**INDEPENDENT AUDITORS' REPORT**

To the Membership of ARC Securities, LLC  
Washington, DC

**Report on the Financial Statements**

We have audited the accompanying statement of financial condition of ARC Securities, LLC (the Company) as of December 31, 2012, that is filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of ARC Securities, LLC as of December 31, 2012, in accordance with accounting principles generally accepted in the United States of America.

**ARC SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2012**

---

**NOTE 1 – ORGANIZATION**

ARC Securities, LLC, formerly First Capital Investments LLC (FCI), (the Company) is a broker-dealer registered with the SEC and a member of Financial Industry Regulatory Authority (FINRA). The Company is a Colorado corporation that is a wholly-owned subsidiary of ARCI Holdings, LLC (ARCI).

At December 31, 2012, the Company had one active Class A member, no Class B members, and no Class C members. Class A members have voting privileges. Class B members are fully licensed traders who trade for their own account or on behalf of Class C members. Class C members are unlicensed members who have no control in the operations or trading decisions but receive share of the Company's trading profits and losses

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** - The financial statements have been prepared using the accrual basis of accounting.

**Use of Estimates** - The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions. This will affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

**Cash and Cash Equivalents** - For purposes of the statement of cash flows, the Company considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

**Accounts Receivable** - Accounts receivable are stated at their net realizable value. Management believes that accounts receivable are fully collectible and has not recorded an allowance for doubtful accounts.

**Intangible Assets** - Intangible assets are stated at cost. Amortization is calculated using the straight-line method over the estimated useful lives of the related assets.

**Impairment of Long-Lived Assets** - The Company evaluates the carrying value of its long-lived assets under Accounting Standards Codification 360-10-35-15, Accounting for the Impairment or Disposal of Long-Lived Assets (ASC 360-10-35-15). ASC 360-10-35-15 requires impairment losses to be recorded on long-lived assets used in operations when indicators of impairment are present and the undiscounted future cash flows estimated to be generated by those assets are less than the assets' carrying amount. If such assets are impaired, the impairment to be recognized is measured by the amount by which the carrying amounts of the assets exceed the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying value or fair value, less cost to sell.

**ARC SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2012**

---

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Income Taxes** - The Company is taxed as a partnership under the Internal Revenue Code and a similar state statute. In lieu of income taxes, the members of the LLC are taxed on their proportionate share of the LLC's taxable income. Therefore, no provision or liability for Federal or state income tax is included in the accompanying financial statements.

The Company complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year.

**Securities Transactions** - Proprietary securities transactions are recorded on the trade date, as if they have settled. Profit and loss arising from all securities transactions entered into for the account and risk of the Company are recorded on a trade date basis. Revenues and expenses from investment banking services and commissions are recognized based on the terms of each individual agreement. During the year ended December 31, 2012, the Company did not engage in proprietary transactions.

**NOTE 3 – RELATED PARTY TRANSACTIONS**

The Company paid ARC International Corp. ("AIC"), a related party, \$1,597,000 for monthly fees and discretionary bonuses during the year ended December 31, 2012.

**NOTE 4 – INTANGIBLE ASSETS**

As of December 31, 2012, intangible assets consisted of the following:

|                  |                  |
|------------------|------------------|
| FINRA Membership | <u>\$ 10,000</u> |
|------------------|------------------|

**ARC SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2012**

---

**NOTE 5 - NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2012, the Company had net capital of \$17,786 which was \$12,786 in excess of its required net capital of \$5,000 and the ratio of aggregate indebtedness to net capital was .4 to 1.

**NOTE 6 - OTHER REGULATORY REQUIREMENTS**

The Company is exempt from the customer reserve requirements of the Securities and Exchange Commission Rule 15c3-3 under Section (k)(2)(i).

**NOTE 7 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 23, 2013, the date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.

SUPPLEMENTARY REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS  
ON INTERNAL ACCOUNTING CONTROL

To the Membership of ARC Securities, LLC  
Washington, DC

In planning and performing our audit of the financial statements of ARC Securities, LLC (the Company), as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with

management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the members, management, the SEC, FINRA and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

WASHINGTON, DC 20006  
TELEPHONE: (202) 331-1040

To the Membership of ARC Securities, LLC  
Washington, DC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2012, which were agreed to by ARC Securities, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating ARC Securities, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). ARC Securities, LLC's management is responsible for ARC Securities, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries including check registers and bank statements noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
