REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
Corporate Finance Securities, Inc.

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Corporate Finance Securities, Inc. (the "Company") as of December 31, 2012, and the related statements of income, changes in shareholders' equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Corporate Finance Securities, Inc. as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements taken as a whole.

CORPORATE FINANCE SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS

For The Year Ended December 31, 2012

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Corporate Finance Securities, Inc. (the “Company”) was incorporated in Delaware on October 2, 2006.

The Company is registered with the Securities and Exchange Commission (“SEC”) as a broker/dealer in securities and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph (k)(2)(i) of such rule) under the Securities Exchange Act of 1934, as the Company does not hold customer funds or safekeep customer securities. The Company does not maintain its own security accounts or perform custodial functions related to the security transactions. Because of such exemptions, the Company is not required to prepare a determination of reserve requirements and possession or control requirements of Rule 15c3-3.

Registration

The Company must register with state departments that govern compliance with securities laws for the states in which it does business. The Company generates commission income in the States of California, Illinois, Kentucky, Minnesota, Tennessee, Texas and Washington. Various regulatory requirements exist in each state with which the Company must comply. Should the Company violate certain state securities laws, it could be prohibited from doing business in those states.

Concentrations of Credit Risk

Cash and cash equivalents

The Company maintains its cash balances at financial institutions that are insured by the Federal Deposit Insurance Corporation (“FDIC”). The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk related to these deposits.

The Company considers highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. Cash equivalents are recorded at cost, which approximates fair value.

CORPORATE FINANCE SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS

For The Year Ended December 31, 2012

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Customers

In the normal course of business, the Company's customer activities involve the provision of securities brokerage services for private placement through a small number of representatives (registered and unregistered) with the Company. This is facilitated by entering into "three way agreements" with customers and member offices that enable the Company's representatives to conduct private placement for customers.

For the year ended December 31, 2012, two customers accounted for 21% of the Company's commissions revenue. As of December 31, 2012, commissions receivable from two customers totaled 100% of the total commissions receivable balance.

Revenue Recognition

Commissions are recorded during the period in which services are performed. Other revenues are related to administrative fees from registered representatives which are recorded when earned according to a predetermined fee schedule and are intended to provide for certain Company administrative costs.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the recorded amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include but are not limited to, the collectibility of receivables and the realizability of the deferred tax asset. Actual results could differ from those estimates.

Income Taxes

The Company is a C corporation for income tax purposes. The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements in accordance with the accounting guidance for income taxes. Deferred tax assets and liabilities are recognized for future tax benefits or consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A valuation allowance is provided for significant deferred tax assets when it is more-likely-than not that such assets will not be realized through future operations.

CORPORATE FINANCE SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS

For The Year Ended December 31, 2012

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

The Company recognizes any uncertain income tax positions on income tax returns at the largest amount that is more-likely-than not to be sustained upon audit by the relevant taxing authority. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. There are no unrecognized tax benefits included in the statement of financial condition that would, if recognized, affect the effective tax rate. The Company's policy is to recognize interest and/or penalties related to income tax matters in income tax expense. The Company had \$0 accrued for interest and penalties on the Company's statement of financial condition at December 31, 2012.

The Company is subject to taxation in the U.S. and the States of California, Illinois, Kentucky, Minnesota, Tennessee, Texas. The Company does not foresee material changes to its gross uncertain income tax position liability within the next twelve months. The Company is no longer subject to IRS or state examinations prior to 2008.

Subsequent Events

The Company has evaluated and determined that no events have occurred subsequent to the statement of financial condition date and through the date of issuance of these financial statements, which would require inclusion or disclosure in its financial statements.

NOTE 2 – INCOME TAXES

For the year ended December 31, 2012, the provision for income taxes consists of the following:

Federal:	
Current	\$ 2,348
Deferred	-
	<u>2,348</u>
California:	
Current	1,914
Deferred	-
	<u>1,914</u>
	<u>\$ 4,262</u>

The accompanying statement of financial condition reflects a deferred tax asset of \$1,320 related to the Company's start-up organizational costs. Income tax expense differed from the amounts computed by applying the U.S. Federal income tax rate of 15 percent as a result of graduated tax rates, permanent taxable differences and state income taxes.

