REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors
World Capital Brokerage, Inc.
Denver, Colorado

We have audited the accompanying statement of financial condition of World Capital Brokerage, Inc. (the "Company") as of July 31, 2013 that you are filing pursuant to Rule 17a-5 under the Securities and Exchange Act. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above present fairly, in all material respects, the financial position of World Capital Brokerage, Inc. as of July 31, 2013, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JULY 31, 2013

2013 OCT 28 AM 7:46

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

BASIS OF FINANCIAL STATEMENT PRESENTATION

The accompanying financial statements include the accounts of World Capital Brokerage, Inc. (formerly American Growth Fund Sponsors, Inc.) (the Company), a wholly owned subsidiary of AGF Holdings, Inc. (the Parent). The Company is a Colorado corporation and a registered broker-dealer with the Securities and Exchange Commission (SEC). The primary functions of the Company are to underwrite the shares of American Growth Fund, Inc. (the Fund), a diversified open-end investment company, and to function as a broker-dealer of securities. Significant accounting policies followed by the Company are:

INVESTMENT SECURITIES

Security transactions and related revenue and expense are recorded on a trade date basis. In accordance with financial reporting requirements for broker/dealers, the Company's investment securities are recorded at market value based upon quotes from brokers. Changes in unrealized appreciation or depreciation are included in revenue. Realized gains and losses are computed using the specific identification method.

COMMISSIONS

Commissions and related clearing expenses are recorded on a trade-data basis as securities transactions occur.

INCOME TAXES

The Company and the Parent account for income taxes using the asset and liability method of accounting for income taxes. The Company files consolidated federal and state income tax returns with the Parent. An informal tax sharing agreement currently exists between the Company and the Parent. Under such agreement the tax expense or benefit recorded by the Company, including the tax effects of related assets and liabilities of affiliates, is computed as if the Company filed separate stand-alone tax returns. Such amounts are limited to tax expense or benefit recorded on a consolidated basis for the Parent. The Company's method of accounting for income taxes conforms to "Accounting For Income Taxes". This method requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the financial reporting basis and tax basis of assets and liabilities.

The Company evaluates tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense in the current year. Management of the Company has reviewed the tax positions for the open tax years ending July 31, 2010 through July 31, 2013 and has determined that there are no significant uncertain tax positions that would require recognition in the financial statements.

CONCENTRATION OF CREDIT RISK

From time to time the Company had cash balances on deposits with banks in excess of the federally insured limits. The Company believes its risk of loss is limited due to the high credit quality of such bank.

WORLD CAPITAL BROKERAGE, INC.
(wholly owned by AGF Holdings, Inc.)

NOTES TO FINANCIAL STATEMENTS, continued
JULY 31, 2013

STATEMENT OF CASH FLOWS

For purposes of the statement of cash flows, the Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

2. INVESTMENT SECURITIES

At July 31, 2013 the Company's investment securities had an aggregate cost basis of \$1,002,139 and a market value of \$1,514,613 resulting in an unrealized gain of \$512,474.

The Company follows a fair value hierarchy that distinguishes market data obtained from independent sources (observable inputs) and the Company's own market assumptions (unobservable inputs). These inputs are used in determining the value of the Company's investments and are summarized in the following fair value hierarchy.

Level 1 – quoted prices in active markets for identical securities,

Level 2 – other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc), and

Level 3 – significant unobservable inputs (including the Fund's own assumptions in determining the fair value of investments).

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The following is a summary of the inputs used, as of July 31, 2012, in valuing the Company's assets carried at fair value:

Equity	Level 1	Level 2	Level 3	Total
Entertainment	\$ 590,255	\$ 0	\$ 0	\$ 590,255
Apparel	443,250	0	0	443,250
Insurance (Life)	151,652	0	0	151,652
Recreation	105,403	0	0	105,403
Health Care Plans	50,053	0	0	50,053
Packaging and Container	49,840	0	0	49,840
Aerospace/Defense	48,480	0	0	48,480
Human Resources	47,813	0	0	47,813
Retail Building Supply	27,867	0	0	27,867
Total Equity	\$1,514,613	0	0	\$1,514,613

There were no significant movements between Levels 1 and 2 as of July 31, 2013.

