Independent Auditor's Report

Board of Directors
Mayfair Securities, LLC:

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Mayfair Securities, LLC, (the Company) as of December 31, 2012, and the related statements of income, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mayfair Securities, LLC as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I, II, and III has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I, II, and III is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Mayfair Securities, LLC (the "Company") was organized in the State of California on October 25, 2005. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is affiliated through common ownership to Mayfair Associates, LLC (the "Affiliate").

The Company is engaged in business as a securities broker-dealer, that provides several classes of services, including investment banking and advisory services, and providing a range of merger and acquisition ("M&A") solutions for the business market. The Company is authorized to sell private placement of securities on a best efforts basis.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

The Company receives advisory fees in accordance with terms stipulated in its engagement contracts. Financial advisory fees are recognized as earned according to the fee schedule stipulated in the client's engagement contracts.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through February 13, 2013, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Note 2: INCOME TAXES

The Company is treated as a disregarded entity for federal income tax purposes, in accordance with single member limited liability company rules. All tax effects of the Company's income or loss are passed through to the member. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2012, the income tax provision consists of the following:

Franchise tax	\$ 800
Gross receipts tax	<u>-</u>
Total income tax provision	<u>\$ 800</u>

Note 3: WARRANTS

During the year ended December 31, 2012, the Company received two lots of warrants as compensation on one of its engagements. The warrants were received out of the money, are carried at zero value and are not registered under the Securities Act of 1933. The warrants are exercisable at \$0.01 per share of common stock, for a total of 35,335 shares and begin to expire on September 30, 2022.

Note 4: RECENTLY ISSUED ACCOUNTING STANDARDS

In June of 2009, the Financial Accounting Standards Board (the “FASB”) implemented a major restructuring of U.S. accounting and reporting standards. This restructuring established the Accounting Standards Codification (“Codification” or “ASC”) as the source of authoritative accounting principles (“GAAP”) recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with generally accepted accounting principles in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates (“ASUs”).

For the year ending December 31, 2012, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company’s operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2011-04	Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs (May 2011).	After December 15, 2011
2011-05	Comprehensive Income (Topic 220): Presentation of Comprehensive Income (June 2011).	After December 15, 2011
2011-08	Intangibles - Goodwill and Other (Topic 350): Testing Goodwill for Impairment (September 2011).	After December 15, 2011
2011-11	Balance Sheet (Topic 210): Disclosures about Offsetting Assets and Liabilities (December 2011).	After January 1, 2013

Note 4: RECENTLY ISSUED ACCOUNTING STANDARDS

(Continued)

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 5: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2012, the Company had net capital of \$25,201 which was \$20,201 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$4,425) to net capital was 0.18 to 1, which is less than the 15 to 1 maximum allowed.

Mayfair Securities, LLC
Supplementary Accountant's Report
on Internal Accounting Control
Report Pursuant to Rule 17a-5
For the Year Ended December 31, 2012

BREARD & ASSOCIATES, INC.
CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors
Mayfair Securities, LLC:

In planning and performing our audit of the financial statements of Mayfair Securities, LLC (the Company), as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Control deficiencies are noted below under material weaknesses.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

The size of the business and the resultant limited number of employees imposes the practical limitations on the effectiveness of those internal control policies and procedures that depends on the segregation of duties. Because this condition is inherent in the size of the Company, the specific weaknesses are not described herein and no corrective action has been taken or proposed by the Company.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
