INDEPENDENT AUDITORS' REPORT

Board of Directors
Mountain River Securities, Inc.
Denver, Colorado

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Mountain River Securities, Inc., formerly UW Investment Services, Inc. (the "Company"), a wholly owned subsidiary of Mountain River Holdings, Inc., which are comprised of the statements of financial condition as of December 31, 2013 and 2012, and the related statements of operations, changes in stockholder's equity, and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mountain River Securities, Inc. as of December 31, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

OTHER MATTER

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I and II has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I and II is fairly stated, in all material respects, in relation to the financial statements as a whole.

MOUNTAIN RIVER SECURITIES, INC.
(A Wholly Owned Subsidiary of Mountain River Holdings, Inc.)
Notes to Financial Statements

NOTE 1 - ORGANIZATION

Mountain River Securities, Inc., formerly UW Investment Services, Inc. (the "Company"), is a broker-dealer registered with the SEC and the Financial Industry Regulatory Authority ("FINRA"). On May 24, 2011, Mountain River Holdings, Inc. ("Parent" or "Holdings") entered into a Stock Purchase Agreement with Matrix Bancorp Trading, Inc. ("Matrix"), a subsidiary of United Western Bancorp, Inc. ("United"), to purchase all the issued and outstanding shares of stock of the Company for cash. On October 17, 2011, the purchase was approved by FINRA and the transaction was completed on November 10, 2011.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities Exchange Act of 1934 and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records that are customarily kept by a clearing broker-dealer.

As of December 31, 2013 and 2012, the Company was not engaged in any businesses that require a clearing broker-dealer; however, before such time that it needs a clearing broker-dealer, it intends to engage such broker-dealer who will ultimately be responsible for payment of securities purchased and delivery of the securities sold by its customers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Cash and Cash Equivalents: The Company considers all unpledged temporary cash investments with a maturity at date of purchase of three months or less to be cash equivalents. During the years ended December 31, 2013 and 2012, no cash was paid for interest and there were no cash equivalents.

Concentrations of Credit Risk: The Company continually monitors its position with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date and throughout the year, the Company had no balances in excess of federally insured limits.

The Company grants credit in the normal course of business to its customers. The Company assesses the financial condition of its customers to reduce credit risk.

Fair Value: The carrying amounts of financial instruments, including cash, accounts receivable, and accounts payable, approximated fair value as of December 31, 2013 and 2012 because of the relatively short maturities of these instruments.

Revenue Recognition: Revenues from the sale of investment company shares, which represent fees from sales of mutual funds directed by clients, and securities and loan commissions revenues and expenses are recorded on a trade-date basis as securities transactions are executed.

Income Taxes: Until the purchase of the Company by the Parent on November 10, 2011, the Company's results of operations were included in the consolidated federal and state income tax returns of United. Subsequent to November 10, 2011, the Company's results of operations are included in federal and state income tax returns at the Company level.

A tax position is recognized as a benefit only if it is more likely than not that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit is recorded. This policy had no effect on the Company's financial statements.

The Company's federal and state income tax returns for tax years 2010 and 2009, respectively, and prior are no longer subject to examination under respective statutes of limitations.

If incurred, the Company recognizes interest and/or penalties related to income tax matters in income tax expense.

Accounting Estimates and Assumptions: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events: The Company has evaluated all subsequent events through the independent auditors' report date, which is the date the financial statements were available for issuance. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3 - FINANCIAL INSTRUMENTS WITH OFF-BALANCE-SHEET RISK AND CONCENTRATION OF CREDIT RISK

Securities transactions are introduced to and cleared through a clearing broker. At December 31, 2013 and 2012, the Company had terminated its agreement with its clearing broker and had not engaged a replacement clearing broker. The Company did not conduct any securities business during 2013 or 2012; however, it anticipates that future securities transactions will be introduced to and cleared through a clearing broker. Under the terms of its expected clearing agreement, the Company will be required to guarantee the performance in meeting contracted obligations. In conjunction with the clearing broker, the Company seeks to control the risks of activities and is required to maintain collateral in compliance with various regulatory and internal guidelines. Compliance with the various guidelines is monitored daily, and, pursuant to such guidelines, the Company may be required to maintain a deposit with the clearing broker and may be required to deposit additional collateral or reduce positions when necessary.

