REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholder of
Cypress Capital Corporation
San Francisco, California

We have audited the accompanying financial statements of Cypress Capital Corporation, which comprise the statement of financial condition as of December 31, 2013 and 2012, and the related statements of operations, changes in stockholder's equity, and cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

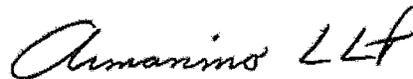

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cypress Capital Corporation as of December 31, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

CYPRESS CAPITAL CORPORATION
(A Wholly-Owned Subsidiary of Cypress Leasing Corporation)
Notes to Financial Statements
December 31, 2013 and 2012

Note 1 - Organization and Business Activity

Cypress Capital Corporation (the "Company") was incorporated under the laws of the State of California on November 27, 1996. It became a member of the Financial Industry Regulatory Authority, formerly known as the National Association of Securities Dealers, Inc., and concurrently registered with the Securities and Exchange Commission on April 15, 1997. The Company is a fully-disclosed broker-dealer engaged exclusively in the business of the wholesale offering and selling of debt and equity investment interests in equipment leasing programs sponsored by its parent, Cypress Leasing Corporation (the "Parent") and its affiliates. The Company is a wholly-owned subsidiary of Cypress Leasing Corporation. There are no active offering and selling activities sponsored by the Parent and its affiliates as of December 31, 2013.

As a wholly-owned subsidiary, the Company is subject to the control of the Parent and its subsidiaries. It is also subject to related party transactions such as loans, dividends, and expense allocations. The Company has entered into an operating expense funding agreement with the Parent, a wholly-owned subsidiary of the Parent, Cypress Equipment Management Corporation II, and affiliates of the Parent, Cypress Equipment Management Corporation III, Cypress Equipment Management Corporation IV, Cypress Management Corporation V, Cypress Equipment Management Corporation VI and Cypress Equipment Management Corporation VII, whereby the Parent, its wholly-owned subsidiary and its affiliates, at their discretion, may directly pay certain commissions and other expenses on behalf of the Company. The payment of such expenses by the Parent, its wholly-owned subsidiary, and its affiliates results in the recognition of both expense and expense reimbursement revenue by the Company. In addition, the Parent and its affiliates bear overhead expenses of the Company by providing certain overhead items (such as office space, equipment use, utilities and administrative service) without charge to the Company. Absent this relationship with the Parent and its affiliates, the operating results of the Company would be materially different.

The Company is dependent upon the Parent and its affiliates to sponsor equipment leasing programs and similar investment vehicles which the Company can market through its established network of third-party broker-dealers. The Company has an accumulated deficit of \$1,666,646 as of December 31, 2013; the Parent has the intent and ability to continue to provide additional capital contributions to support the Company's operations.

Note 2 - Summary of Significant Accounting Policies

Cash

The Company considers all demand deposit accounts as cash. Cash is held in major financial institutions. Periodically, such deposits may be in excess of federally insured limits.

CYPRESS CAPITAL CORPORATION
(A Wholly-Owned Subsidiary of Cypress Leasing Corporation)
Notes to Financial Statements
December 31, 2013 and 2012

Note 2 - Summary of Significant Accounting Policies (continued)

Commission advances

During the year ended December 31, 2012, the Company paid commissions to third parties upon the sale of investment interests in equipment leasing programs. The Company recorded these payments as commission advances until such time as the investor is admitted as a member in the leasing program and the Company received its commission income. No commission advances were made during the year ended December 31, 2013 as there were no active offering and selling activities.

Commission income and expense reimbursement revenue

The Company earns commissions on the sale of equity and note investments in leasing programs sponsored by affiliates of the Parent. Commission income and expense reimbursement revenue are recognized when the related investor is admitted to the program and is deemed to have an ownership interest.