The Company recognizes transfers between levels of the last day of each fiscal reporting period.

WORLD CAPITAL BROKERAGE, INC.
(wholly owned by AGF Holdings, Inc.)

NOTES TO FINANCIAL STATEMENTS, continued
JULY 31, 2013

3. TRANSACTIONS WITH RELATED PARTIES

The Company, the Parent and Investment Research Corporation (IRC), the investment advisor for the Fund, are controlled by the same individual. Certain officers and directors of the Company are also officers and directors of the Fund and IRC. As principal underwriter for the Fund, the Company received gross underwriting commissions of \$390,688 for the year ended July 31, 2013. The Company received \$11,013 from IRC for distribution services.

The Company shares office space and certain employees with the Fund and IRC. Costs related thereto and certain other costs are allocated among the affiliates on a basis determined by management.

During fiscal 2013, the company received \$63,324 from related parties for property management services provided.

4. MINIMUM NET CAPITAL

Pursuant to Rule 15c3-1 of the Securities Exchange Act of 1934, the Company, as a registered securities broker/dealer, is required to maintain a minimum net capital of the greater of \$250,000 or 6 2/3% of "aggregate indebtedness," as defined in such rule. At July 31, 2013, the Company had net capital of \$1,083,633 which was \$833,633 in excess of its required net capital of \$250,000. The Company's ratio of aggregate indebtedness to net capital at July 31, 2013 was 5.47 to 1.

5. COMMISSIONS RECEIVABLE

Commissions paid to broker/dealers through deferred sales charges, for the sale of Fund shares, are recorded as commissions receivable. The Company receives from the Fund a monthly distribution fee based on the Fund's daily net assets. Commissions receivable are recovered through the receipt of the distribution fee and redemption charges, if any, related to Fund shares subject to contingent deferred sales charges.

6. INCOME TAXES

The provision for income taxes consists of the following:

Current		
	Federal	\$ 82,931
Deferred		
	Federal	(26,636)
	State	0
	Total	\$ 56,295

The deferred tax liability results from unrealized appreciation of investments.

7. SUBSEQUENT EVENTS

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through the date these financial statements were issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Company's financial statements.

REPORT ON INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS
ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

Board of Directors
World Capital Brokerage, Inc.

In planning and performing our audit of the financial statements of World Capital Brokerage, Inc. (the "Company"), as of and for the year ended July 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and recordation of differences required by Rule 17a-13, or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at July 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Re World Capital Brokerage, Inc.

Dear Ms. Dudley:

We are in receipt of your letter dated October 22, 2013 regarding the incomplete public financials submitted to the SEC. As I stated on the message left on your voice mail the complete public financial was sent to the SEC, however, the two pages of the X-17A-5 were stuck together. We are therefore returning the original documents to you for processing with my apologies for the confusion.

If you have any questions or need anything further please do not hesitate to contact me at 888-742-0631.

Sincerely,

Operations Professional

Re: **WORLD CAPITAL BROKERAGE, INC.**

Dear Mr. Timothy Taggart,

Paragraph (d) of Rule 17a-5 (17 CFR 240.17a-5) requires that every broker or dealer registered pursuant to Section 15 of the Securities and Exchange Act of 1934 (15 U.S.C. 780) must file a certified annual report of financial statements on a fiscal or calendar year basis.

We are contacting you because the financial statement received on October 3, 2013 is incomplete. Therefore, within ten days of receipt of this letter, please submit a separately bound Statement of Financial Condition for "**PUBLIC**" inspection, conforming to the requirements of subparagraph (e) (3) of Rule 17a-5. The Statement of Financial Condition should be attached to a **signed and completed Form X-17A-5, Part III facing page** (17 CFR 249.617).

Access the following website: www.sec.gov, to obtain a form X-17A-5.

Please resubmit your filing to: **U.S. Securities & Exchange Commission**
100 F St., N. E., Mail Stop 8031
Washington, DC 20549
Attn: Charlene Dudley - MS 8031

If you have any questions concerning this matter, please contact the undersigned at **(202) 551-5804**.

Sincerely,

Charlene Dudley, Program Analyst
