INDEPENDENT AUDITOR'S REPORT

**To the Shareholders of
Lantern Investments, Inc.**

Report on the Statement of Financial Condition

We have audited the accompanying statement of financial condition of Lantern Investments, Inc (the "Company"), and the related notes as of June 30, 2013 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether this financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of this financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of this financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of this financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of the Company as of June 30, 2013 in accordance with accounting principles generally accepted in the United States of America.

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION

JUNE 30, 2013

1. ORGANIZATION AND NATURE OF BUSINESS

Lantern Investments, Inc. (the "Company") was incorporated in the State of Delaware in 1992. The Company is registered as a broker-dealer with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulatory Authority, Inc (the "FINRA"), the Municipal Securities Rulemaking Board (the "MSRB") and the Securities Investor Protection Corporation ("SIPC"). In this capacity, it executes both principal and agency transactions for itself and its customers on a fully disclosed basis through its clearing brokers, Pershing, LLC and APEX Clearing Corporation. The Company does not hold funds or securities for, nor owe funds or securities to customers. Any funds or securities received by the Company are promptly transmitted to the clearing broker.

The Company maintains cash with financial institutions. Funds deposited with a single bank are insured up to \$250,000 in the aggregate by the Federal Deposit Insurance Corporation ("FDIC"). Deposits with a single brokerage institution are insured up to \$500,000 per account type, of which a maximum of \$250,000 in cash is insured by the Securities Investor Protection Corp. At times, cash balances may exceed the insured limits. The Company has not experienced any losses in such accounts. Cash and cash equivalents include \$185,374 being held in money market funds.

2. SIGNIFICANT ACCOUNTING POLICIES

The Company maintains its books and records on an accrual basis in accordance with accounting principles generally accepted in the United States of America. This requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Purchases and sales of securities are recorded on a settlement date basis. For financial statement purposes, the difference between settlement date and trade date basis is not material. Realized gains and losses on security transactions are based on the first-in, first-out or the specific-identification method. All positions are reported at market value and any change in market value is reflected in the accompanying statement of income as gain or loss as it occurs.

Securities transactions and financing with the clearing brokers are classified as operating activities on the statement of cash flows since this is the Company's principal business.

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION (Continued)

JUNE 30, 2013

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments in securities that are traded on a securities exchange are valued at the last reported sales price on the primary exchange on the last business day of the year. Investments in securities traded in the over-the-counter market for which no market quotations are available are valued at the last reported bid price.

The Company files its federal and state corporate income tax returns using the accrual basis of accounting.

Depreciation of property and equipment is provided using straight-line methods over the useful life of the assets. Amortization of leasehold improvements is provided for by the straight-line method over the term of the lease.

Fair Value of Investments

The Company carries its investments at fair value. Fair value is an estimate of the exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (i.e., the exit price at the measurement date). Fair value measurements are not adjusted for transaction costs. A fair value hierarchy provides for prioritizing inputs to valuation techniques used to measure fair value into three levels:

- | | |
|---------|---|
| Level 1 | Unadjusted quoted prices in active markets for identical assets or liabilities. |
| Level 2 | Inputs other than quoted market prices that are observable, either directly or indirectly, and reasonably available. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the Company. |
| Level 3 | Unobservable inputs. Unobservable inputs reflect the assumptions that management develops based on available information about what market participants would use in valuing the asset or liability. |

An asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Availability of observable inputs can vary and is affected by a variety of factors.

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION (Continued)

JUNE 30, 2013

Fair Value of Investments (Continued)

Management uses judgment in determining fair value of assets and liabilities and Level 3 assets and liabilities involve greater judgment than Level 1 or Level 2 assets or liabilities. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments. The following are the Company's investments owned by level within the fair value hierarchy at June 30, 2013:

<u>Description</u>	<u>Total</u>	<u>Fair Value Measurements Using</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Assets:				
Investments in securities				
Common stock	\$ 23,048	\$ 23,048	\$ -	\$ -
Corporate bonds	209,205	206,405	2,800	-
Government agencies	3,184	3,184	-	-
Municipal bonds	486,761	486,761	-	-
Total	\$ 722,198	\$ 719,398	\$ 2,800	\$ -
Percent of total	100.00%	99.00%	1.00%	0.00%

3. FINANCIAL INSTRUMENTS AND RISK

In the normal course of business, the Company enters into financial transactions where the risk of potential loss due to the changes in market (market risk) or failures of the other party to the transaction to perform (credit risk) exceeds the amounts recorded for the transactions. The Company's policy is to continuously monitor its exposure to market and counterparty risk through the use of a variety of financial, position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the customer and/or other counter-party with which it conducts its business.

Market risk represents the potential loss that can be caused by increases or decreases in the fair value of investments due to market fluctuation.

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION (Continued)

JUNE 30, 2013

Financial Instruments and Risk (Continued)

Credit risk represents the potential loss that would occur if counterparties fail to perform pursuant to the terms of their obligations. In addition to its investments, the Company is subject to credit risk to the extent a custodian or broker with whom it conducts business is unable to fulfill its contractual obligations.

