The Member
Salomon Whitney LLC

We have audited the accompanying statement of financial condition of Salomon Whitney LLC as of December 31, 2013 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of as of December 31, 2013 in accordance with accounting principles generally accepted in the United States of America.

SALOMON WHITNEY LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2013

1. Organization and Nature of Business

Salomon Whitney LLC (the "Company") is a Limited Liability Company registered in the State of New York. The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is wholly-owned by Angia Holdings LLC.

The Company operates under the provisions of Paragraph (k) (2) (ii) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k) (2) (ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

2. Summary of Significant Accounting Policies

A. Revenue Recognition

Commission income (and the recognition of related income and expenses) is recorded on a settlement date basis, generally the third business day following the transaction date. There is no material difference between trade and settlement date.

B. Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Company considers demand deposited money market funds to be cash and cash equivalents.

C. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, revenues and expenses.

5. Financial Instruments with Off-Balance-Sheet Credit Risk

As a securities broker, the Company is engaged in arranging for the buying and selling of securities for a diverse group of individual investors. The Company's transactions are introduced to a clearing broker/dealer for a split of commissions earned on a fully disclosed basis.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair the customers' ability to satisfy its obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount.

The Company seeks to control the aforementioned risks by monitoring all transactions entered into on a daily basis and insuring that no incorrect trades are recorded.

6. Net Capital Requirement

The Company is subject to the Securities and Exchange Commission's Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1,500%. At December 31, 2013, the Company's net capital of \$ 308,290 was \$297,575 in excess of its required net capital of \$10,715. The Company's capital ratio was 52.13%.

7. Reserve Requirement Computation

The Company is registered with FINRA as a Broker Dealer exempt from SEC Rule 15c3-3 under Section (k)(2)(i). Therefore, they are not required to compute 15c3-3 Reserve Requirements.

8. Possession and Control Requirements

The Company is registered with FINRA as a Broker Dealer exempt from SEC Rule 15c3-3 under Section (k)(2)(i). Therefore, they are not subject to Possession Or Control Requirements under SEC Rule 15c3-3.

9. Subsequent Events

The Company has evaluated events and transactions that occurred between December 31, 2013 and February 21, 2014, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.
