Independent Auditor's Report

Board of Directors
JCP Securities, Inc.:

Report on the Financial Statements

We have audited the accompanying statement of financial condition of JCP Securities, Inc., (the Company) as of June 30, 2013, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of JCP Securities, Inc. as of June 30, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I, II, and III has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I, II, and III is fairly stated in all material respects in relation to the financial statements as a whole.

JCP Securities, Inc.
Notes to Financial Statements
June 30, 2013

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

JCP Securities, Inc. (the "Company") was incorporated in the State of California on March 11, 2005. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company was originally formed in the State of California under the name Stephen Perry and Associates, Inc..

The Company is an investment banking firm that specializes in the aerospace and defense industry with an emphasis on mergers and acquisitions advisory services.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business.

Accounts receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

JCP Securities, Inc.
Notes to Financial Statements
June 30, 2013

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Furniture and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

The Company receives fees in accordance with terms stipulated in its engagement contracts. Fees are recognized as earned. The Company also receives success fees when transactions are completed. Success fees are recognized when earned, the Company has no further continuing obligations, and collection is reasonably assured.

With the consent of its shareholders, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar regulations, although there exists a provision for a minimum franchise tax and a tax rate of 1.5% over the minimum franchise fee of \$800.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through DATE OF APPROVAL, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Note 2: FURNITURE AND EQUIPMENT, NET

Furniture and equipment are recorded net of accumulated depreciation and summarized by major classification as follows:

		Useful Life
Furniture	\$ 12,573	5
Equipment	<u>4,370</u>	5
Total cost of furniture and equipment	16,943	
Less: accumulated depreciation	<u>(4,397)</u>	
Furniture and equipment, net	<u>\$ 12,546</u>	

Depreciation expense for the year ended June 30, 2013 was \$2,764.

JCP Securities, Inc.
Notes to Financial Statements
June 30, 2013

Note 3: INCOME TAXES

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company has elected the Subchapter S Corporation tax status, therefore no federal income tax provision is provided. The State of California recognizes Subchapter S Corporations for state tax purposes. However, the state imposes a 1.5 % tax on the net income and a minimum Franchise Tax of \$800, whichever is greater. For the year ended June 30, 2013, the state income tax provision totaled \$23,088.

Note 4: RELATED PARTY TRANSACTIONS

The Company shares office personnel, furniture and equipment and office space with a affiliated company in which management has an ownership interest. The companies have an expense sharing agreement, whereby the affiliated company pays certain operating expenses and various equipment costs that benefit the Company. Additionally, the Company also has entered into a consulting agreement with its affiliate whereby the affiliate would prepare management consulting for the Company. The Company paid its affiliate a total of \$320,000 for the period.

It is possible that the terms of certain of the related party transactions are not the same as those that would result for transactions among wholly unrelated parties.

Note 5: CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 6: RECENTLY ISSUED ACCOUNTING STANDARDS

In June of 2009, the Financial Accounting Standards Board (the "FASB") implemented a major restructuring of U.S. accounting and reporting standards. This restructuring established the Accounting Standards Codification ("Codification" or "ASC") as the source of authoritative accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with generally accepted accounting principles in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

JCP Securities, Inc.
Notes to Financial Statements
June 30, 2013

Note 6: RECENTLY ISSUED ACCOUNTING STANDARDS
(Continued)

For the year ending June 30, 2013, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2011-04	Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IRFSs (May 2011).	After December 15, 2011
2011-05	Comprehensive Income (Topic 220): Presentation of Comprehensive Income (June 2011).	After December 15, 2011
2011-08	Intangibles - Goodwill and Other (Topic 350): Testing Goodwill for Impairment (September 2011).	After December 15, 2011
2011-11	Balance Sheet (Topic 210): Disclosures about Offsetting Assets and Liabilities (December 2011).	After December 15, 2013
2011-12	Comprehensive Income (Topic 220): Deferral of the Effective Date for Amendments to the Presentation of Reclassifications of Items Out of Accumulated Other Comprehensive Income in Accounting Standards Update No. 2011-05 (December 2011).	After December 15, 2011
2012-02	Intangibles – Goodwill and Other (Topic 350): Testing Indefinite-Lived Intangible Assets for Impairment (July 2012).	After September 15, 2012

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

JCP Securities, Inc.
Notes to Financial Statements
June 30, 2013

Note 7: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on June 30, 2013, the Company had net capital of \$749,042 which was \$744,042 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$37,325) to net capital was 0.05 to 1, which is less than the 15 to 1 maximum allowed.

Note 8: RECONCILIATION OF AUDITED NET CAPITAL TO UNAUDITED FOCUS

There is a difference of \$1,912 between the computation of net capital under net capital SEC Rule 15c3-1 and the corresponding unaudited FOCUS part IIA.

Net capital per unaudited schedule		\$ 747,130
Adjustments:		
Retained earnings	\$ (952)	
Non-allowable assets	<u>2,864</u>	
Total adjustments		<u>1,912</u>
Net capital per audited statements		<u>\$ 749,042</u>

JCP Securities, Inc.
Schedule I - Computation of Net Capital Requirements
Pursuant to Rule 15c3-1
As of June 30, 2013

Computation of net capital

Common stock	\$ 2,500	
Additional paid-in capital	65,166

Schedule III - Information Relating to Possession or Control
Requirements Pursuant to Rule 15c3-3
As of June 30, 2013

Information relating to possession or control requirements is not applicable to JCP Securities, Inc. as the Company qualifies for exemption under Rule 15c3-3(k)(2)(i).

See independent auditor's report

JCP Securities, Inc.
Supplementary Accountant's Report
on Internal Accounting Control
Report Pursuant to Rule 17a-5
For the Year Ended June 30, 2013

Board of Directors
JCP Securities, Inc.:

In planning and performing our audit of the financial statements of JCP Securities, Inc. (the Company), as of and for the year ended June 30, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Control deficiencies are noted below under material weaknesses.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

The size of the business and the resultant limited number of employees imposes the practical limitations on the effectiveness of those internal control policies and procedures that depend on the segregation of duties. Because this condition is inherent in the size of the Company, the specific weaknesses are not described herein and no corrective action has been taken or proposed by the Company.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at June 30, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Report on the SIPC Annual Assessment
Pursuant to Rule 17a-5 (e) 4
For the Year Ended June 30, 2013

BREARD & ASSOCIATES, INC.
CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors
JCP Securities, Inc.

Pursuant to Rule 17a-5 (e) (4) of the Securities Exchange Act of 1934, we have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of JCP Securities, Inc. ("the Company") for the year ended June 30, 2013. Our procedures were performed solely to assist the Company in complying with Rule 17a-5 (e) (4), and our report is not to be used for any other purpose. The procedures we performed are as follows:

1. Compared listed assessment payments with respective cash disbursements records entries;
2. Compared amounts reported on the unaudited Form X-17A-5 for the year ended June 30, 2013, with the amounts reported in General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations in the Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an examination made in accordance with generally accepted auditing standards, we do not express an opinion on the schedule referred to above.

In connection with the procedures referred to above, nothing came to our attention that caused us to believe that the amounts shown on the Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to schedules referred to above and does not extend to any financial statements of JCP Securities, Inc. taken as a whole.
