Independent Auditor's Report

Board of Directors
DT Securities, LTD.

We have audited the accompanying financial statements of DT Securities, LTD. which comprise the statements of financial condition as of December 31, 2013, and the related statements of income, changes in stockholder's equity, liabilities subordinated to claims of general creditors, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of DT Securities, LTD. as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements as a whole. The information contained in Schedules I, II, and III is required by Rule 17a-5 under the Securities Exchange Act of 1934 and is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DT SECURITIES, LTD.

Notes to Financial Statements

1. THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES

The Company. DT Securities, LTD. (the "Company") is a registered broker-dealer licensed by the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation. The Company is a California corporation.

Accounting Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Revenue Recognition. Investment banking revenues include gains, losses, and fees, net of syndicate expenses, arising from securities offerings in which the Company acts as underwriter or agent. Investment banking revenues also include fees earned from providing merger-and-acquisition and financial restructuring advisory services. Investment banking management fees are recorded on offering date, sales concessions on settlement date, and underwriting fees at the time the underwriting is completed and the income is reasonably determinable.

Income Taxes. The Company has elected S corporation status under the state and federal tax laws. Accordingly, income or losses pass through to the Company's stockholder, and no provision for federal income taxes has been reflected in the accompanying financial statements. State income taxes have been provided at the reduced rate applicable to S corporations.

Concentration of Credit Risk. The company maintains cash balances with various financial institutions. Management performs periodic evaluations of the relative credit standing of these institutions. The Company has not sustained any material credit losses from these instruments.

Financial Instruments. The carrying values reflected in the statement of financial condition at December 31, 2013 reasonably approximate the fair values for financial instruments. In making such assessment, the Company has utilized discounted cash flow analyses, estimates, and quoted market prices as appropriate. No allowance for potential credit losses was considered necessary at December 31, 2013.

2. RELATED PARTY TRANSACTIONS

During 2013, substantially all commission expenses were paid to the Company's sole stockholder. The stockholder exercises discretion over the amount of commission expense paid relative to commission revenue earned. In addition, the owner may elect to forego the payment of commission expense if such payment would result in a deficiency of net capital.

DT SECURITIES, LTD.

Notes to Financial Statements

The Company has an expense sharing agreement with DT Group, an affiliated company. Under this agreement, DT Group shall pay certain operating and overhead expenses of the Company.

3. NET CAPITAL REQUIREMENTS

Under Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital (as defined) and a ratio of aggregate indebtedness to net capital (as defined) not exceeding 15 to 1.

The Company's ratio at December 31, 2013 was 0.05 to 1. The basic concept of the Rule is liquidity, its object being to require a broker-dealer in securities to have at all times sufficient liquid assets to cover its current indebtedness. At December 31, 2013, the Company had net capital of \$13,910 was \$8,910 in excess of the amount required by the SEC.

4. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO THE POSSESSION AND CONTROL REQUIREMENTS UNDER RULE 15c3-3

The Company relies on Section K(2)(i) of the Securities Exchange Rule 15c3-3 to exempt them from the provisions of these rules.

DT SECURITIES, LTD.

**Schedule I
Computation of Net Capital
Pursuant to SEC Rule 15c3-1**

December 31, 2013

Total stockholder's equity	\$16,980
Less non-allowable assets	<u>3,070</u>
Net capital	<u>\$13,910</u>
Total aggregate indebtedness	<u>\$ 650</u>
Ratio of aggregate indebtedness to net capital	<u>0.05</u>
Minimum net capital required	<u>\$5,000</u>

Note: There are no differences between the net capital reported above and the net capital reported on Form FOCUS X-17A-5 Part IIA at December 31, 2013.

DT SECURITIES, LTD.

**Schedule II
Computation for Determination of Reserve Requirements
Pursuant to Rule 15c3-3**

December 31, 2013

The Company is exempt from Rule 15c3-3 under the exemptive provisions of section (k)(2)(i) and, accordingly, has no reserve requirements. Consequently, a reserve requirement was not calculated in Part II of Form X-17A-5 of this Company's FOCUS report as of December 31, 2013; and a reconciliation to that calculation is not included herein.

DT SECURITIES, LTD.

**Schedule III
Information Relating to the Possession or Control Requirements
Pursuant to Rule 15c3-3**

December 31, 2013

The Company is exempt from Rule 15c3-3 under the exemptive provisions of section (k)(2)(i) and, accordingly, has no possession or control requirements.

Independent Auditor's Report On Internal Control
Required by SEC Rule 17a-5(g)(1)

Board of Directors
DT Securities, LTD.

In planning and performing our audit of the financial statements and supplementary schedules of DT Securities, LTD. (the "Company") as of for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be a material weaknesses, as defined previously.

We understand that the practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