Short selling, or the sale of securities not owned by the Company, exposes the Company to the risk of loss in an amount greater than the initial investment, and such losses can increase rapidly and in the case of equities, without effective limit. There is the risk that the securities borrowed by the Company in connection with a short sale would need to be returned to the securities lender on short notice. If such request for return of securities occurs at a time when other short sellers of the subject security are receiving similar requests, a "short squeeze" can occur, wherein the Company might be compelled, at the most disadvantageous time, to replace borrowed securities previously sold short with purchases on the open market, possibly at prices significantly in excess of the proceeds received earlier.

The Company executes most of its customer trades through New York Stock Exchange member firms as an introducing broker and earns commission on its introduced customers. The Company has an agreement with its clearing brokers to clear securities transactions, carry customers' accounts on a fully disclosed basis and perform certain recordkeeping functions. In connection therewith, the Company has agreed to indemnify its clearing broker for losses that the clearing broker may sustain related to the Company's customers. At June 30, 2013, the receivable from clearing brokers reflected on the statement of financial condition was substantially in cash.

In the course of its normal trading activities, the Company is a party to financial instruments that involve, to indeterminable degrees, market risks in excess of that presented in the statement of financial condition. All positions are reported at market value and any change in market value is reflected in the accompanying statement of income as gain or loss as it occurs.

4. PROVISION FOR INCOME TAXES

FASB provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained "when challenged" or "when examined" by the applicable tax

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION (Continued)

JUNE 30, 2013

4. PROVISION FOR INCOME TAXES (continued)

authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense and liability in the current year. For the year ended June 30, 2013 management has determined that there are no material uncertain income tax positions.

5. GOODWILL

In June 2004, the Company purchased certain intangible assets of Tradex Brokerage Service, Inc., under an asset purchase agreement. Additionally, in June 2008 the Company purchased intangible assets from a retired employee under an asset purchase agreement. The Company has adopted FASB Statement No. 142 "Goodwill and Other Intangible Assets" ("ACS 350"). The intangible assets acquired are determined to be wasting assets, as defined in the SFAS, with finite useful lives. As such, these intangible assets are subject to amortization. The financial statements include a charge for amortization in the amount of \$14,340 for the year ended June 30, 2013.

6. OTHER ASSETS

Other assets include \$41,395 of advances paid to employees and are being expensed over various periods. These advances are reduced through the earning of a "Production Bonus" as stipulated in the various Employment Agreements. If the employee for any reason ceases to be employed by the Company before the date that the Production Bonus is earned, the loan shall become due and payable.

7. COMMITMENTS

The Company leases office space in various locations under non-cancelable lease agreements which expire between July 31, 2013 to August 31, 2017. The leases contain provisions for escalations based on increases in certain costs incurred by the lessors. Future minimum rent payments on the leases are as follows:

	<u>Year Ended June 30,</u>
2014	\$ 280,089
2015	249,248
2016	179,631
2017 and thereafter	<u>8,434</u>
Total	\$ <u>717,402</u>

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION (Continued)

JUNE 30, 2013

8. LIABILITIES SUBORDINATED TO THE CLAIMS OF GENERAL CREDITORS

As of June 30, 2013, the Company had not entered into any subordinated loan agreements.

9. DEFERRED RENT

Some of the leases for the Company's office spaces provide for rent abatements as well as scheduled increases in base rent. Rent expense is charged to operations ratably over the term of the lease, while deferred rent payable represents cumulative rent expense charged to operations from inception of the lease in excess of required lease payments.

10. EMPLOYEE BENEFITS

The Company has a SIMPLE-IRA plan with a December 31 year end. The Board of Directors has elected to contribute an amount equal to three percent of eligible employee compensation, subject to statutory limitations. The expense included in the financial statements related to this plan is \$79,979 for the year ending June 30, 2013.

11. RELATED PARTY TRANSACTION

Included in other assets is a receivable of \$16,159 from a related party.

12. RULE15C3-3

The Company is exempt from the provisions of Rule 15c3-3 under paragraph (k)(2)(ii) in that the Company carries no margin accounts, promptly transmits all customer funds and delivers all securities received, does not otherwise hold funds or securities for or owe money or securities to customers and effectuates all financial transactions on behalf of customers on a fully disclosed basis.

LANTERN INVESTMENTS, INC.

NOTES TO STATEMENT OF FINANCIAL CONDITION (Continued)

JUNE 30, 2013

13. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At June 30, 2013, the Company had net capital of \$1,101,032, which exceeded the minimum requirement of \$100,000 by \$1,001,032. The Company's net capital ratio was .87 to 1.

14. CONTINGENT LIABILITIES

The Company is a respondent in an arbitration arising in the ordinary course of business. The results of this matter cannot be predicted with any certainty at this time. After consultation with legal counsel, management is of the opinion that the Company has meritorious defenses to this action, and that the ultimate outcome of this matter will not have a material adverse impact on the financial position of the Company or the results of its operations. Included in the accrued expenses and other liabilities is a contingency reserve pending final resolution.

15. SUBSEQUENT EVENTS

Events have been evaluated through August 12, 2013, the date that these financial statements were available to be issued and no further information is required to be disclosed.
