INDEPENDENT AUDITORS' REPORT

To the Member of Lucia Securities, LLC
San Diego, California

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Lucia Securities, LLC (the "Company") as of December 31, 2012, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lucia Securities, LLC, as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information listed in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information listed in the accompanying table of contents has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information listed in the accompanying table of contents is fairly stated in all material respects in relation to the financial statements as a whole.

LUCIA SECURITIES, LLC

Notes to Financial Statements December 31, 2012

NOTE 1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Lucia Securities, LLC (the "Company") is organized under the laws of the state of Delaware pursuant to the Delaware Limited Liability Company Act. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"), an entity created through the consolidation of the National Association of Securities Dealers ("NASD") and the Securities Investor Protection Corporation ("SIPC").

The Company was owned by two individual members who, effective May 3, 2011, transferred their ownership interests to RJL Holding Company, LLC, an entity owned by the same two individuals. The Company is an LLC and due to the nature of an LLC, its member has limited liability.

The Company is exempt from SEC Rule 15c3-3(k)(2)(ii) of the Customer Protection Rule. In connection with its activities as a broker/dealer, the Company is an introducing firm and does not hold customer funds or securities.

Basis of Accounting

The financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP") and in the format prescribed by Rule 17a-5 under the Securities Exchange Act of 1934 for broker/dealers in securities.

Commissions Receivable

Commissions receivable are due from the Company's clearing broker and other financial service companies. Management has determined that no allowance for doubtful commissions receivable is necessary at December 31, 2012.

Income Recognition

Commission income results from marketing services performed by registered representatives of the Company on behalf of non-affiliated financial services companies. Because the nature of the marketing is to mass audiences, the Company is not able to reasonably estimate the timing or amount of the income. Therefore, these marketing services are recognized as income upon notification of such by the non-affiliated broker/dealer.

Commission income is also earned for marketing services performed for financial services companies whereby the Company acts as the introducing broker/dealer. The Company is not able to reasonably estimate the timing or amount of this income. As such, these marketing services are recognized as income upon notification by the financial services companies.

LUCIA SECURITIES, LLC

Notes to Financial Statements December 31, 2012

NOTE 1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Company is not subject to federal or state income taxes and, accordingly, no provision for taxes has been made in the accompanying financial statements. The member is required to report any gains, losses, credits or deductions on its individual tax returns.

Deferred Income

The Company enters into agreements with financial services companies for which the Company is a broker of their products and occasionally receives an advance. Such amounts are to be earned or repaid based on specific criteria.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events

Management of the Company has evaluated all subsequent transactions through the date of the independent auditors' report, the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure.

NOTE 2. RELATED-PARTY TRANSACTIONS

Pursuant to an expense sharing agreement with RJJ Management Company, LLC ("RJJ"), the Company is allocated certain selling, marketing and general overhead expenses that RJJ pays on behalf of the Company. RJJ and the Company have common ownership and share office space, personnel and other overhead expenses. As such, RJJ allocates a portion of these expenses to the Company based on the proportional use or benefit derived by the Company. During 2012, the Company incurred \$12,587,627 in expenses related to this agreement. During the year, the Company remitted an amount in excess of the expenses under this agreement, resulting in a receivable due from RJJ in the amount of \$295,586 as of December 31, 2012. This agreement can be terminated by either party at any time.

Further, the Company occasionally is billed for expenses and fees incurred by RJJ Wealth Management, LLC ("RJJWM"). In these instances, RJJWM reimburses the Company for these costs, which is \$26,735 as of December 31, 2012. The receivables from RJJ and RJJWM are included in related party receivables.

NOTE 3. NET CAPITAL REQUIREMENTS

The Company is subject to SEC Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital, and maintenance of the ratio of aggregate indebtedness to net capital, both as defined, not to exceed 15 to 1, and compliance with restrictions on withdrawal of equity capital. At December 31, 2012, the Company had net capital of \$803,966, which was \$753,966 in excess of its required minimum net capital.

LUCIA SECURITIES, LLC

Notes to Financial Statements December 31, 2012

NOTE 4. CONCENTRATION OF CREDIT RISK

The Company maintains all cash in bank accounts, which at times may exceed federally insured limits. The Company has not experienced a loss in such accounts and believes it is not exposed to any significant credit risk with respect to cash.

NOTE 5. CLEARING AGREEMENT

In June 2011, the Company entered into a seven-year clearing agreement whereby the clearing broker will provide certain services, as defined, to the Company's clients. The agreement provides for, among other things, a one-time incentive fee of \$1,500,000 to the Company for execution of the agreement, which was received and recognized in 2011. Additionally, provided that certain milestones are met at the three and five year anniversaries of the first trade date with the clearing broker, the Company may receive additional incentives of \$100,000 each at the end of such anniversaries.

The Company is required to have a \$100,000 deposit with the clearing broker. The deposit was made in June 2011, when the agreement was made. Additionally, should the Company breach the terms of the agreement, or terminate the agreement voluntarily, there is a termination fee due to the clearing broker equal to the greater of the monthly minimum revenue requirement, as defined, or \$17,857 per month for the remainder of the agreement.

SUPPLEMENTARY INFORMATION

LUCIA SECURITIES, LLC

Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements Under Rule 15c3-3 December 31, 2012

Lucia Securities, LLC operates pursuant to paragraph (k)(2)(ii) exemption provision of the Securities and Exchange Commission Rule 15c3-3, of the customer protection rules, and does not hold customer funds or securities. Therefore, there are no reserve requirements and no possession and control requirements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
REQUIRED BY RULE 17a-5(g)(1) OF THE SECURITIES AND EXCHANGE COMMISSION**

To the Member of Lucia Securities, LLC
San Diego, California

In planning and performing our audit of the financial statements of Lucia Securities, LLC (the "Company") as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the member, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANTS' AGREED-UPON PROCEDURES REPORT
ON SIPC ANNUAL ASSESSMENT REQUIRED UNDER SEC RULE 17a-5(e)(4)**

To the Member of Lucia Securities, LLC
San Diego, California

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation ("Form SIPC-7")] of Lucia Securities, LLC (the "Company") to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2012, which were agreed to by the Company and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
