Independent Auditors' Report

**To The Board of Directors
Park City Capital, Inc.**

Report on the Financial Statements

We have audited the accompanying financial statements of Park City Capital, Inc., which comprise the statement of financial condition as of December 31, 2013, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of

significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Park City Capital, Inc. as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I and II has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I and II is fairly stated in all material respects in relation to the financial statements as a whole.

PARK CITY CAPITAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Organization

Park City Capital, Inc. was incorporated in the State of Delaware on February 8, 1985 for the purpose of acting as a securities broker-dealer. The Company is registered with the U.S. Securities and Exchange Commission ("SEC"), the Financial Industry Regulatory Authority ("FINRA") and is a member of the Securities Investor Protection Corporation ("SIPC"). Its' primary business is the sale of redeemable shares of registered investment companies, insurance annuity contracts to public customers and private placement agent fees.

Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounting for Uncertainty in Income Taxes

Effective January 1, 2009, the Company adopted the provision of FASB Accounting Standards Codification 740-10 (formerly FIN 48) "Accounting for Uncertainty in Income Taxes" ("ASC 740-10"). ASC 740-10 Clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements by prescribing a recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on derecognition, classification, interest and penalties accounting for interim periods, disclosure and transition. It is the Company's policy to record interest and penalties related to uncertain income tax

PARK CITY CAPITAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

positions, if any, as a component of income tax expense. Prior to adopting ASC 740-10, the company used the guidance in ASC 450 (formerly SFAS No. 5 "Accounting for Contingencies"). The adoption of ASC 740-10 had no effect on the financial statements of the Company.

As of December 31, 2013, the Company had no uncertain tax positions that would require recognition or disclosure in the financial statements. The Company files U.S. and Pennsylvania income tax returns. Returns for the years ended December 31, 2010 to 2012 remain open for audit.

NOTE 2 - INCOME TAXES

Deferred income tax assets and liabilities are determined using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is determined based on the tax effects of the difference between the book and tax basis of the various balance sheet assets and liabilities and gives current recognition to changes in tax rates and laws. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion of the deferred tax assets will not be realized.

At December 31, 2013, the Company had net operating loss carryovers for federal income tax purposes of approximately \$65,417.

The provision for deferred federal and state income benefit for the year ended December 31, 2013 consisted of the following:

Federal	\$ 138
State	<u>154</u>
	<u>\$ 292</u>

Net deferred tax assets consist of the following components as of December 31, 2013:

Deferred tax assets:	
Loss carry forward	<u>\$ 18,934</u>

PARK CITY CAPITAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of the greater of \$5,000 or 6 2/3% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2013, the Company had net capital of \$7,362, which was \$2,362 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 5.26 to 1 as of December 31, 2013.

NOTE 4 - CAPITAL STOCK

On February 28, 1993, the Company adopted and filed an amendment to the Certificate of Incorporation authorizing 100,000 shares of capital stock with a par value of one cent (\$.01) per share. Since that date, no other changes have occurred.

SUPPLEMENTARY INFORMATION

SCHEDULE I

PARK CITY CAPITAL, INC. COMPUTATION OF NET CAPITAL UNDER RULE 15c3-1 OF THE SECURITIES AND EXCHANGE COMMISSION AS OF DECEMBER 31, 2013

Total stockholder's equity from Statement of financial condition	\$ 58,648
Deduct non-allowable assets:	
Receivables	25,608
Prepaid expenses	6,744
Deferred income taxes	<u>18,934</u>
Total Deductions	<u>51,286</u>
Net capital	<u>\$ 7,362</u>
Minimum net capital required per 15c3-1 (a)(2)	<u>\$ 5,000</u>
Excess net capital at 1500%	<u>2,362</u>
Excess net capital at 1000%	<u>1,362</u>
Aggregate indebtedness from statement of financial condition, net of A-1c liabilities	<u>\$ 38,754</u>
Ratio of aggregate indebtedness to net capital	<u>526 %</u>

Note: There are no material differences between the preceding computation and the Company's corresponding unaudited part II of Form X-17A-5 as of December 31, 2013.

SCHEDULE II

PARK CITY CAPITAL, INC. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION DECEMBER 31, 2013

The Company claims an exemption from Rule 15c3-3 of the Securities and Exchange Commission based on Section 15c3-3(k)(2)(i) who carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the Company and its customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers of Park City Capital, Inc."

Report on Internal Accounting Control Required by SEC Rule 17a-5

The Board of Directors **Park City Capital, Inc.**

In planning and performing our audit of the financial statements of Park City Capital, Inc. (the "Company") as of and for the year ended December 31, 2013 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of the Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are

required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

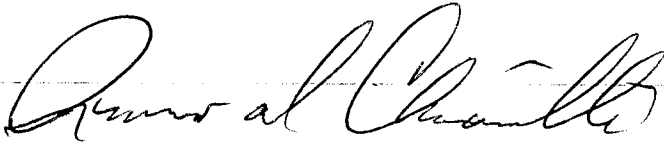

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to read "Romeo & Chiaverelli". The signature is fluid and cursive, with a large initial 'R' and 'C'.
