INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Curren & Company
Irvine, California

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Curren & Company (the Company) as of December 31, 2012, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Curren & Company as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained on pages 11-13 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information on pages 11-13 has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information on pages 11-13 is fairly stated in all material respects in relation to the financial statements as a whole.

A handwritten signature in cursive script that reads "Goodrich Bacon Goodson, CPA". The signature is written in black ink and is positioned centrally below the "Other Matters" section.

Cash payments for interest	\$ <u>-0-</u>

The accompanying notes are an integral part of these financial statements.

CURREN & COMPANY
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2012

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Company is a registered broker-dealer incorporated under the laws of the State of California maintaining its only office in Irvine, California. The Company is subject to a minimum net capital requirement of \$100,000 pursuant to SEC Rule 15c3-1 and operates pursuant to the (k)(2)(ii) exemptive provision of SEC Rule 15c3-3 and does not hold customer funds or securities. The Company acts as an introducing broker/dealer and clears transactions on a fully disclosed basis through a clearing agent. The Company requires no collateral for its receivables and, thus, is subject to the inherent risks in the economy.

Method of Accounting

The Company maintains its books and records on the accrual basis of accounting. Security transactions and related commissions are recorded on the trade-date basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates. Actual results could differ from those estimates.

SIPC

The SIPC assessment has been determined fairly in accordance with applicable instructions and was remitted timely.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Marketable Securities/Fair Value

The Company complies with current standards with respect to "Fair Value Measurements." The standards define fair value, thereby eliminating inconsistencies in guidance found in various prior accounting pronouncements, and increases disclosures surrounding fair value calculations. The standards establish a three-tiered fair value hierarchy that prioritizes inputs to valuation techniques used in fair value calculations. The three levels of inputs are defined as follows:

CURREN & COMPANY
NOTES TO FINANCIAL STATEMENTS, CONTINUED

DECEMBER 31, 2012

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Level 1 – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets accessible by the Company at the measurement date.

Level 2 – Valuations based on inputs that are observable in the marketplace other than those inputs classified as Level 1.

Level 3 – Valuations based on inputs that are unobservable in the marketplace and significant to the valuation.

The standards also require the Company to maximize the use of observable inputs and minimize the use of unobservable inputs. If a financial instrument uses inputs that fall in different levels of hierarchy, the instrument will be categorized based upon the lowest level of input that is significant to their fair value calculation.

(2) PROPERTY AND EQUIPMENT

Furniture and computer equipment are stated at cost. Depreciation is provided by the straight-line method over estimated useful lives of seven and five years, respectively. At December 31, 2012, the financial statement memorandum account for fixed assets consisted of the following:

Equipment	\$ 28,513
Computers	<u>6,654</u>
Total	35,167
Accumulated depreciation	<u>(35,167)</u>
Net book value	\$ <u><u>-0-</u></u>

(3) SECURITIES OWNED AT MARKET VALUE

The Company holds trading securities which are stated at fair market value as of December 31, 2012 (Level 1 in the hierarchy established by current standards). These securities are listed on national exchanges and the fair value is determined based on published market prices. Proceeds from the sale of investment securities available for sale were \$1,580,169 in 2012; gross realized gains included in income in 2012 were \$43,993 gross realized losses included in income in 2012 were \$36,667. At December 31, 2012, the securities held had a market value of \$71,261, with gross unrealized gains of approximately \$307.

CURREN & COMPANY
NOTES TO FINANCIAL STATEMENTS, CONTINUED

DECEMBER 31, 2012

(4) INCOME TAXES

The provision for income taxes consists of the following:

	<u>Federal</u>	<u>State</u>	<u>Total</u>
Current	\$ -	\$ 800	\$ 800
Deferred	<u>1,769</u>	<u>1,061</u>	<u>2,830</u>
Total	\$ <u>1,769</u>	\$ <u>1,861</u>	\$ <u>3,360</u>

The Company complies with current accounting standards which presents an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events recognized in the Company's financial statements in different periods from the tax returns. In estimating future tax consequences, the current standards generally consider all expected future events other than enactment of changes in law or rates. At December 31, 2012, deferred tax assets were not material.

The Company is recognizing a deferred tax asset of \$538 as a result of a capital loss carryforward of \$2,258.

The Company is subject to US Income taxes and California income taxes. Management considers the likelihood of changes by taxing authorities in its filed income tax returns and recognizes a liability for or discloses potential changes that management believes are more likely than not to occur upon examination by tax authorities. Management has not identified any uncertain tax positions in filed income tax returns that require recognition or disclosure in the accompanying financial statements. The Company's income tax returns for the past four years are subject to examination by tax authorities, and may change upon examination.

(5) PROFIT-SHARING PLAN

The Company adopted a profit-sharing plan on December 27, 1997, covering all employees after the completion of one-year of eligibility service. No contributions were made during 2012.

CURREN & COMPANY
NOTES TO FINANCIAL STATEMENTS, CONTINUED

DECEMBER 31, 2012

(6) COMMITMENTS AND CONTINGENCIES

The Company leases office space and signed a sub-lease agreement which expired in July 2012. The monthly rental called for under this agreement was \$5,625.

The Company signed a new lease in 2012 for the period August 1, 2012 through July 1, 2015. The Company received a three month rent holiday and an \$11,983 cash payment from the landlord. These incentives are amortized on a straight-line basis over the three years of the lease.

The following is a schedule of the annual lease (rent) payments due.

<u>Year Ended December 31</u>	<u>Amount</u>
2013	\$ 68,818
2014	\$ 72,062
2015	\$ 43,140

7) SUBSEQUENT EVENTS

Management has evaluated subsequent events and transactions occurring after year-end through the date that the financial statements were available for issuance which was February 4, 2013. No transactions or events were found that were material enough to require recognition in the financial statements.

(8) NET CAPITAL

The Company is subject to a \$100,000 minimum capital requirement pursuant to SEC Rule 15c3-1, which requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. Net capital and the related net capital ratio fluctuate on a daily basis; however, as of December 31, 2012, the net capital was \$148,980 which exceeded the required minimum capital by \$48,980. The aggregate indebtedness to net capital ratio was .25 to 1.

CURREN & COMPANY
COMPUTATION OF NET CAPITAL PURSUANT TO RULE 15c3-1

DECEMBER 31, 2012

Total ownership equity		\$ 192,148

REPORT ON INTERNAL ACCOUNTING CONTROL

The Board of Directors
Curren & Company
Irvine, California

In planning and performing our audit of the financial statements of Curren & Company (the Company) as of and for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computation of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13,
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2012, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Long Beach, California

GOODRICH • BARON • GOODYEAR LLP
Certified Public Accountants

The Board of Directors
Curren & Company
Irvine, California

Dear Board Members:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (General Assessment Reconciliation (Form SIPC-7)) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2012, which were agreed to by Curren & Company and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Curren & Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Curren & Company's management is responsible for their compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose. The procedures we performed are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries, noting no differences;
2. Compared amounts reported on the audited Form X-17A-5 for the year ended December 31, 2012, as applicable, with the amounts reported in the Form SIPC-7 for the year ended December 31, 2012, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "Goodrich Baron Goodyear, LLP".
