INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholder of
Bailard Fund Services, Inc.
(a wholly owned subsidiary of Bailard, Inc.)

Report on the Financial Statements

We have audited the accompanying financial statements of Bailard Fund Services, Inc. which comprise the statement of financial condition as of March 31, 2014, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bailard Fund Services, Inc. as of March 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedules I, II, III, and IV is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I, II, III, and IV has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I, II, III, and IV is fairly stated in all material respects in relation to the financial statements as a whole.

BAILARD FUND SERVICES, INC.
(A Wholly Owned Subsidiary of Bailard, Inc.)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2014

1. ORGANIZATION

Bailard Fund Services, Inc. (the “Company”) was incorporated on September 4, 1987 and is a wholly owned subsidiary of Bailard, Inc. (the “Parent”). The Parent is a wholly owned subsidiary of BB&K Holdings, Inc. (“BB&K Holdings”). The Company is organized for the principal purpose of engaging in broker/dealer activities to facilitate the distribution of capital shares of the investment funds sponsored by the Parent. The Company is registered as a broker/dealer with the Securities and Exchange Commission, FINRA, and various states. The Company has a distribution agreement with the Parent to distribute the investment funds sponsored by the Parent. The Company does not handle or maintain securities in its physical possession nor does it maintain customer accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates—The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Cash—The Company maintains its cash in a money market fund. The Company has not experienced any losses in such account.

Revenue Recognition—Placement fees arise from the sale of limited liability company interests in certain investment products managed by the Parent and are recognized upon closing of the sale. During the year ended March 31, 2014, the Company did not earn any placement fees.

Income Taxes—The Company recognizes deferred tax assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of assets and liabilities and their respective tax bases. Income tax benefit consists of current and deferred amounts. Deferred tax expenses or benefits arise from recognition of income and expenses in different years in the financial statements and tax returns. The Company is included in the consolidated U.S. federal and the combined states of California and Massachusetts income tax returns of BB&K Holdings. The Company’s income tax benefit is computed on a separate-company basis using the tax rate of the consolidated filing entity.

Management evaluates the recognition and measurement of any uncertain tax positions taken on the Company’s income tax returns in the current year as well as in all past years that are still open to examination by tax authorities. Based on its analysis, management believes that there are no material uncertain tax positions taken in the current year and in all prior years open to examination. With few exceptions, the Company is no longer subject to U.S. federal or state income tax examinations by tax authorities for fiscal tax years ending before April 1, 2009.

3. INDEMNIFICATION

The Company enters into contracts that contain a variety of indemnifications for which the maximum exposure is unknown. The Company has no current claims or losses pursuant to such contracts.

4. RELATED PARTY TRANSACTIONS AND CONSIDERATIONS

The Parent provides various business services and advances certain operating expenditures on the Company's behalf, including use of office space and managerial time and payment of registration fees and subscriptions, pursuant to a service agreement effective February 21, 2012, under which the Company reimburses the Parent for such expenditures. The financial statements are not indicative of the conditions that would have existed or the results of operations if the Company had been operated as an entity unaffiliated with the Parent.

The Company has a history of net losses and is not expected to be profitable in the foreseeable future. The Parent intends to continue to support the Company's operations. Accordingly, the accompanying financial statements have been prepared assuming the Company will continue as a going concern.

The amount reported as due to Bailard, Inc. – net in the accompanying statement of financial condition consists of amounts owed to the Parent as reimbursement for operating expenditures and is net of an amount receivable from the Parent in connection with an income tax benefit (see Note 5).

5. INCOME TAXES

The income tax benefit consists of the following:

Current:	
Federal	\$ (56,622)
State	<u>(16,072)</u>
Total current	<u>(72,694)</u>
Deferred:	
Federal	(224)
State	<u>(64)</u>
Total deferred	<u>(288)</u>
Total income tax benefit	<u>\$ (72,982)</u>

The Company's income tax benefit for the year ended March 31, 2014 differs from the amount of income tax determined by applying the applicable U.S. statutory federal income tax rate of 34%, primarily due to state taxes of 8.84%.

During the year ended March 31, 2014, the Company recorded a \$72,982 current income tax benefit and a corresponding amount receivable from its Parent, which is shown net of the amount payable to its Parent on the accompanying statement of financial condition.

6. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At March 31, 2014, the Company had net capital of \$60,910, which was \$54,190 in excess of its required net capital of \$6,720. The Company's ratio of aggregate indebtedness to net capital was 1.65 to 1.

* * * * *

BAILARD FUND SERVICES, INC.
(A Wholly Owned Subsidiary of Bailard, Inc.)

**COMPUTATION OF NET CAPITAL FOR
BROKERS AND DEALERS PURSUANT TO RULE 15c3-1 UNDER THE
SECURITIES EXCHANGE ACT OF 1934
MARCH 31, 2014**

COMPUTATION OF NET CAPITAL:	
Stockholder's equity (from statement of financial condition)	\$ 88,125
Nonallowable assets—prepaid expenses	<u>(23,915)</u>
Net capital before haircut on securities positions	64,210
Haircuts on Securities - Money Market Funds	<u>(3,300)</u>
NET CAPITAL	<u>\$ 60,910</u>
AGGREGATE INDEBTEDNESS—Total liabilities (from statement of financial condition)	
	<u>\$ 100,804</u>
COMPUTATION OF NET CAPITAL REQUIREMENT:	
Net capital requirement (6-2/3% of aggregate indebtedness)	(A) <u>6,720</u>
Minimum dollar net capital requirement	(B) <u>\$ 5,000</u>
Net capital requirement (greater of (A) or (B))	<u>\$ 6,720</u>
Excess net capital (net capital, less net capital requirement)	<u>\$ 54,190</u>
Net capital less 10% of aggregate indebtedness	<u>\$ 50,830</u>
Ratio: Aggregate indebtedness to net capital	<u>1.65 to 1</u>

No material differences exist between the above information and the computation included in the Company's unaudited FOCUS Report filing, as filed on April 15, 2014, as of March 31, 2014.

BAILARD FUND SERVICES, INC.
(A Wholly Owned Subsidiary of Bailard, Inc.)

**COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS
FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3 OF THE
SECURITIES EXCHANGE ACT OF 1934
MARCH 31, 2014**

The Company claims exemption from Rule 15c3-3 under subparagraph (k)(2)(i).

The Company has complied with the exemptive provisions of SEC Rule 15c3-3.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1)

To the Board of Directors of
Bailard Fund Services, Inc.

In planning and performing our audit of the financial statements of Bailard Fund Services, Inc. (the "Company"), as of and for the year ended March 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2014, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
