Report on Financial Statements

We have audited the accompanying statement of financial condition of Brandon Investments, Inc. (the Company) as of December 31, 2012, and the related statements of loss, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brandon Investments, Inc. as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Brandon Investments, Inc.
December 31, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Brandon Investments, Inc. (the Company) was organized on July 16, 1982, as a support organization of its affiliate corporation, Brandon Financial Planning, Inc. The Company operates in Tennessee as a Securities and Exchange Commission (SEC) registered broker dealer and a member of the Financial Industry Regulatory Authority (FINRA) and sells securities, life insurance, annuities, and other types of investments recommended by its affiliate. The Company derives its income from commissions on these sales. Commissions are recognized as the related services are performed.

The Company is exempt from provisions of SEC rule 15c3-3 under the Securities Exchange Act of 1934, in accordance with provisions of SEC rule 15c3-3(k)(1).

Use of Estimates

The preparation of the Company's financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers cash equivalents to include all highly liquid temporary interest-bearing deposits having an original maturity of three months or less.

Furniture and Equipment

Furniture and equipment are stated at cost. Depreciation is computed using accelerated methods over the estimated useful lives of the assets.

Income Taxes

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related to differences between the financial and income tax bases of assets and liabilities and net operating losses. The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled.

NOTES TO FINANCIAL STATEMENTS

Brandon Investments, Inc.
December 31, 2012

The Company accounts for uncertain tax positions as a contingency in accordance with GAAP. No amounts have been recognized or disclosed as a result of this implementation. The Company would record interest expense and penalties related to uncertain tax positions as interest expense and other expense, respectively. Income tax returns for 2009 and subsequent years are subject to examination by taxing authorities.

Subsequent Events

Management has reviewed events occurring through February 20, 2012, the date the financial statements were available to be issued. The Company has determined that there are no subsequent events that require disclosure in the financial statements.

2. FURNITURE AND EQUIPMENT

A summary of furniture and equipment follows:

Furniture and equipment	\$ 109,994
Less accumulated depreciation	<u>106,237</u>
	<u>\$ 3,757</u>

3. NET CAPITAL REQUIREMENTS

As a registered broker-dealer, the Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital. At December 31, 2012, the Company had net capital of \$289,801 which was \$284,801 in excess of its minimum net capital required of \$5,000.

4. RELATED PARTY TRANSACTIONS

Substantial managerial services, office facilities, and other benefits are provided by the Company to Brandon Financial Planning, Inc., which is affiliated with the Company through common ownership and control. The Company is reimbursed for such costs allocated to its affiliate. The allocations are based on the relative income of the entities. There were no other financial transactions between the entities during the year ended December 31, 2012.

NOTES TO FINANCIAL STATEMENTS

Brandon Investments, Inc.
December 31, 2012

5. RETIREMENT PLAN

The Company maintains a profit sharing plan for all eligible employees. Employees are eligible to participate in the plan upon attaining the age of 21 years, and completing 12 months of active service. Vesting begins with the second year of service and participants become fully vested after six years. Contributions, based on established percentages of eligible paid compensation, totaled \$149,500 for 2012.

6. INCOME TAXES (CREDIT)

Income taxes (credit) consist of the following:

Current	
Federal	\$ (1,074)
State	-
	<u>(1,074)</u>
Deferred	
Federal	(1,378)
State	(1,053)
	<u>(2,431)</u>
	<u>\$ (3,505)</u>

The reasons for the difference between income taxes on loss before income taxes and the amount computed by applying statutory federal tax rates relate principally to state income tax and nondeductible expenses.

The components of the net deferred tax liability are as follows:

Deferred tax asset - net operating loss carryforwards	\$ 2,429
Deferred tax liability - cash basis reporting for tax purposes	<u>(3,257)</u>
Net deferred tax liability	<u>\$ (828)</u>

At December 31, 2012, the Company has net operating loss carryforwards of approximately \$9,000 and \$16,000 for federal and state income tax purposes, respectively.

NOTES TO FINANCIAL STATEMENTS

Brandon Investments, Inc.
December 31, 2012

7. COMMITMENTS AND CONTINGENCIES

The Company has a noncancelable operating lease for its office space expiring May 31, 2016. Rent expense under this lease was \$37,071 in 2012.

Future minimum operating lease payments at December 31, 2012 are as follows:

<u>Year</u>	
2013	\$ 38,393
2014	38,393
2015	38,393
2016	<u>15,997</u>
	<u>\$ 131,176</u>

No material differences exist between the above computation of net capital under Rule 15c3-1 and that filed with the Company's unaudited December 31, 2012 FOCUS report.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

The Board of Directors
Brandon Investments, Inc.
Memphis, Tennessee

In planning and performing our audit of the financial statements of Brandon Investments, Inc. (the Company), as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

REYNOLDS
BONE &
GRIESBECK PLC
CERTIFIED PUBLIC ACCOUNTANTS & ADVISORS

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

The Board of Directors
Brandon Investments, Inc.
Memphis, Tennessee

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of SIPC Assessment and Payment [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2012, which were agreed to by Brandon Investments, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Brandon Investments, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Brandon Investments, Inc.'s management is responsible for the Brandon Investments, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

We have audited the financial statements of Brandon Investments, Inc. (the Company) for the year ended December 31, 2012, and have issued our report thereon dated February 11, 2013. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 8, 2013. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Company are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2012. We noted no transactions entered into by the Company during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant estimates noted relative to the Company's financial statements.

The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements of the financial statements that exceeded \$2,000. Management has determined that any misstatements are immaterial, both individually and, in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representations letter dated February 11, 2013.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Company's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Company's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management of the Company and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
