INDEPENDENT AUDITORS' REPORT

To the Partners of Putnam Retail Management Limited Partnership:
Boston, Massachusetts

We have audited the accompanying statement of financial condition of Putnam Retail Management Limited Partnership (the "Partnership") (an indirect, wholly-owned subsidiary of Putnam Investments, LLC) as of December 31, 2013, and the related notes (the "financial statement"), that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Partnership's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Putnam Retail Management Limited Partnership as of December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

As discussed in Notes 1, 2 and 6, the Partnership has significant transactions with its Parent and its affiliates. These financial statements may not necessarily be indicative of the financial position or the results of operations had the Partnership been operated as an unaffiliated company.

Deloitte & Touche LLP

The accompanying notes are an integral part of these financial statements.

PUTNAM RETAIL MANAGEMENT LIMITED PARTNERSHIP
NOTES TO STATEMENT OF FINANCIAL CONDITION
AS OF DECEMBER 31, 2013

(1) ORGANIZATION

Putnam Retail Management Limited Partnership (the "Partnership") is a 99% owned subsidiary of Putnam U.S. Holdings I, LLC ("Holdings"), which is a wholly indirectly-owned subsidiary of Putnam Investments, LLC (the "Parent" or "Putnam") and a 1% owned subsidiary of Putnam Retail Management GP, Inc., a wholly owned subsidiary of Holdings (the "Partners"). The Parent is a majority indirectly-owned subsidiary of Great-West Lifeco Inc. ("Lifeco").

The Partnership is a registered broker deal whose primary business is the underwriting, sale and distribution of shares of Parent-sponsored mutual funds (the "Funds"), principally within the United States of America. The Partnership's revenue is largely dependent on the total value and composition of assets under management by Putnam Investment Management, LLC ("PIM"), an affiliate of the Partnership, which includes domestic and international equity and debt portfolios. Accordingly, fluctuations in financial markets and in the composition of assets under management affect revenue and results of operations.

The Partnership acts as an introducing broker on a fully disclosed basis. All accounts are carried by, and all trades are cleared through, National Financial Services, LLC ("NFS"), an independent third party. The agreement between the Partnership and NFS provides that the Partnership is obligated to assume any exposure related to nonperformance by its customers. The Partnership monitors its customer activity by reviewing information it receives from NFS on a daily basis, requiring customers to deposit additional collateral or reduce positions when necessary, and reserving for doubtful accounts when necessary.

The Partnership and its Parent have significant interdependencies, as described in Notes 2 and 6. The accompanying financial statements have been prepared from the separate records maintained by the Partnership and may not be indicative of the conditions or the results of operations that would have existed if the Partnership had been operated as an unaffiliated company.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Estimates

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America, which require management to make estimates and assumptions regarding the potential outcome of litigation and other matters that affected the reported amounts in the financial statements and related disclosures. Actual results could differ from these estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash, time deposits and investments in money market funds, which are readily convertible into cash. A portion of the total investments in money market funds includes a fund that is sponsored by PIM.

Investments in money market funds of \$10,002,285 are measured at fair value on the Statement of Financial Condition based on the quoted net asset value and are redeemable daily.

Prepaid Expenses

Included in prepaid expenses are assets purchased by the Company that are capitalized and subsequently amortized over the period that benefits are received.

PUTNAM RETAIL MANAGEMENT LIMITED PARTNERSHIP
NOTES TO STATEMENT OF FINANCIAL CONDITION
AS OF DECEMBER 31, 2013

Fair Value Measurement

The Partnership's financial assets recorded at fair value have been categorized based upon the following fair value hierarchy description:

Financial assets and liabilities categorized as Level 1 utilize observable, quoted prices (unadjusted) in active markets for identical assets or liabilities that the Partnership has the ability to access. They include actively exchange-traded debt and equity securities and publicly-traded mutual funds with quoted market prices.

There were no financial assets and liabilities categorized as Level 2 or 3 and no transfers between levels during the year.

Dealer Commissions Payable

These costs include the commissions paid by the Partnership to the selling broker at the time of the sale for certain other sales of mutual funds where neither a front-end or back-end sales load is charged to the shareholder.

Income Taxes

The Partnership is taxed as a corporation for federal and state tax purposes as a member of the consolidated group. The Partnership participates in a tax sharing agreement with a U.S. affiliate of Lifeco, with which it files consolidated federal and certain combined state income tax returns, which also include the Parent. It accounts for income taxes under the modified separate return method. Accordingly, the Partnership's net operating losses (excluding certain state losses) are characterized as realizable because the benefits of net operating losses are recognized in the Parent's consolidated financial statements.

Under the tax sharing agreement, the Partnership shall pay to or receive from the Parent an amount equal to the total provision for income taxes that the Company discloses on its financial statements via an intercompany transaction with the Parent. The U.S. affiliate assumes ultimate responsibility for the payment of all taxes in accordance with federal, state and local laws with respect to consolidated and/or combined returns. As a result of this tax sharing agreement, the Partnership had no current or deferred tax liabilities or assets recorded on its Statement of Financial Condition at December 31, 2013, rather such amounts are offset with other intercompany balances with the Parent. The income tax balances reflected within the intercompany accounts are periodically settled via a contribution from or a distribution to the Parent.

As of December 31, 2013, the Partnership does not have any accrued interest and penalties. Each of the Partnership's tax returns filed in the five-year period ended December 31, 2013 remain subject to examination by U.S. federal, state, local or non-U.S. tax authorities.