NOTE 4 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15-to-1. At December 31, 2013, the Company had net capital of \$43,712, which was \$38,712 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital ratio was 0.19-to-1 at December 31, 2013. SEC Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10-to-1.

NOTE 5 - STOCKHOLDER'S EQUITY

On November 10, 2011, Matrix sold 100% of its ownership of Common Stock of the Company to Holdings, which renamed the Company Mountain River Securities, Inc. In accordance with the stock sale agreement, \$7,000 was to remain in the Company and the remaining cash was to be distributed to the seller. The net amount distributed to United totaled \$442,488 and was paid according to the terms of the agreement. Holdings contributed \$43,000 in cash to the Company and caused \$7,500 of the Company's accrued liabilities to be paid on behalf of the Company, as stated in the stock sale agreement, for a total capital contribution of \$50,500 as of the date of the sale.

NOTE 6 - SECURITIES AND LOAN COMMISSIONS REVENUE

During 2013, the Company received notice that it would no longer be retained to service the Originator Fees (Interest-Only Strips) for SBA Loans that it had been servicing for many years. These service fees have been recorded as securities and loan commissions in the Company's financial statements and it will not receive these revenues in the future.

NOTE 7 - RELATED PARTY TRANSACTIONS

During 2013 and 2012, Holdings did not provide any services to the Company and the Company expects that all future services and expenses will be paid directly to third-party vendors and will not be shared with its parent.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

Operating Leases: The Company's office space requirements are minimal, and therefore, there is no current lease.

Litigation: The Company is from time to time party to various litigation matters, in most cases involving ordinary and routine claims incidental to its business. The Company accrues liabilities when it is probable that the future costs will be incurred and such costs can be reasonably estimated. Such accruals are based upon developments to date, the Company's estimates of the outcome of these matters, and its experience in contesting, litigating, and settling other matters.

NOTE 9 - INCOME TAXES

The Company recognizes deferred tax liabilities and assets for the expected future tax consequences of events that have been included in the financial statements or tax returns. Deferred tax liabilities and assets are determined based on the differences between the financial statement and tax basis of assets and liabilities using the enacted tax rates in effect for the year in which the differences are expected to reverse. The measurement of deferred tax assets is reduced, if necessary, by the amount of any tax benefits that are not expected to be realized based on available evidence. The Company expects future taxable income and, therefore, believes it will recognize future benefits related to its deferred tax asset. The Company's temporary differences result entirely from accrued audit fees and result in a deferred tax asset of \$3,057 and \$3,335 as of December 31, 2013 and 2012, respectively.

The Company utilized approximately \$4,500 in net operating loss carryforwards during 2012.

The information on this schedule is in agreement, in all material respects, with that reported by the Company on the unaudited FOCUS Report, Part II, as of December 31, 2013.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17a-5**

Board of Directors
Mountain River Securities, Inc.
Denver, Colorado

In planning and performing our audit of the financial statements of Mountain River Securities, Inc. (the "Company") as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the SEC, we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Board of Directors
Mountain River Securities, Inc.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs of this report and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives, in all material respects, indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013 and 2012 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITORS' REPORT ON THE SIPC ANNUAL
ASSESSMENT REQUIRED BY SEC RULE 17a-5**

Board of Directors
Mountain River Securities, Inc.
Denver, Colorado

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2013, which were agreed to by Mountain River Securities, Inc. (the "Company") and the SEC, Financial Industry Regulatory Authority, and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the AICPA. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2013, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences, if applicable.

Board of Directors
Mountain River Securities, Inc.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