CORPORATE FINANCE SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS

For The Year Ended December 31, 2012

NOTE 3 – COMMITMENTS AND CONTINGENCIES

Related Party Transactions

During the course of its business, the Company receives administrative fees from and pays commissions and general and administrative expenses to its shareholders and registered representatives.

For the year ended December 31, 2012, the Company earned \$124,800 of its other revenues from these related parties. As of December 31, 2012, other receivables from these related parties was \$5,622.

For the year ended December 31, 2012, the Company incurred \$4,484,742 of its commissions expense to related parties. For the year ended December 31, 2012, the Company incurred \$107,310 of other general and administrative expenses to related parties, including \$12,000 for an office rental sharing arrangement. As of December 31, 2012, accounts payable and accrued expenses and commissions payable due to these related parties was \$21,689 and \$316,008, respectively.

Indemnities and Guarantees

The Company has made certain indemnities and guarantees, under which it may be required to make payments to a guaranteed or indemnified party, in relation to certain transactions. The Company indemnifies its officers and directors to the maximum extent permitted under the laws of the State of Delaware. The duration of these indemnities and guarantees varies and, in certain cases, is indefinite. These indemnities and guarantees do not provide for any limitation of the maximum potential future payments the Company could be obligated to make. Historically, the Company has not been obligated to make any payments for these obligations and no liabilities have been recorded for these indemnities and guarantees in the accompanying statement of financial condition.

NOTE 4 – SHAREHOLDERS' EQUITY

Convertible Preferred Stock

Holders of the Company's shares of Series A convertible preferred stock have the following terms: a cumulative dividend of 8% (payable when and if declared), priority payment rights ahead of the Series B and C convertible preferred stock; voting rights as provided in the Code of By-Laws and the Amended and Restated Certificate of Incorporation and the Shareholder Agreement; conversion rights, redemption and liquidation rights as provided in the Amended and Restated Certificate of Incorporation and the Shareholder Agreement, respectively. There are no outstanding shares of Series A as of December 31, 2012.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON
INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5**

Board of Directors
Corporate Finance Securities, Inc.

In planning and performing our audit of the financial statements of Corporate Finance Securities, Inc. (the "Company") as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with

management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

KMJ Corbin & Company LLP
KMJ Corbin & Company LLP

Costa Mesa, California
February 28, 2013

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON
 APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC
 ASSESSMENT RECONCILIATION**

Board of Directors
 Corporate Finance Securities, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (General Assessment Reconciliation (Form SIPC-7)) to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2012, which were agreed to by Corporate Finance Securities, Inc. (the "Company") and the Securities and Exchange Commission ("SEC"), Financial Industry Regulatory Authority, Inc. ("FINRA") and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries and copies of checks, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012, noting a difference as follows;

<u>Item No.</u>	<u>Description</u>	<u>Per SIPC-7</u>	<u>Per KMJ</u>	<u>Difference</u>
2a	Total revenue	\$ 4,697,614	\$ 4,670,663	\$ 26,951

The difference noted above was due to the reclassification of certain reimbursements of expenses from total revenues to expenses.

3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no adjustments;

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers (general ledger transaction details by account) supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment, if applicable, applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

As a result of applying these agreed-upon procedures, the Company has overpaid its General Assessment with the differences summarized as follows:

Item No.	Per SIPC-7 submitted	Recomputed by KMJ
2a	\$ 4,697,614	\$ 4,670,663
Total deductions	-	-
SIPC net operating revenues	<u>\$ 4,697,614</u>	<u>\$ 4,670,663</u>
General assessment	\$ 11,744	\$ 11,677
Less payment made with SIPC-6	(3,222)	(3,222)
Less prior overpayment applied	-	-
Less payment made with SIPC-7	(8,523)	(8,523)
Overpayment	<u>\$ -</u>	<u>\$ (67)</u>

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
