INDEPENDENT AUDITOR'S REPORT

To the Stockholder
Portfolio Advisors Alliance, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Portfolio Advisors Alliance, Inc. which comprise the statement of financial condition as of December 31, 2013 and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements that are to be filed pursuant to Rule 17a-5 of the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Portfolio Advisors Alliance, Inc. as of December 31, 2013 and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

PORTFOLIO ADVISORS ALLIANCE, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2013

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Description of Business: The Company is a registered broker dealer organized under the laws of the state of California. The Company is registered with the Securities and Exchange Commission, the Financial Industry Regulatory Authority and the securities commissions of appropriate states.

The Company's business is retail brokerage of marketable securities and private placements for customers located throughout the United States. The Company operates from offices located in New York, New York.

Cash and Cash Equivalents: The Company considers all cash and money market instruments with a maturity of ninety days or less to be cash and cash equivalents.

Property and Equipment: Property and equipment are recorded at cost. Depreciation is provided by use of straight-line methods over the estimated useful lives of the respective assets.

Income Taxes: The Company computes its income taxes under FASB Accounting Standards Codification 740. Under FASB Accounting Standards Codification 740, the difference between the financial statement and tax basis of assets and liabilities is computed annually. Deferred income tax assets and liabilities are computed for those differences that have tax consequences using the currently enacted tax laws and rates that apply to the periods in which they are expected to affect taxable income. Valuation allowances are established, if necessary, to reduce deferred tax asset accounts that will more likely than not be unrealized. Income tax expense is the current tax payable or refundable for the period, plus or minus the net change in the deferred tax asset and liability accounts.

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under FASB ASC 740-10 the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status and the decision not to file a return. The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions for which a provision or liability for income taxes is necessary.

The Company, which files income tax returns in the U.S. federal jurisdiction and various state jurisdictions, is no longer subject to U.S. federal income tax examination by tax authorities for years before 2010.

PORTFOLIO ADVISORS ALLIANCE, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2013

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates: Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Securities Transactions: Customer's securities transactions are reported on a settlement date basis. There is no significant difference between settlement and trade date.

Date of Management's Review: Subsequent events were evaluated through February 27, 2014, which is the date the financial statements were available to be issued.

NOTE B – NET CAPITAL

The Company, as a registered broker dealer, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2013, the Company had net capital of \$15,203, which was \$13,781 below its required net capital of \$28,984 and its ratio of aggregate indebtedness to net capital was 28.6 to 1.0.

NOTE C – OFF BALANCE SHEET RISK

In the normal course of business, the Company's customers execute securities transactions through the Company. These activities may expose the Company to off balance sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss.

NOTE D – DEPOSITS AT CLEARING ORGANIZATION

The Company clears all of its proprietary and customer transaction through other broker-dealers on a fully disclosed basis. The fully disclosed correspondent/clearing agreement requires a deposit with the clearing firms. Provided that the Company is not in default of its obligations or liabilities to the clearing firms, the clearing firms will return the security deposits following termination of the fully disclosed correspondent/clearing agreement.

PORTFOLIO ADVISORS ALLIANCE, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2013

NOTE E – INCOME TAXES

The provision for income taxes is summarized as follows:

Current income tax expense	\$ 5,500
Deferred income tax expense (benefit)	<u>-</u>
Income tax expense	<u>\$ 5,500</u>

Current income tax expense differs from the expected amount based on statutory rates due to realization of \$81,000 of net operating loss carryforward.

Deferred taxes are insignificant at December 31, 2013.

As of December 31, 2013, the Company has net operating loss carryforward for federal income tax purposes that may be used to offset future taxable income of approximately \$60,000. The federal loss carryforward realization is limited to approximately \$3,000 each year.

NOTE F – CONTINGENCIES

The Company is subject to litigation in the ordinary course of business. At December 31, 2012, the Company had one customer arbitration matter and one regulatory/disciplinary action in progress. These matters were settled during 2013 for \$75,000.

At December 31, 2013 a customer has brought a claim for losses, punitive damages, and attorney fees for approximately \$367,000. Management believes that this matter lacks merit and nothing has been expensed or accrued for this matter.

At December 2012, a regulator had commenced disciplinary action against two registered reps and the owner of the Company for alleged selling-away and the regulator is seeking complete restitution of approximately \$1,200,000, plus accumulated interest. This matter has not been settled at December 31, 2013 but does not appear to directly involve the Company.

NOTE G – LEASE

The Company has a facilities lease that expires January 2014. Lease expense for 2013 was approximately \$25,000. At December 31, 2013, future minimum lease payments are as follows:

2014	<u>\$ 2,100</u>

INDEPENDENT AUDITOR'S REPORT ON INTERNAL ACCOUNTING CONTROL REQUIRED BY RULE 17a-5

To the Stockholder
Portfolio Advisors Alliance, Inc.

In planning and performing our audit of the financial statements of Portfolio Advisors Alliance, Inc., for the year ended December 31, 2013, we considered its internal control structure, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including test of compliance with such practices and procedures) followed by Portfolio Advisors Alliance, Inc., that we considered relevant to the objective stated in Rule 17a-5(g). We also made a study of the practices and procedures followed by the Company in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedure for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company related to the following: (1) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13; (2) in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System; and (3) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Material weakness:

The Company did not have adequate controls in place to accurately reflect the accrual for the estimated cost to settle arbitrations and litigation in progress. The adjustment needed to adjust the accrual to a reasonable amount resulted in an audit adjustment at December 31, 2013.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were not adequate at December 31, 2013 to meet the Commission's objectives.

This report recognizes that it is not practicable in an organization the size of the Company to achieve all the divisions of duties and cross-checks generally included in a system of internal accounting control, and that alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the use of management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and should not be used for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Stockholders of Portfolio Advisors Alliance, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Portfolio Advisors Alliance, Inc., and the Securities and Exchange Commission, Financial Industry Regulatory Authority and SIPC, solely to assist you and the other specified parties in evaluating Portfolio Advisors Alliance, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Portfolio Advisors Alliance, Inc.'s management is responsible for Portfolio Advisors Alliance, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2013 with the amounts reported in Form SIPC-7 for the year ended December 31, 2013, noting no differences;
3. Compared adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences;

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
