## Independent Auditor's Report

To the Sole Member of  
TMR Bayhead Securities, LLC

We have audited the accompanying financial statements of TMR Bayhead Securities, LLC (the Company), which comprise the statement of financial condition as of March 31, 2014, and the related statements of income, changes in members' equity, and cash flows for the year then ended that are filed pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TMR Bayhead Securities, LLC as of March 31, 2014, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of these financial statements.

**TMR BAYHEAD SECURITIES, LLC**

**NOTES TO FINANCIAL STATEMENTS**

**MARCH 31, 2014**

**NOTE 1 – ORGANIZATION AND NATURE OF THE BUSINESS**

The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC), and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA).

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

**Investment Banking and Consulting**

Fees are earned from securities offerings in which the Company acts as an agent on private placement of debt and equity securities, merger-and-acquisition advice, and as a business consultant. Fees are recorded when the income from the service is reasonably determinable.

**Income Taxes**

The Company is not a taxpaying entity for federal and state income tax purposes. Accordingly, the Company's taxable income and deductions are reported by the sole member on his individual income tax returns. Therefore no provision for federal or state income taxes has been made.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

**NOTE 3 – NET CAPITAL**

As a broker-dealer, the Company is subject to the Securities and Exchange Commission's regulations and operating guidelines, which requires the Company to maintain a specified amount of net capital, as defined, and a ratio of aggregate indebtedness to net capital, as derived, not exceeding 15 to 1. The Company's net capital, as computed under Rule 15c3-1, was \$32,312 at March 31, 2014, which exceeds required net capital of \$5,000 by \$27,312. The ratio of aggregated indebtedness to net capital at March 31, 2014 was .202 to 1.

**TMR BAYHEAD SECURITIES, LLC**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**MARCH 31, 2014**

**NOTE 4 – FAIR VALUE**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumption about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Company's qualifying assets or liabilities are recorded at fair value using Level 1 inputs.

**NOTE 5 – SUBSEQUENT EVENTS**

Management has evaluated subsequent events through May 27, 2014, the date on which the financial statements were available to be issued. There were no subsequent events that require adjustment or disclosure in the financial statements.

**Independent Auditor's Report on  
Supplementary Information Required by Rule 17a-5 of the  
Securities and Exchange Commission**

To the Sole Member of  
TMR Bayhead Securities, LLC

We have audited the financial statements of TMR Bayhead Securities, LLC as of and for the year ended March 31, 2014, and have issued our report thereon dated May 27, 2014, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedules I and II, required by Rule 17a-5 under the Securities Exchange Act of 1934, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I and II has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I and II is fairly stated in all material respects in relation to the financial statements as a whole.

Norwood, Massachusetts  
May 27, 2014

**SCHEDULE I**

**TMR BAYHEAD SECURITIES, LLC**

**COMPUTATION OF AGGREGATE INDEBTEDNESS AND NET CAPITAL  
PURSUANT TO RULE 15c3-1**

**MARCH 31, 2014**

Aggregate Indebtedness	
Accounts payable and accrued expenses	<u>\$ 6,513</u>
Net Capital	
Total Member's Equity	\$ 32,312
Adjustments To Net Capital	-
Net Capital, as defined	<u>\$ 32,312</u>
Net Capital Requirement	\$ 5,000
Net Capital In Excess of Requirement	\$ 27,312
Ratio Of Aggregate Indebtedness To Net Capital	.202 to 1
Reconciliation with the Company's computation of net capital:	
Net capital as reported in the Company's Part IIA (unaudited)	
Focus Report	\$ 32,312
Net audit adjustments	-
Increase in non-allowables and haircuts	-
Net capital per above	<u>\$ 32,312</u>

**SCHEDULE II**

**TMR BAYHEAD SECURITIES, LLC**

**COMPUTATION FOR DETERMINATION OF  
RESERVE REQUIREMENTS FOR BROKER/DEALER UNDER  
RULE 15c3-3 OF THE SECURITIES EXCHANGE ACT OF 1934**

**MARCH 31, 2014**

TMR Bayhead Securities, LLC is exempt from the reserve requirements of Rule 15c3-3 as its transactions are limited, such that they do not handle customer funds or securities, accordingly, the computation for determination of reserve requirements pursuant to Rule 15c3-3 and information relating to the possession or control requirement pursuant to Rule 15c3-3 are not applicable.

## **Independent Auditors' Report on Internal Control Structure Required by SEC Rule 17a-5**

To the Sole Member of  
TMR Bayhead Securities, LLC

In planning and performing our audit of the financial statements of TMR Bayhead Securities, LLC (the Company), as of and for the year ended March 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions related to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at March 31, 2014, to meet the SEC's objectives.

This report is intended solely for the information and use of the management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

## **Independent Accountant's Report on Applying Agreed-Upon Procedures Related to an Entity's SIPC Assessment Reconciliation**

To the Sole Member of  
TMR Bayhead Securities, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended March 31, 2014, which were agreed to by TMR Bayhead Securities, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating TMR Bayhead Securities, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). TMR Bayhead Securities, LLC's management is responsible for the TMR Bayhead Securities, LLC's compliance with those requirements. The agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared amounts reported on the audited Form X-17A-5 for the year ended March 31, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended March 31, 2014, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
