INDEPENDENT AUDITORS' REPORT

To the Member
Crestone Securities LLC
Boulder, Colorado

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying statement of financial condition of Crestone Securities LLC (the "Company") as of December 31, 2012, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Member
Crestone Securities LLC
Page Two

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Crestone Securities LLC as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

OTHER MATTER

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as a whole.

CRESTONE SECURITIES LLC

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies

Crestone Securities LLC (the "Company") is a Colorado limited liability company and is a registered broker-dealer under the Securities Exchange Act of 1934 (the "Act"). The Company was formed on January 4, 2000 and commenced operations in August of 2000. The Company's operating agreement calls for the Company to cease existence in February 2020. The Company's sole member is Crestone Capital Advisors, LLC. The Company serves as the broker-dealer for certain security trades executed in portfolios managed by an affiliate of its sole member.

The Company operates pursuant to Rule 15c3-3(k)(2)(B) of the Act and does not carry customer accounts or clear customer transactions. Accordingly, all transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company's agreement with its clearing broker provides that its clearing broker will keep such records of the transactions effected and cleared in the customer accounts as are customarily kept by a clearing broker pursuant to Rules 17a-3 and 17a-4 of the Act and perform all services customarily incident thereto. All customer funds and securities received, if any, are transmitted directly to the clearing broker. Therefore, the Company is exempt from the remaining provisions and requirements of Rule 15c3-3 of the Act.

The Company is part of a group of entities affiliated through common ownership. Accordingly, this affiliation and other related party disclosures must be taken into consideration in reviewing the accompanying financial statements (Note 2). The operating results of the Company could vary significantly from those that would have been obtained had the Company operated independently.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. The Company had no cash equivalents as of December 31, 2012.

Concentrations of Credit Risk

Financial instruments, which potentially subject the Company to concentration of credit risk, consist principally of cash and deposits with the clearing broker. The Company places its temporary cash investments and deposits with the clearing broker with what management believes are high-credit, quality financial institutions.

Fair Value of Financial Instruments

The carrying amounts of financial instruments including cash, deposit with the clearing broker, and other assets approximated fair value as of December 31, 2012 because of the relatively short maturity of these instruments.

CRESTONE SECURITIES LLC

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Deposit With the Clearing Broker

Deposit with the clearing broker includes funds deposited with the clearing broker to offset certain risks assumed by the clearing broker related to clearing and settling securities and cash transactions on behalf of the Company's customers.

Revenue Recognition

The Company records securities transactions and related revenue and expenses on a trade date basis, which is the date that the transactions are executed. Service fees are recognized in the period during which they are earned.

Income Taxes

The Company is not considered a separate taxable entity for income tax purposes. Accordingly, all taxable income and losses are reported on the income tax return of the member, and no provision for income taxes has been recorded in the accompanying financial statements.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The result of the reassessment of tax positions in accordance with these provisions did not have an impact on the Company's financial statements. Tax years that remain subject to examination by taxing authorities include 2008 and 2009 through the current period for state and federal tax reporting purposes, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company has evaluated all subsequent events through the audit report date, which is the date the financial statements were available to be issued. There were no subsequent events requiring additional disclosure as of that date.

CRESTONE SECURITIES LLC

Notes to Financial Statements

Note 2 - Related Party Transactions

As discussed in Note 1, the Company serves as the broker-dealer for an affiliate of its sole member. All of the Company's revenue is derived from mutual fund marketing and distribution fees relating to securities transactions executed in portfolios managed by an affiliate of its sole member and from service fee revenue as described below.

The Company entered into a service fee agreement with an affiliate of its sole member in which the Company has agreed to provide brokerage services in exchange for a monthly fee of \$15,000. Service fees earned during the year ended December 31, 2012 were \$180,000.

The Company has a management agreement with its sole member whereby the Company is provided office space and administrative support for a monthly fee of \$8,500. The Company incurred \$102,000 of expenses under the agreement during the year ended December 31, 2012, all of which was paid during 2012.

Note 3 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires the maintenance of minimum net capital of \$5,000. The Company's net capital at December 31, 2012 was \$104,870. Net capital may fluctuate on a daily basis. Additionally, SEC Rule 15c3-1 requires that the aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Company's net capital ratio was 0 to 1 as of December 31, 2012.

Note 4 - Contingencies

The Company bears the risk of financial failure by its clearing broker. If the clearing broker should cease doing business, the Company's clearing deposit from this clearing broker could be subject to forfeiture.

SUPPLEMENTARY INFORMATION

CRESTONE SECURITIES LLC

Schedule I
Computation of Aggregate Indebtedness and Net Capital Pursuant to
Rule 15c3-1 of the Securities and Exchange Commission
December 31, 2012

Net Capital	
Total member's equity	\$ 117,113
Deductions	
Non-allowable assets - prepaid expenses	<u>(12,243)</u>
Net capital	104,870
Minimum requirements of 6-2/3% of aggregate indebtedness or \$5,000, whichever is greater	<u>5,000</u>
Aggregate Indebtedness	
Excess net capital	<u>\$ 99,870</u>
Aggregate indebtedness	<u>\$ 87</u>
Ratio of aggregate indebtedness to net capital	<u>0 %</u>

Note: There are no differences in the above computation of net capital pursuant to SEC Rule 15c3-1 and the corresponding computation as filed by the Company with the unaudited Form X-17a-5 as of December 31, 2012.

**INDEPENDENT AUDITORS' REPORT ON
INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5**

To the Member
Crestone Securities LLC
Boulder, Colorado

In planning and performing our audit of the financial statements of Crestone Securities LLC (the "Company"), as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13; and
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

Management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

To the Member
Crestone Securities LLC

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the member, management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITORS' REPORT ON THE SIPC ANNUAL
ASSESSMENT REQUIRED BY SEC RULE 17a-5**

To the Member
Crestone Securities LLC
Boulder, Colorado

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2012, which were agreed to by Crestone Securities LLC (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