(3) RISK MANAGEMENT

The Company has established policies and procedures designed to identify, measure, monitor, mitigate, and report all material risks, including these associated with financial instruments. The key risks related to financial instruments are credit risk, liquidity risk and market risk (interest rate and equity). These risks have been outlined below. Management is responsible for establishing capital management procedures for implementing and monitoring the capital plan. The Board of Directors of the Parent reviews and approves all capital transactions undertaken by management.

PUTNAM RETAIL MANAGEMENT LIMITED PARTNERSHIP
NOTES TO STATEMENT OF FINANCIAL CONDITION
AS OF DECEMBER 31, 2013

(a) Credit Risk

Credit risk is the risk of financial loss resulting from the failure of debtors making payments when due. The Partnership monitors its credit risk management policies continuously to evaluate their effectiveness. The maximum credit exposure is the carrying value of the assets on the Statement of Financial Condition.

(b) Liquidity Risk

Liquidity risk is the risk that the Partnership will not be able to meet all cash outflow obligations as they come due. The following policies and procedures are in place to manage this risk:

- The Partnership closely manages operating liquidity through cash flow matching of assets and liabilities.
- The Partnership has the financial support of its Parent, which maintains a \$500,000,000 revolving credit agreement with a consortium of banks.
- The Partnership does not have a significant amount of financial assets that are past due.
- The Partnership anticipates that its financial liabilities will mature within the next fiscal year.

(c) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market factors which include two types: interest rate (including related inflation) risk and equity risk.

(i) Interest Rate Risk

Interest rate risk exists if asset and liability cash flows are not closely matched and interest rates change causing a difference in value between the asset and liability. The Partnership's primary exposures to interest rate risk arise from revenue earned on the distribution of funds sponsored by the Parent.

(ii) Equity Risk

Equity risk is the uncertainty associated with the valuation of assets arising from changes in equity markets. The Partnership's primary exposure to equity risk arises from revenue earned by the Partnership that is dependent on the equity and debt portfolios of PIM sponsored funds.

(4) NET CAPITAL REQUIREMENTS

As a registered broker/dealer, the Partnership is subject to the U.S. Securities and Exchange Commission's ("SEC") and the Financial Industry Regulatory Authority's ("FINRA") regulations and operating guidelines, including Rule 15c3-1 of the Securities Exchange Act of 1934 (the "Exchange Act"), which requires the Partnership to maintain a minimum amount of Net Capital, as defined by SEC Rule 15c3-1, equal to the greater of \$25,000 or 6-2/3% of Aggregate Indebtedness, as defined by SEC Rule 15c3-1. In addition, the Partnership is required to maintain a Ratio of Aggregate Indebtedness, as defined by SEC Rule 15c3-1, not to exceed 15 to 1.

The Partnership's net capital, as computed pursuant to Rule 15c3-1, was \$33,288,045 at December 31, 2013, which was greater than the required net capital of \$5,253,394 by \$28,034,651. The ratio of aggregate indebtedness to net capital at December 31, 2013 was 2.37 to 1.

PUTNAM RETAIL MANAGEMENT LIMITED PARTNERSHIP
NOTES TO STATEMENT OF FINANCIAL CONDITION
AS OF DECEMBER 31, 2013

(5) EXEMPTION FROM RESERVE AND SECURITY CUSTODY REQUIREMENTS PURSUANT TO RULE 15c3-3

The Partnership is exempt from the reserve requirements of Rule 15c3-3 of the Exchange Act, under the provision of subparagraph (k)(2)(ii) thereof, as its transactions are cleared through another broker/dealer on a fully-disclosed basis. All customer funds are promptly transmitted, and all securities received in connection with activities as a broker/dealer are promptly delivered. The Partnership does not otherwise hold funds or securities for, or owe money or securities to, customers.

(6) TRANSACTIONS WITH PARENT

Intercompany balances with Parent

The Partnership instructs its customers to remit cash directly to the Parent and instructs the Parent to disburse cash on its behalf. The Parent also allocates certain expenses to the Partnership. Accounts receivable from/payable to Parent represents the net of intercompany transactions between the Partnership and the Parent due to (i) the above mentioned receipt and payment of cash by the Parent on its behalf; (ii) the recording of expense; and (iii) the previously described tax sharing arrangement. As of December 31, 2013, the Partnership had a net intercompany receivable balance of \$624,950.

Capital Contributions from the Parent

During 2013, the Parent contributed \$74,000,000 of capital in the form of cash and cash equivalents to the Partnership. The Parent is committed to the continued funding of the Partnership's operations through fiscal year 2014.

(7) COMMITMENTS AND CONTINGENCIES

From time to time, the Partnership is subject to legal actions, including class actions, arising in the normal course of business. The Partnership also receives inquiries, including requests for documents and information, in the course of its business from various state and federal regulators inquiring about certain of the Partnership's policies and procedures. Each of these matters is handled in the ordinary course of business. The Partnership fully responds to these requests and fully cooperates with all regulatory inquiries.

(8) SUBSEQUENT EVENTS

The Partnership evaluated subsequent events and transactions occurring after December 31, 2013 through February 14, 2014, the date these financial statements were issued. The Partnership is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

**PUTNAM RETAIL MANAGEMENT LIMITED PARTNERSHIP
