INDEPENDENT AUDITORS' REPORT

Managing Member
Kaczmarek Financial Services, LLC
Weirton, West Virginia

We have audited the financial statements of Kaczmarek Financial Services, LLC ("Company") for the year ended December 31, 2012 and 2011, and the related statements of operations, changes in member's equity, changes in subordinated borrowings, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kaczmarek Financial Services, LLC as of December 31, 2012 and 2011, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our 2012 audit was conducted for the purpose of forming an opinion on the basic financial statement taken as a whole. The supplementary information listed in the accompanying index is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the 2012 audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

KACZMAREK FINANCIAL SERVICES, LLC

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2012 AND 2011

Note 1 Summary of Significant Accounting Policies

Description of Business

KACZMAREK FINANCIAL SERVICES, LLC ("Company") is a registered broker-dealer headquartered in Weirton, West Virginia. The Company's services include business in mutual funds and variable life or annuities. The Company was organized as a limited liability company on September, 2006, with a perpetual period of duration. The Company is a member of the Financial Industry Regulatory Authority ("FINRA"); and a member of the Securities Investor Protection Corporation ("SIPC").

Revenue Recognition

The Company recognizes revenues at the time fees are earned in accordance with the terms of the service agreements with its clients. This occurs when the Company has provided all services and has no further obligations under the agreement, which typically occurs when the transaction relating to the agreement has consummated. Any transactions with mutual fund houses are consummated directly between the customer and the mutual fund house. The Company received a commission as agent.

Cash Equivalents

The Company defines cash equivalents as highly liquid investments, with original maturities of less than 90 days, which are not held for sale in the ordinary course of business.

Furniture and Equipment

Furniture and equipment is stated at cost, less accumulated depreciation. Depreciation is provided by the straight-line method over the estimated useful lives of the depreciable assets, which ranges from three to seven years.

Amortizable Intangible Assets

Included in other non-current assets are amortizable intangible assets, such as trademarks, which are amortized over five years by the straight-line method.

Income Taxes

The Company is a single member limited liability company and is not recognized as a reporting entity under the Internal Revenue Code for Taxation purposes. Accordingly, the Company does not file a separate income tax return. The effects of the Company's operations are passed through to the member for taxation purposes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

KACZMAREK FINANCIAL SERVICES, LLC

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2012 AND 2011

Note 2 Financial Instruments and Concentration of Risk

Financial instruments subject to risk concentration are cash and cash equivalents. The Company maintains depository cash and certificates of deposit with one banking institution. Depository accounts are insured by the Federal Depository Insurance Corporation ("FDIC") to a maximum of \$250,000 per bank, per depositor. Total cash and cash equivalents for the Company did not exceed the FDIC insured limit as of December 31, 2012.

Note 4 Commitments and Contingencies

The Company has no commitments and contingencies.

Note 5 Related party Transactions

The Company's managing member personally pays for a significant amount of the Company's operating and capital expenditures, which are reimbursed from time to time by the Company. Amounts owed to the member are \$1,573 and \$7,399 for the years ended December 31, 2012 and 2011, which are presented as advances from related party in the accompanying balance sheets.

Note 6 Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (15c3-1)("Rule"), which requires the maintenance of minimum net capital. The Rule prohibits the Company from engaging in securities transactions at any time the Company's net capital, as defined by the Rule, is less than \$5,000, or if the ratio of aggregate indebtedness to net capital, both as defined, exceed 15 to 1 (and the rule of "applicable" exchange provides that equity capital may not be withdrawn, or cash dividends paid, if the resulting net capital ratio exceeds 10 to 1).

At December 31, 2012, the Company has net allowable capital of \$5,996, which was \$996 in excess of the required net capital of \$5,000. The Company's aggregate indebtedness to net capital ratio is 0.02 to 1 as of December 31, 2012. Furniture and equipment and other current/non-current assets reflected in the accompanying balance sheets are not allowable assets for the purpose of computing minimum net capital under the Rule. The Company's exemption from the reserve requirements of Rule 15c3-1 (Customer Protection Rule) is under the provisions of Paragraph (k)(1), in that the Company does not receive or hold customer funds or securities in the course of providing its services.

Net audit adjustments		-
Net capital per above		<u>10,996</u>

See notes to financial statements and auditors' report.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

Managing Member
Kaczmarek Financial Services, LLC
Weirton, West Virginia

In planning and performing our audit of the financial statements and supplemental schedules of Kaczmarek Financial Services, LLC ("Company") for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company that we considered relevant to the objectives state in Rule 17a-5(g)(1) in making periodic computations of aggregate indebtedness(or aggregate debts) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verification, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but no absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of the financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2009 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON SIPC GENERAL ASSESSMENT

Managing Member
Kaczmarek Financial Services, LLC
Weirton, West Virginia

In planning and performing our audit of the financial statements and supplemental schedules of Kaczmarek Financial Services, LLC ("Company") for the year ended December 31, 2012, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's SIPC Annual General Assessment as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements.

Also, as required by Rule 17a-5(e)(4) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company that we considered relevant to the objectives stated in SECTION 4(d)(1)(c) of the Securities Investor Protection Act of 1970, as amended.

Upon review of our auditing procedures, we have determined that the assessments were determined fairly in accordance with applicable instructions and forms.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Michael D. Star, P.A., CPA
Ormond Beach, Florida
