Independent Auditor's Report

Board of Directors
Brinson Patrick Securities Corporation:

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Brinson Patrick Securities Corporation, (the Company) as of December 31, 2012.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brinson Patrick Securities Corporation, as of December 31, 2012 conformity with accounting principles generally accepted in the United States of America.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Brinson Patrick Securities Corporation (the "Company") was incorporated in the State of New York on February 8, 1996. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer that trades securities on behalf of its clients.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business.

Receivable from clearing organizations represent commissions earned on securities transactions. These receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Advertising costs are expenses as incurred. For the year ended December 31, 2012, the Company charged \$261,564 of advertising expense to other operating expenses.

Property and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

With the consent of its shareholders, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through February 11, 2013, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Note 2: DEPOSIT WITH CLEARING ORGANIZATION

The Company has a brokerage agreement with APEX Clearing ("Clearing Broker") to carry its account and the accounts of its clients as customers of the Clearing Broker. The Clearing Broker has custody of the Company's cash balances which serve as collateral for any amounts due to the Clearing Broker as well as collateral for securities sold short or securities purchased on margin. Interest is paid monthly on these cash deposits at the average overnight repurchase rate. The balance at December 31, 2012 was \$250,000.

All tax effects of the Company's income or loss are passed through to the shareholder individually. As of December 31, 2012, the total income tax provision of \$1,044 was included in other operating expense on the Statement of Operations.

Note 6: LINE OF CREDIT

The company has entered into a line of credit arrangement with the M&T Bank, which carries a maximum possible balance of \$200,000. The loan has a variable interest rate that is 1/2% higher than the bank's prime lending rate. The loan's interest rate as of the date of the financial statements is 5.70%. As of the date of the financial statements, the company had drawn down \$65,546 of the loan balance.

The Company also maintains a second line of credit with JP Morgan Bank for \$75,000 to serve as an available source of funds to meet additional clearing broker deposit requirements and for potential working capital needs. Interest is accrued at the bank's prime rate. The line calls for an annual commitment fee of \$750. As of December 31, 2012, no funds had been drawn on this line of credit.

Note 7: PROFIT SHARING PLAN

The Company has an employee benefit plan ("Plan") under Section 401(k) of the Internal Revenue Code ("Code") covering substantially all of its employees. Participants may contribute up to 15% of annual compensation, but not in excess of the maximum allowed under the Code. The employer's matching contribution shall be determined by the employer with respect to each plan year. For the year ended December 31, 2012, the Company contributed \$10,000 to the Plan.

Note 8: CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 9: COMMITMENTS AND CONTINGENCIES

Contingencies

The Company maintains several bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year ended December 31, 2012, cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

Note 10: RECENTLY ISSUED ACCOUNTING STANDARDS

In June of 2009, the Financial Accounting Standards Board (the “FASB”) implemented a major restructuring of U.S. accounting and reporting standards. This restructuring established the Accounting Standards Codification (“Codification” or “ASC”) as the source of authoritative accounting principles (“GAAP”) recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with generally accepted accounting principles in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates (“ASUs”).

For the year ending December 31, 2012, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company’s operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2011-04	Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs (May 2011).	After December 15, 2011
2011-05	Comprehensive Income (Topic 220): Presentation of Comprehensive Income (June 2011).	After December 15, 2011
2011-08	Intangibles - Goodwill and Other (Topic 350): Testing Goodwill for Impairment (September 2011).	After December 15, 2011
2011-11	Balance Sheet (Topic 210): Disclosures about Offsetting Assets and Liabilities (December 2011).	After January 1, 2013
2011-12	Comprehensive Income (Topic 220): Deferral of the Effective Date for Amendments to the Presentation of Reclassifications of Items Out of Accumulated Other Comprehensive Income in Accounting Standards Update No. 2011-05 (December 2011).	After December 15, 2011

Note 10: RECENTLY ISSUED ACCOUNTING STANDARDS

(Continued)

2012-02	Intangibles – Goodwill and Other (Topic 350): Testing Indefinite-Lived Intangible Assets for Impairment (July 2012).	After September 15, 2012
---------	--	--------------------------

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 11: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2012, the Company had net capital of \$93,521 which was \$81,553 in excess of its required net capital of \$11,968; and the Company's ratio of aggregate indebtedness (\$179,513) to net capital was 1.92 to 1, which is less than the 15 to 1 maximum allowed.
