**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
of Support Services Financial Advisors, Inc.  
dba CHA Financial Advisors:

**Report on the Financial Statements**

We have audited the accompanying statements of financial condition of Support Services Financial Advisors, Inc., dba CHA Financial Advisors ("SSFA"), a Colorado Corporation, as of December 31, 2012 and 2011, and the related statements of income, changes in stockholders' equity and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement.

**Managements Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Independent Auditors' Report, Continued

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Support Services Financial Advisors, Inc. dba CHA Financial Advisors as of December 31, 2012 and 2011, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of SSFA's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

(1) **Nature Of Company**

Support Services Financial Advisors, Inc. dba CHA Financial Advisors, Inc ("SSFA") is a Colorado Corporation that primarily markets and services retirement programs to health care providers. SSFA is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). SSFA operates pursuant to SEC Rule 15c3-3(k)(1) limiting its broker-dealer business to the distribution of variable life insurance or annuities, including the sub-accounts thereof, as well as, mutual funds sold within 401(a), 403(b), 401(k), and 457 retirement plans. SSFA is a wholly-owned subsidiary of Support Services, Inc. dba CHA Shared Services, Inc. (SSI) which is a subsidiary of the Colorado Hospital Association, a non-profit organization.

(2) **Summary Of Significant Accounting Policies**

**Basis Of Accounting**

The financial statements of SSFA have been prepared on the accrual basis.

**Cash And Cash Equivalents**

For purposes of the Statement of Cash Flows, SSFA considers demand deposits and short-term investments with original maturities of 90 days or less as cash and cash equivalents.

**Accrued Expenses**

Accrued expenses include vacation and sick leave that SSFA's personnel have earned but not yet taken as of year end.

**Allowance For Doubtful Accounts**

SSFA believes that its accounts receivable, recorded at fair value, are fully collectible. Its policy for charging off accounts receivable is when future payments thereon are determined to be improbable.

**Use Of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Fair Value Measurements

The carrying amount reported in the statements of financial condition for cash, accounts receivable, prepaid expenses, accounts payable, payable to SSI, and accrued expenses, approximate fair value because of the immediate or short-term maturities of these financial instruments.

Evaluation Of Subsequent Events

SSFA has performed an evaluation of subsequent events through February 25, 2013, which is the date the financial statements were available to be issued, and has considered any relevant matters in the preparation of the financial statements and footnotes.

Income Taxes

SSFA follows *Accounting for Uncertainty in Income Taxes*, which requires SSFA to determine whether a tax position (and the related tax benefit) is more likely than not to be sustained upon examination by the applicable taxing authority, based solely on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement, presuming that the tax position is examined by the appropriate taxing authority that has full knowledge of all relevant information. During the year ended December 31, 2012, SSFA's management evaluated its tax positions to determine the existence of uncertainties, and did not note any matters that would require recognition or which may have an effect on its tax-exempt status.

SSFA's parent company SSI uses the asset and liability method as identified in the *Accounting for Income Taxes* accounting standard.

SSFA is no longer subject to U.S. federal tax audits on its Form 1120 by taxing authorities for fiscal years through 2008. SSFA is no longer subject to tax audits on its Colorado Form 112 by taxing authorities for fiscal years through 2007. The years subsequent to these years contain matters that could be subject to differing interpretations of applicable tax laws and regulations. Although the outcome of tax audits is uncertain, SSFA believes no issues would arise.

(3) Common Stock

Of its 100,000 authorized shares of \$5 par, common stock, 1,000 shares are issued, outstanding and owned by SSI.

Page -10-

**(4) Net Capital Requirements**

SSFA is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). As of December 31, 2012 and 2011, SSFA had net capital of \$126,012 and \$96,752 respectively, which was \$121,012 and \$89,590 respectively, in excess of its required net capital of \$5,000 and \$7,162, respectively. SSFA's net capital ratio was 1 to 1 and 1 to 1, as of December 31, 2012 and 2011, respectively.

**(5) Deferred Tax Assets**

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the company's deferred tax assets as of December 31, 2012 and 2011, are as follows:

	<u>2012</u>	<u>2011</u>
Deferred tax assets:		
Accrued compensation	\$ 2,600	\$ 2,425
Net deferred tax asset	<u>\$ 2,600</u>	<u>\$ 2,425</u>

Significant components of income tax expense are as follows:

	<u>2012</u>	<u>2011</u>
Current:		
Federal	\$ 72,080	\$ 35,775
State	10,295	5,125

(6) **Concentrations And Credit Risk**

During the years ended December 31, 2012 and 2011, SSFA received 40% and 63% respectively, of its commissions from one company. Revenues from this company also represent 37% and 57% of accounts receivable, trade, respectively.

SSFA's cash demand deposits are held at several financial institutions at which deposits are insured up to \$250,000 per institution by the FDIC. As of December 31, 2012 and 2011, SSFA's deposits did not exceed this amount.

(7) **Related Party Transactions**

SSFA is a wholly owned subsidiary of SSI. On July 1, 2003, SSFA and SSI entered into an Assumption and Assignment Agreement under which SSI agreed to contribute all of the assets and SSFA agreed to assume all liabilities and obligations in continuing the broker-dealer and regulated insurance business ("business"). The business is operated by SSFA in substantially the same manner as was conducted by SSI. In order to realize economies of scale, on July 1, 2003, SSFA and SSI entered into an Expense Sharing Agreement whereby SSI is to provide SSFA administrative, marketing, management and technical services, as well as office space and equipment. SSFA does not have personnel but reimburses SSI as a contractor for actual personnel costs incurred by SSI on behalf of SSFA. Direct costs are either paid directly by SSFA or by reimbursement through SSI. During the years ended December 31, 2012 and 2011, SSFA paid SSI \$421,611 and \$382,813 under this arrangement. In addition, during the years ended December 31, 2012 and 2011, SSFA paid dividends to SSI in the amount of \$100,000 and \$50,000, respectively. As of December 31, 2012 and 2011, amounts payable to SSI under this arrangement were \$51,565 and \$50,360, respectively. Additionally, as of December 31, 2012, such payable to SSI included \$21,833 for SSFA's share of the consolidated income tax expense.

**REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5 FOR A  
BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3**

To the Board of Directors of  
Support Services Financial Advisors, Inc.  
dba CHA Financial Advisors:

In planning and performing our audit of the financial statements and supplemental schedules of Support Services Financial Advisors, Inc. dba CHA Financial Advisors (the "Company"), as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemption provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has

responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those responsible for oversight of the company's financial reporting.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority (FINRA), and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITORS' REPORT ON EXCLUSION FROM SECURITIES  
INVESTOR PROTECTION CORPORATION (SIPC) MEMBERSHIP**

To the Board of Directors of  
Support Services Financial Advisors, Inc.  
dba CHA Financial Advisors:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have reviewed SSFA's annual submission claiming exclusion from membership (Form SIPC-3), which was filed with the Securities Investor Protection Corporation in Washington, D.C. on January 24, 2012, solely to assist the specified parties in evaluating SSFA's compliance with this rule. Management is responsible for compliance with these requirements. Based upon our review of the Form SIPC-3, it is our opinion that SSFA does qualify for exclusion from membership under the Securities Investor Protection Act of 1970 for the year ended December 31, 2012.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and the Financial Industry Regulatory Authority (FINRA), and is not intended to be and should not be used by anyone other than these specified parties.
