REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

*To the Members of Cross Research Group, LLC
Millburn, New Jersey*

Report on the Financial Statements

We have audited the accompanying statements of financial condition of Cross Research Group, LLC (a New Jersey limited liability company) as of December 31, 2012 and 2011 that are filed pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the

financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cross Research Group, LLC as of December 31, 2012 and 2011, in accordance with accounting principles generally accepted in the United States of America.

CROSS RESEARCH GROUP, LLC

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2012 AND 2011**

NOTE 1 - NATURE OF OPERATIONS AND CONCENTRATIONS OF CREDIT RISK

Cross Research Group, LLC is an independent equity research company focused on the technology industry. Sectors covered by the Company's analysts include: IT Hardware, Imaging Technology, and Enterprise Software. Cross Research Group, LLC serves approximately 100 domestic institutional clients.

The Company maintains a cash balance at a commercial bank. Accounts at this bank are insured by the Federal Deposit Insurance Corporation (FDIC). At times during the years, the balance in this institution may exceed the FDIC insurance level. Generally, these deposits may be redeemed upon demand, therefore, bear minimal risk.

The Company performs periodic credit evaluations of its customers and generally does not require collateral. The Company does not believe significant credit risks exist at December 31, 2012 and 2011, with respect to its commissions and research fees receivables.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies followed by the Company in the preparation of the accompanying financial statements is set forth below.

USE OF ESTIMATES IN THE PREPARATION OF FINANCIAL STATEMENTS:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

CROSS RESEARCH GROUP, LLC

**NOTES TO THE FINANCIAL STATEMENTS (CONT.)
FOR THE YEARS ENDED DECEMBER 31, 2012 AND 2011**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

CASH AND CASH EQUIVALENTS:

For the purposes of the statement of financial condition classification, investments with an original maturity of three months or less are considered cash equivalents.

ALLOWANCE FOR DOUBTFUL ACCOUNTS:

Commissions and Research Fees receivables are stated net of an allowance for doubtful accounts. The Company estimates the allowance based on an analysis of specific customers, taking into consideration the age of past due accounts and an assessment of the customer's ability to pay. The allowance for doubtful accounts was \$0 at December 31, 2012 and 2011.

INCOME TAXES:

As a limited liability company, all income and expenses pass through to the members and are reported directly by each member. As such, the limited liability company acts as a conduit for its members and pays no Federal or State income taxes itself.

The Company adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more likely than not be sustained upon examination by taxing authorities. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2012 and 2011.

The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes it is no longer subject to income tax examinations for years prior to 2009.
