Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of this financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether this financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in this financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of this financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of this financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of this financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

SPEEDROUTE, LLC NOTES TO FINANCIAL STATEMENT DECEMBER 31, 2012

NOTE 1. ORGANIZATION

SpeedRoute, LLC (F/K/A IseRoute, LLC) (the 'Company') is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation. Effective September 28, 2011, there was a change of control and ownership and simultaneously there was a name change from IseRoute, LLC to SpeedRoute, LLC. The Company provides sponsored access and routing execution services to broker-dealers and exchanges.

NOTE 2. FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement has no material effect on these financial statements.

NOTE 3. SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

Securities transactions (and the related commission revenue and expense) are recorded on a trade date basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Receivables and Credit Policy

Receivables are obligations due from the customer under terms requiring payments up to sixty days from the service date. The Company does not accrue interest on unpaid receivables. Receipts of accounts receivable are allocated to specific invoices identified on the customer's remittance advice or, if unspecified, are applied to earliest unpaid invoices. Customer receivable balances with invoice dates that are over ninety days old are reviewed for delinquency. The carrying amount of receivables is reduced by a valuation allowance that reflects management's best estimate of the amount that will not be collected. Management concluded that no allowance was necessary at December 31, 2012.

SPEEDROUTE, LLC NOTES TO FINANCIAL STATEMENT DECEMBER 31, 2012 (continued)

NOTE 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentration of Credit Risk

The Company maintains cash balances, with financial institutions in amounts which, at times, are more than amounts insured by the Federal Deposit Insurance Corporation. Management monitors the soundness of these institutions and has not experienced any credit losses with them. All of the Company's revenue and receivables are derived from transactions with other Broker Dealers and Exchanges.

NOTE 4. NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the 'applicable' exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2012, the Company had net capital of \$140,084 which was \$102,412 in excess of its required net capital of \$37,672. The Company's net capital ratio was 4.03 to 1.

NOTE 5. RELATED PARTY AND AFFILIATED TRANSACTIONS

The Company is a wholly owned subsidiary of Newer Ventures LLC (the "Parent") and shares common management with the Parent's other wholly-owned and majority owned subsidiary, PRO Securities, LLC.

On September 28, 2011, management dissolved the former expense sharing arrangement and for the year ended December 31, 2012, the Company had no related party or affiliated transactions.

NOTE 6. INCOME TAXES

The Company is not subject to income taxes. The member reports its distributive share of realized income or loss on its own tax return. However, the Company does file tax returns in which it recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes.* Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. The Company is no longer subject to federal or state local tax examinations by authorities for years before 2009.

SPEEDROUTE, LLC NOTES TO FINANCIAL STATEMENT DECEMBER 31, 2012 (continued)

NOTE 7. COMMITMENTS AND CONTINGENT LIABILITIES

The Company had no lease or equipment rental commitments, no underwriting commitments, no contingent liabilities, and had not been named as defendant in any lawsuit at December 31, 2012 or during the year then ended.

NOTE 8. GUARANTEES

FASB ASC 460, *Guarantees*, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability, or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement, as well as indirect guarantees of the indebtedness of others.

The Company has issued no guarantees effective at December 31, 2012 or during the year then ended.

NOTE 9. SUBSEQUENT EVENTS

Subsequent events have been evaluated and no events have been identified which require disclosure.
