INDEPENDENT AUDITOR'S REPORT

To the Members
Sentinel Brokers Company, Inc.
Massapequa, New York

We have audited the accompanying statement of financial condition of Sentinel Brokers Company, Inc., (the Company) as of December 31, 2012, and the related statements of operations, changes in stockholder's equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sentinel Brokers Company, Inc. as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as whole.

A handwritten signature in cursive script that reads "Silling + Company".

SENTINEL BROKERS COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Sentinel Brokers Company, Inc. (the "Company") began business on January 1, 1998. The Company is primarily engaged in acting as an intermediary facilitating the trading of Municipal Bonds and Preferred Stocks between institutions. The Company has no retail customer base. The Company is a broker-dealer registered with the Financial Industry Regulatory Authority (FINRA) and the Securities Exchange Commission. The Company, as a non-clearing broker, does not handle customers' funds or securities. There were no liabilities subordinated to claims of general creditors during the year ended December 31, 2012.

Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") issued FASB Statement No. 168, The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles, effective for periods ending after September 15, 2009. This Statement establishes the FASB Accounting Standards Codification ("ASC") as the single source of authoritative United States generally accepted accounting and reporting standards for nongovernmental entities, in addition to guidance issued by the SEC and these financial statements are referenced accordingly.

Income Taxes

Effective July 1, 2011, the Company elected to be taxed as an "S" Corporation for federal and state income tax purposes. As an S corporation, the Company is not subject to federal income taxes and passes through substantially all taxable items to the shareholder of the Company. The Company is subject to state and local income taxes in various states.

In accordance with ASC 740, Income Taxes, the Company is required to disclose unrecognized tax benefits resulting from uncertain tax positions. The Company recognizes the accrual of any interest and penalties to unrecognized tax benefits in income tax expense.

At December 31, 2012, the Company did not have any unrecognized tax benefits or liabilities. No interest or penalties were recognized during the period. The Company operates in the United States and in state and local jurisdictions, and the previous three years remain subject to examination by tax authorities. There are presently no ongoing income tax examinations.

SENTINEL BROKERS COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

Securities Transactions and Commissions Revenues

Securities transactions are recorded on a trade date basis. Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Securities owned are recorded at current market value. Securities not readily marketable are valued at fair market value as determined by management, which approximates estimated realizable value. It is reasonable possible that a change in such estimates may occur in the near term.

Furniture, Equipment and Leasehold Improvements

Furniture and equipment are recorded at cost. Depreciation is recorded on a straight-line basis and accelerated basis over the estimated useful life of the related assets, which range from three to five years. Leasehold improvements are amortized over the lesser of the economic life of the improvements or the term of the lease.

Valuation of Marketable Securities

In determining fair value, the Company uses various valuation approaches. FASB ASC 820 establishes fair value hierarchy for inputs in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Company. Unobservable inputs reflect the Company's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 securities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2 - Valuations based on quoted prices in markets that are not active or for which significant inputs are observable, either directly or indirectly.

SENTINEL BROKERS COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of valuation techniques and observable inputs can vary from security to security and is affected by a wide variety of factors including, the type of security, whether the security is new and not yet established in the market place, and other characteristic particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonable determined. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed. Accordingly, the degree of judgment exercised by the Company in determining fair value is greatest for securities categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement in its entirety falls, is determined based on the lowest level input that is significant to the fair value measurement.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Company's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Company uses prices and inputs that are current as of the measurement date, including periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many securities. This condition could cause a security to be reclassified to a lower level within the fair value hierarchy.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentration of credit risk consist primarily of cash and cash equivalents and marketable securities. The Company maintains cash balances with a commercial bank and cash, money market funds and securities with a brokerage firm. At times, amounts with the bank exceeded Federal Deposit Insurance Corporation limits. The amounts at the brokerage firm are covered up to Securities Investor Protection Corporation ("SIPC") limits.

The responsibility for processing customer activity rests with Southwest Securities, Inc. ("SWS Group"). The Company's clearing and execution agreement provides

SENTINEL BROKERS COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

that SWS Group's credit losses relating to unsecured margin accounts receivable of the Company's customers are charged back to the Company.