Income taxes

The Company is a qualified S Corporation subsidiary of the Parent and does not file separate income tax returns. The Parent is a qualified S Corporation subsidiary of Cypress Financial Holdings Corporation ("CFHC"). As a result of CFHC's election to be treated as an S Corporation and the election by CFHC to have its subsidiaries, including the Parent and the Company, become qualified S Corporation subsidiaries, CFHC and its qualified S Corporation subsidiaries are only subject to California Franchise tax at a rate of 1.5%. Federal and state individual income taxes are paid by the stockholders of CFHC based on the taxable income reported by CFHC and its qualified S Corporation subsidiaries. State franchise tax is allocated to the Company based upon the Company's taxable income for the period as compared with the taxable income of CFHC and its qualified S Corporation subsidiaries.

Any income tax liability is reflected on the statement of financial condition as a payable to the Parent. Under the terms of the agreement with the Parent, no receivable is reported for income tax benefits. The Company does not have any significant temporary differences or basis differences that would require the recognition of deferred income taxes.

The Company has evaluated its current tax positions and has concluded that as of December 31, 2013, the Company does not have any significant uncertain tax positions for which a reserve would be necessary. The Company, the Parent, and CFHC are generally no longer subject to tax examinations for years prior to 2009 and 2008, for federal and state tax returns, respectively.

December 31, 2013 and 2012

Note 2 - Summary of Significant Accounting Policies (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain reclassifications have been made to the 2012 financial statements to conform to the 2013 presentation. Such reclassifications had no effect on total stockholder's equity, changes in stockholder's equity, or the total changes in cash flows previously reported.

Subsequent events

The Company has evaluated subsequent events through January 31, 2014, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Company's financial statements.

Note 3 - Net Capital Requirements

Pursuant to the net capital provisions of the U.S. Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), the Company is required to maintain minimum net capital equal to the greater of \$5,000 or the ratio of aggregate indebtedness to net capital, as defined. The ratio of aggregate indebtedness (as defined) to net capital shall not exceed 15:1. Net capital and the related ratio of aggregate indebtedness to net capital may fluctuate on a daily basis. At December 31, 2013, the Company's net capital, as defined, was \$57,786, which was \$49,152 in excess of its required net capital of \$8,634. The Company's ratio of aggregate indebtedness, as defined, to net capital was 2.24 to 1 at December 31, 2013.

Note 4 - Exemption from Rule 15c3-3

The Company operates pursuant to the exemption provisions of (k)(2)(i) under Rule 15c3-3 of the Securities Exchange Act of 1934, (reserve requirements for brokers and dealers) in that the Company does not hold funds or securities for customers and it promptly transmits all funds and delivers all securities in connection with its activities as a broker or dealer.

Note 5 - Employee Retirement Plan

The Plan is sponsored by an affiliate, Cypress Financial Corporation. The Plan covers all employees who have attained the age of twenty-one, worked three out of the last five years and received certain minimum levels of compensation. Contributions to the Plan by the Company are at the discretion of the Board of Directors. Contributions to the Plan were limited by the Company to 10% of each employee's allowable compensation resulting in a maximum contribution to each eligible employee of \$25,500 and \$25,000 for the years ended December 31, 2013 and 2012, respectively. The Company's contributions to the Plan totaled \$33,250 and \$63,331, for the years ended December 31, 2013 and 2012, respectively.

Note 6 - Concentrations

Substantially all of the Company's commission income and expense reimbursement revenue for the years ended December 31, 2013 and 2012 was derived from equipment leasing programs sponsored by the Parent and its affiliate, Cypress Equipment Management Corporation V.

Note 7 - Related Party Transactions

The Company receives commission income and expense reimbursement revenue from various related entities. The related entities consist of equipment leasing programs sponsored by the Parent and its affiliates, a wholly-owned subsidiary of the Parent, and an affiliate of the Parent, Cypress Equipment Management Corporation V.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17a-5(g)(1)

To the Board of Directors
Cypress Capital Corporation
San Francisco, California

In planning and performing our audit of the financial statements and supplemental schedules of Cypress Capital Corporation (the "Company") as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debts) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal controls and the practices and procedures referred to in the second paragraph of the report. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control and of the practices and procedures referred to in the second paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. SEC Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

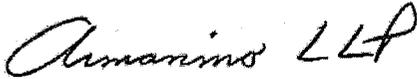

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2013 to meet the SEC's objectives.

This report is intended solely for the information and use of the member, management, the SEC, and other regulatory agencies that rely on SEC Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
