Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Mutual Securities, Inc. of California dba Mutual Securities, Inc. (the "Company") was incorporated in the State of California on February 4, 1982 under the name Brokers Office Management-Encino, Inc and subsequently changed its name to Mutual Securities, Inc. of California on November 9, 1998. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer which provides several classes of services. The majority of its income is earned from agency commissions and equity transactions. Services offered include the sale of corporate debt, equity securities, options, U.S. government and municipal securities to institutional and retail customers. Services also include the sale of variable life insurance policies and annuities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

In 2013, all of the investment adviser representatives and their advisory client accounts were transferred from the Company to Mutual Advisors, LLC. ("Mutual Advisors"). Mutual Advisors is affiliated with the Company through common control. The Company withdrew its registration as a registered investment adviser effective September 2, 2013 and no longer offers fee-based advisory services. The Company will continue to offer brokerage services to certain clients of Mutual Advisors, and either those certain clients or their investment adviser representatives will be charged for such brokerage services.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Cash and cash equivalents

For purposes relating to the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business.

Commissions receivable

Commissions receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

Property, plant and equipment

Furniture, equipment, and leasehold improvements are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

Advertising and promotional cost

Advertising and marketing costs are expensed as incurred. For the year ended June 30, 2014, advertising costs of \$3,638 are included in other operating expense.

Income taxes

With the consent of its shareholders, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar regulations, although there exists a provision for a minimum franchise tax and a tax rate of 1.5% over the minimum franchise fee of \$800.

The Company has elected to report the statement of changes in stockholders' equity without disclosing the accumulated adjustment account and other equity accounts pertinent to an S Corporation. There is no financial impact to these financial statements.

Note 2: DEPOSIT WITH CLEARING ORGANIZATION

Note 4: INCOME TAXES
(Continued)

Management regularly evaluates the likelihood of realizing the benefit for income tax positions taken by the Company in various federal and state filings by considering all relevant facts, circumstances and information available. If management believes it is more likely than not that a position will be sustained, the Company will recognize a benefit at the largest amount which is cumulatively greater than fifty percent (50%) likely to be realized. The Company recognizes accrued interest and penalties related to unrecognized tax benefits, if any, as a component of the provision for income taxes. The Company has not recognized any contingencies for uncertain tax positions for the year ended June 30, 2014. Although, the IRS is not currently examining any of the Company's income tax returns, tax years 2010 through 2013 remain open and are subject to examination.

Note 5: NOTE RECEIVABLE

It is possible that the terms of certain of the related party transactions are not the same as those that would result for transactions among wholly unrelated parties.

The Plan provides that the employer may make matching contributions and/or annual discretionary contributions. For the year ended June 30, 2014, the Company incurred a total of \$43,604 in matching contributions.

Note 8: CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 9: COMMITMENTS AND CONTINGENCIES

Commitments

The Company entered into a lease agreement dated October 1, 2009 (see Note 6) which will expire on August 31, 2015, with an option to renew for three five year periods.

At June 30, 2014, the minimum annual payments are as follows:

<u>Year Ending June 30,</u>

	<u>\$ 163,207</u>

Contingencies

The Company maintains several bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year ended June 30, 2014, cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

Mutual Securities, Inc. of California dba Mutual Securities, Inc.
Notes to Financial Statements
June 30, 2014

Note 10: RECENTLY ISSUED ACCOUNTING STANDARDS

During the year ending June 30, 2014, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2011-11	Balance Sheet (Topic 210): Disclosures about offsetting assets and liabilities	Fiscal years beginning on or after January 1, 2013
2013-11	Income Taxes (Topic 740): Presentation of an unrecognized tax benefit when a net operating loss carryforward, a similar tax loss, or a tax credit carryforward exists (A consensus of the FASB emerging issues task force)	Fiscal years beginning after December 15, 2013

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 11: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on June 30, 2014, the Company had net capital of \$1,373,560 which was \$1,273,560 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness (\$656,398) to net capital was 0.48 to 1, which is less than the 15 to 1 maximum allowed.

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries contained in the client general ledger noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended June 30, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with client prepared supporting schedules and working papers contained in our "A" work papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers prepared by Mutual Securities, Inc. of California dba Mutual Securities, Inc. supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