In accordance with industry practice, SWS Group records customer transactions on a settlement date basis, which is generally three business days after the trade date. SWS Group is therefore exposed to risk of loss on these transactions in the event of the customer's inability to meet the terms of its contracts, in which case SWS Group may have to purchase or sell the underlying financial instruments at prevailing market prices in order to satisfy its customer-related obligations. Any loss incurred by SWS Group is charged back to the Company.

The Company, in conjunction with SWS Group, controls off-balance-sheet risk by monitoring the market value and marking securities to market on a daily basis and by requiring adjustments of collateral levels. SWS Group establishes margin requirements and overall credit limits for such activities and monitors compliance with the applicable limits and industry regulations on a daily basis.

Estimates

Management of the Company uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates management uses.

Cash and Cash Equivalents

The Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business. Included in cash equivalents are money market funds and brokerage account balances.

2. MARKETABLE SECURITIES

Marketable securities totaling \$771,058 consist of municipal bonds of \$614,333 and equities of \$156,725 valued at quoted market prices.

SENTINEL BROKERS COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

3. FAIR VALUE MEASUREMENTS

The Company's assets and liabilities recorded at fair value have been categorized based upon a fair value hierarchy in accordance with FASB ASC 820. The following table presents information about the Company's assets and liabilities measured at fair value on a recurring basis as of December 31, 2012.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets				
Municipal bonds	\$ -	\$ 614,333	\$ -	\$ 614,333
Equity securities	<u>156,725</u>	<u>-</u>	<u>-</u>	<u>156,725</u>
	<u>\$ 156,725</u>	<u>\$ 614,333</u>	<u>\$ -</u>	<u>\$ 771,058</u>

4. LOAN PAYABLE

Loan payable represents amount due for the purchase of a vehicle and is payable in monthly installments of approximately \$494 including interest at a stated rate of 3.49% with final payment due January 2015. Payments due for next two years are approximately \$5,900 in 2013 and \$4,400 in 2014.

5. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 pursuant to Paragraph (k)(2)(ii). As an introducing broker, the Company clears customer transactions on a fully disclosed basis with SWS. SWS Group carries all of the accounts of such customers and maintains and preserves such books and records.

6. NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c-3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2012, the Company had net capital of \$1,265,105, which was \$1,165,105 in excess of its required net capital of \$100,000. The Company had a percentage of aggregate indebtedness to net capital of 20% as of December 31, 2012.

SENTINEL BROKERS COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

7. COMMITMENTS AND CONTINGENCIES

The Company leases offices space in Massapequa, New York and Chicago, Illinois. Rent expense for the year ended December 31, 2012 was approximately \$65,000. Minimum future rental payments are approximately as follows:

2013	\$ 46,600
2014	49,500
2015	33,300
2016	<u>11,200</u>
Total	<u>\$ 140,600</u>

8. SUBSEQUENT EVENTS

The Company has evaluated and noted no events or transactions that have occurred after December 31, 2012 that would require recognition or disclosure in the financial statements.

**Supplementary Information
Pursuant to Rule 17a-5 of the
Securities Exchange Act of 1934**

As of December 31, 2012

COMPUTATION OF NET CAPITAL UNDER RULE 15c-3-1
OF THE SECURITIES AND EXCHANGE COMMISSION
AS OF DECEMBER 31, 2012

NET CAPITAL

Stockholder's equity	\$ 1,435,992
Deductions and/or charges:

***INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1)
FOR A BROKER- DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3***

Board of Directors
Sentinel Brokers Company, Inc.
Massapequa, New York

In planning and performing our audit of the financial statements of Sentinel Brokers Company, Inc. (the Company), as of and for the year ended December 31, 2012 in accordance with auditing standards generally accepted in the United States, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

Board of Directors
Sentinel Brokers Company, Inc.
Massapequa, New York

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2012, which were agreed to by Sentinel Brokers Company, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC and other designated regulatory authority, solely to assist you and the other specified parties in evaluating Sentinel Brokers Company, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Sentinel Brokers Company, Inc.'s management is responsible for Sentinel Brokers Company, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "Silling & Company". The signature is fluid and elegant, with the ampersand being particularly stylized.
