of and for the years ended December 31, 2012 and 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012 and 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
