INDEPENDENT AUDITOR’S REPORT

Board of Directors
Waterford Capital, Inc.

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Waterford Capital, Inc. as of November 30, 2013 and the related statements of income, changes in stockholders’ equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Waterford Capital, Inc. as of November 30, 2013, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.
Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I and II has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I and II is fairly stated in all material respects in relation to the financial statements as a whole.

Interest -0-

Income taxes $ 996

The accompanying notes are an integral part of these financial statements.
Note 1 - **Summary of Significant Accounting Policies**

Waterford Capital, Inc. (the "Company") is a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company operates under ("SEC") Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. The Company is a Texas corporation, and its customers are located throughout the United States.

Security transactions (and related commission revenue and expense) are recorded on a settlement date basis, generally the third business day following the transactions. If materially different, commission income and related expenses are recorded on a trade date basis.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

Receivables from broker/dealers and clearing organizations are generally collected in full in the month following their accrual. As such, management has not recorded an allowance for doubtful accounts on these receivables. The Company advances funds to its registered representatives as determined necessary by management. The advances are generally recouped upon the following commission payment cycle. Management records an allowance for bad debts based on a collectability review of specific accounts. Any receivables deemed uncollectible are written off against the allowance.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due. The provision for federal income taxes differs from the expected amount using statutory rates because certain expenses included in the determination of net income are non-deductible for tax reporting purposes.

Any potential interest and penalty associated with a tax contingency, should one arise, would be included as a component of income tax expense in the period in which the assessment arises.

The Company's federal and state income tax returns are subject to examination over various statutes of limitations generally ranging from three to five years.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At November 30, 2013, the Company had net capital of approximately $527,790 and net capital requirements of $5,000. The Company's ratio of aggregate indebtedness to net capital was .20 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Note 3 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEC Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 4 - Commitments and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade.

At November 30, 2013, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.
Supplemental Information

Pursuant to Rule 17a-5 of the

Securities Exchange Act of 1934

as of

November 30, 2013
Schedule I

WATERFORD CAPITAL, INC.
Computation of Net Capital Under Rule 15c3-1
of the Securities and Exchange Commission
As of November 30, 2013

Items included in statement of financial condition:
   Accounts payable and accrued expenses $6,944
   Federal income taxes payable 3,769
Total aggregate indebtedness $10,713
WATERFORD CAPITAL, INC.
Computation of Net Capital Under Rule 15c3-1
of the Securities and Exchange Commission
As of November 30, 2013

COMPUTATION OF BASIC NET CAPITAL REQUIREMENT

Minimum net capital required (6 2/3% of total aggregate indebtedness) $ 714

Minimum dollar net capital requirement of reporting broker or dealer $ 5,000

Net capital requirement (greater of above two minimum requirement amounts) $ 5,000

Net capital in excess of required minimum $ 47,790

Excess net capital at 1000% $ 51,718

Ratio: Aggregate indebtedness to net capital 20 to 1

RECONCILIATION WITH COMPANY’S COMPUTATION

The difference in the computation of net capital under Rule 15c3-1 from the Company’s computation is as follows:

Net capital per unaudited FOCUS II $ 55,699

Decrease in prepaid federal income taxes 690
Decrease in communications expense 230
Increase in federal income tax expense (3,829)

Net capital per audited report $ 52,790
EXEMPTIVE PROVISIONS

The Company has claimed an exemption from Rule 15c3-3 under section (k)(2)(ii), in which all customer transactions are cleared through another broker-dealer on a fully disclosed basis.

Company's clearing firm: Southwest Securities, Inc.
Independent Auditor's Report

On Internal Control

Required By SEC Rule 17a-5

Year Ended November 30, 2013
INDEPENDENT AUDITOR’S REPORT ON INTERNAL
CONTROL REQUIRED BY SEC RULE 17a-5

The Board of Directors
Waterford Capital, Inc.

In planning and performing our audit of the financial statements and supplemental information of Waterford Capital, Inc. (the “Company”), as of and for the year ended November 30, 2013 in accordance with auditing standards generally accepted in the United States of America, we considered the Company’s internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (“SEC”), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13;

2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC’s above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management’s authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.
A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at November 30, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Dallas, Texas
January 6, 2014

CF & Co., L.L.P.
Independent Accountant’s Report

On The SIPC Annual Assessment

Required By SEC Rule 17a-5

Year Ended November 30, 2013
INDEPENDENT ACCOUNTANT’S REPORT ON THE SIPC ANNUAL ASSESSMENT REQUIRED BY SEC RULE 17a-5

To the Board of Directors of Waterford Capital, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form “SIPC-7”) to the Securities Investor Protection Corporation (“SIPC”) for the year ended November 30, 2013, which were agreed to by Waterford Capital, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating Waterford Capital Inc.’s compliance with the applicable instructions of the Form SIPC-7. Management is responsible for Waterford Capital, Inc.’s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements records entries (cash disbursements journal) noting no differences;

2. Compared the amounts reported on the audited Form X-17A-5 for the year ended November 30, 2013 with the amounts reported in Form SIPC-7 for the year ended November 30, 2013 noting no differences;

3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences; and

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
