Independent Auditor's Report

Board of Directors and Stockholders
Sauer, Dazey Investment Company

Report on the Consolidated Financial Statements

We have audited the accompanying financial statements of Sauer, Dazey Investment Company which comprise the statement of financial condition as of March 31, 2014 and the related statement of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sauer, Dazey Investment Company as of March 31, 2014 and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Sauer, Dazey Investment Company
Notes to the Financial Statements
For the Fiscal Year Ended March 31, 2014

I. Summary of Significant Accounting Policies

Basis of Presentation – Sauer, Dazey Investment Company (the Company) is a wholly owned subsidiary of Orion Investment Company (Orion), which is a registered investment adviser. The Company is a registered securities broker/dealer and is a member of the Financial Industry Regulatory Authority. The Company clears all customer transactions through another broker/dealer on a fully disclosed basis. The Company does not hold funds or securities for, or owe money or securities to, customers and does not otherwise carry customer accounts. Accordingly, the Company is exempt from Securities and Exchange Commission Rule 15c3-3.

Revenue Recognition – Commission revenues and expenses related to security transactions, which are cleared through another broker/dealer, are recorded on a settlement date basis. Reporting such transactions on a trade date basis would not result in any material differences to the financial statements.

Income Taxes – The Company and Orion Investment Company file consolidated federal and Missouri income tax returns. No provision for income taxes was required for the consolidated income tax returns for the fiscal year ended March 31, 2014. If the Company had filed its own separate income tax returns, the income tax liability would be approximately \$5,230.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

I. Concentration of Credit Risk

Sauer, Dazey Investment Company is located in Saint Louis, Missouri. Most of its clients are individuals who reside in the Saint Louis metropolitan area.

The Company maintains an account with Bank of America and two money market accounts with RBC Correspondent Services (RBC), a securities broker/dealer. Bank of America provides \$250,000 of deposit insurance through the Federal Depositors Insurance Corporation. RBC provides \$100,000 of coverage through the Securities Investor Protection Corporation. RBC has also purchased additional coverage for the entire net asset value of each account. There were no amounts in excess of insured limits at either account on March 31, 2014.

II. Net Capital Requirements

Sauer, Dazey Investment Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule, which requires the maintenance of minimum net capital of \$50,000 and that the ratio of aggregate indebtedness to net capital, both as

Sauer, Dazey Investment Company
Notes to the Financial Statements
For the Fiscal Year Ended March 31, 2014

defined, not exceed 10 to 1. The rule also provides that equity capital may not be withdrawn, or cash dividends paid, if the Company's resulting net capital is less than \$50,000, or its ratio of aggregate indebtedness to net capital exceeds 10 to 1. The Company's net capital and the required minimum net capital were \$222,166 and \$50,000 respectively at March 31, 2014, resulting in net capital of \$172,166 in excess of the minimum requirement.

III. Related Party Transactions

The Company entered into an agreement regarding the allocation of operating expenses with Orion, whereby payments are made to Orion on a monthly basis to compensate for salaries of officers and employees, occupancy, and equipment expenses. Operating expenses were \$53,512 for the fiscal year ended March 31, 2014.

**Additional Information Pursuant to
SEC Rule 17a-5**

Hauk Kruse & Associates LLC | Certified Public Accountants

***Independent Auditor's Report on Internal Accounting Control Required by SEC
Rule 17a-5(g)(1)***

Board of Directors
Sauer, Dazey Investment Company

In planning and performing our audit of the financial statements of Sauer, Dazey Investment Company (the Company) as of and for the year ended March 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from

unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

***Independent Auditor's Report on Applying Agreed-Upon Procedures Related to
an Entity's SIPC Assessment Reconciliation***

Board of Directors
Sauer, Dazey Investment Company
Saint Louis, Missouri

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation (SIPC) for the year ended March 31, 2014, which were agreed to by Sauer, Dazey Investment Company (the Company) and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Sauer, Dazey Investment Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Sauer, Dazey Investment Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended March 31, 2014 as applicable, with the amounts reported in Form SIPC-7 for the year ended March 31, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
