REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and
Stockholders of Philip J. Greenblatt Securities, Ltd

I have audited the accompanying balance sheets of Philip J. Greenblatt Securities, Ltd as of September 30, 2014 and, the related statements of income, stockholders' equity, and cash flows for each of the year in the period ended September 30, 2014 Philip J. Greenblatt Securities, Ltd's management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on our audits.

I conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Philip J. Greenblatt Securities, Ltd as of September 30, 2014 and the results of its operations and its cash flows for each of the years in the period ended September 30, 2014 in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
September 30, 2014

NOTE A — SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

Organization

The Company was incorporated on October 4, 1983 in the State of Illinois. The Company was incorporated as a "C" corporation.

Description of Business

The Company, located in Northbrook, Illinois, is a broker and dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of FINRA. Philip J. Greenblatt Securities, Ltd, (the Company), acts as agent for customers with respect to the purchase, sale and redemption of redeemable shares of registered investment companies and limited partnerships. In June, 2002, the Company became registered as a Municipal Securities Dealer with the MSRB in order to sell Section 529 College Savings Plans and has limited their sales activities to the sale of Section 529 College Savings Plans.

Basis of Accounting

The financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("US. GAAP").

Cash and Cash Equivalents

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable — Recognition of Bad Debt

The Corporation considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Revenue Recognition

Commission revenues are recorded by the Company when the service is rendered.

See accountant's audit report

PHILIP J. GREENBLATT SECURITIES, LTD.
NOTES TO FINANCIAL STATEMENTS
September 30, 2014

Income taxes

The Company is recognized as a C Corporation for Federal tax purposes.

The Company has adopted the provisions of ASC Topic 605, "Accounting for Uncertainty in Income Taxes". Benefit from tax positions are recognized in the financial statements only when it is more likely than not that the tax position will be sustained upon examination by the appropriate taxing authority that would have full knowledge of all relevant information. Recognized income tax positions are measured at the largest amount that has a greater than 50% likelihood of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Based on its current evaluation the Company has concluded that there are no significant tax positions requiring recognition in the Company's financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at amounts that approximate fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of Comprehensive Income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales securities and foreign currency translation adjustment among others. During the year ended September 30, 2014, the Company did not have any components of Comprehensive Income to report.

Concentrations

The Company has revenue concentrations; the company specializes in sales of securities.

NOTE G - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date (i.e., an exit price). The guidance includes fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 — Quoted, active market prices for identical assets or liabilities. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuation is obtained from readily available pricing sources for market transactions involving identical assets or liabilities. The Company did not have any Level 1 assets.

Level 2 — Observable inputs other than Level 1, such as quoted market prices for similar assets or liabilities, quoted for identical or similar assets in inactive markets, and model derived valuations in which all significant inputs are observable in active markets. The Company did not have any Level 2 assets or liabilities.

Level 3 — Valuation techniques in which one or more significant inputs are observable in the marketable. The company did not have any Level 3 assets or liabilities.

Fair values of assets measured on a recurring basis at September 30, 2014 are as follows:

	Fair value at Reporting	Date Using
	Fair Value	Quoted Price in Active markets for Identical Assets (Level 1)
September 30, 2014		
Investments	\$ 85,901	\$ 85,901
Marketable Securities	0	0
Total	<u>\$ 85,901</u>	<u>\$ 85,901</u>

Fair values for short-term investments and long-term investments are determined by reference to quoted market prices and other relevant information generated by market transactions. The income reported from these investments was dividend income \$1,246.

See accountant's audit report

PHILIP J. GREENBLATT SECURITIES, LTD.
NOTES TO FINANCIAL STATEMENTS
September 30, 2014

The carrying amounts reflected in the balance sheet for cash, money market funds, and marketable securities approximate the respective fair values due to the short maturities of those instruments. Available-for-sale marketable securities are recorded at fair value in the balance sheet. A comparison of the carrying value of those financial instruments is as follows:

	Fair value at Reporting	Date Using
	Carrying Value	Fair Value
September 30, 2014		
Investments	\$ 85,901	\$ 85,901
Marketable Securities	0	0
Total	<u>\$ 85,901</u>	<u>\$ 85,901</u>

NOTE H - EMPLOYEE BENEFIT PLAN

The Company has a 401(k) Profit Sharing Plan and Trust ("The Plan") to provide for retirement and incidental benefits for its employees. Employees may contribute a portion of their annual compensations to the Plan, limited to a maximum annual dollar amount as set periodically by the Internal Revenue Service. Employer contributions to the plan are discretionary as determined by the board of directors. There was \$15,000 in Company matching or discretionary contributions during the year ended September 30, 2014.

NOTE 1— SIPC RECONCILIATION

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion-from-membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenues, they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule I 7a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which (1) Philip J. Greenblatt Securities, Ltd identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Philip J. Greenblatt Securities, Ltd. claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(i), and (2) Philip J. Greenblatt Securities, Ltd. stated that Philip J. Greenblatt Securities, Ltd. met the identified exemption provisions throughout the most recent fiscal year without exception. Philip J. Greenblatt Securities, Ltd.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Philip J. Greenblatt Securities, Ltd.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
