## Independent Auditor's Report

Board of Directors  
Waveland Capital Partners, LLC:

### **Report on the Financial Statements**

We have audited the accompanying statement of financial condition of Waveland Capital Partners, LLC (the Company) as of December 31, 2013, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Waveland Capital Partners, LLC as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### ***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information in Schedules I, II, and III has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information in Schedules I, II, and III is fairly stated in all material respects in relation to the financial statements as a whole.

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*General*

Waveland Capital Partners, LLC (“the Company”) was organized on August 8, 1995 under the name Mercer Global Securities, LLC. In September 2001 the Company was sold to United Equity Holdings, LLC who changed its name to Waveland Securities, LLC. On March 28, 2005, Waveland Securities, LLC changed its name to Waveland Capital Partners, LLC. The Company is a registered broker/dealer in securities under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

The Company is a wholly-owned subsidiary of Waveland Capital Group (the "Parent"), and is affiliated through common ownership with Waveland Management Group ("WMG").

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(1), the Company terminated its relationship with National Financial Services LLC in 2012 and no longer conducts any trading activities. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business.

The Company receives fees in accordance with terms stipulated in its engagement contracts. Fees are recognized as earned. The Company also receives success fees when transactions are completed. Success fees are recognized when earned, the Company has no further continuing obligations, and collection is reasonably assured.

**Notes to Financial Statements**

**December 31, 2013**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(Continued)**

The Company is treated as a disregarded entity for federal income tax purposes, in accordance with single member limited liability company rules. All tax effects of the Company's income or loss are passed through to the member. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

**Note 2: INCOME TAXES**

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company operates as a limited liability company treated as a disregarded entity for tax purposes. As such, the Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2013, the income tax provision consists of the following:

The Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2013, the income tax provision consists of the following:

Franchise tax	\$	1,050
Gross receipts tax		<u>6,000</u>
Total income tax provision	\$	<u>7,050</u>

As of December 31, 2013, it was determined that the gross receipts tax was overpaid by \$3,500 and will be recovered in 2014 by filing for a refund with the state of California.

**Notes to Financial Statements**  
**December 31, 2013**

**Note 2: INCOME TAXES**  
**(Continued)**

The Company is required to file income tax returns in both federal and state tax jurisdictions. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. For federal purposes, the statute of limitations is three years. Accordingly, the company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2013, the IRS has not proposed any adjustment to the Company's tax position.

**Note 3: FAIR VALUE MEASUREMENT - ACCOUNTING PRONOUNCEMENT**

On January 1, 2009, the Company adopted FASB ASC 820, Fair Value Measurements and Disclosures, which defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income, or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 - Quoted prices in an active market for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1, quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, and model derived prices whose inputs are observable or whose significant value drivers are observable;

Level 3 - Assets and liabilities whose significant value drivers are unobservable.

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2013:

<b>Assets</b>	<b><u>Fair Value</u></b>	<b><u>Level 1 Inputs</u></b>	<b><u>Level 2 Inputs</u></b>	<b><u>Level 3 Inputs</u></b>
<b>Total</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>

In 2008, the Company purchased warrants for the purchase of 788 shares of common stock of Aperto Networks, Inc. Under the terms of the agreement, the investment is valued at \$0.01.

The investments are classified as Level 3 Inputs.

**Note 4: RELATED PARTY TRANSACTIONS**

The Company conducts certain related party transactions with the Parent, WMG and other related entities. During the year ended December 31, 2013, the Company was charged \$958,740 in allocated expenses by WMG, which serves as an administrative cost center. These reimbursements are made in accordance with an expense reimbursement agreement. Included in those charges are the services, and related payroll costs, of administrative staff for the Company. Also included are rent allocation expenses totaling \$35,025 for the year ended December 31, 2013.

For the year ended December 31, 2013, approximately fourteen percent (14%) of fee revenues earned by the Company were related to securities transactions introduced on behalf of the Parent. It is possible that the terms of certain of the related party transactions are not the same as those that would result for transactions among wholly unrelated parties.

**Waveland Capital Partners, LLC**  
**Notes to Financial Statements**  
**December 31, 2013**

**Note 5: LITIGATION**

The Company filed a petition to vacate the arbitration award on a case that was initiated in 2010, alleging damages resulting from failed real estate investment funds tied to section 1031 tax free exchanges that were not promoted by the Company. In March 2013, the court ruled against the petition to vacate and an arbitration award of \$361,820 was paid in April 2013 including additional interest of \$32,945. In addition, in 2011, a claim was filed against the Company and its parent on behalf of certain investors in DBSI sponsored real estate securities sold through the Company. In 2012, the Company joined several other broker-dealers in filing various motions to dismiss including failure to state a claim, lack of standing and lack of subject matter jurisdiction. As of the date of this report the Court has yet to rule on any motion.

**Note 6: CONCENTRATIONS OF CREDIT RISK**

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

**Note 7: COMMITMENTS AND CONTINGENCIES**

*Contingencies*

The Company maintains several bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year ended December 31, 2013, cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

**Notes to Financial Statements**

**December 31, 2013**

**Note 8: RECENTLY ISSUED ACCOUNTING STANDARDS**

The Financial Accounting Standards Board (the “FASB”) has established the Accounting Standards Codification (“Codification” or “ASC”) as the authoritative source of generally accepted accounting principles (“GAAP”) recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates (“ASUs”)

For the year ending December 31, 2013, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company’s operations:

<b><u>ASU No.</u></b>	<b><u>Title</u></b>	<b><u>Effective Date</u></b>

**(Continued)**

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**Note 9: NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2013, the Company had net capital of \$72,835 which was \$67,835 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$64,958) to net capital was 0.89 to 1, which is less than the 15 to 1 maximum allowed.

**Waveland Capital Partners, LLC**  
**Supplementary Accountant's Report**  
**on Internal Accounting Control**  
**Report Pursuant to Rule 17a-5**  
**For the Year Ended December 31, 2013**

Board of Directors

Waveland Capital Partners, LLC:

In planning and performing our audit of the financial statements of Waveland Capital Partners, LLC (the Company), as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the

1. Making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Control deficiencies are noted below under material weaknesses.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

The size of the business and the resultant limited number of employees imposes the practical limitations on the effectiveness of those internal control policies and procedures that depend on the segregation of duties. Because this condition is inherent in the size of the Company, the specific weaknesses are not described herein and no corrective action has been taken or proposed by the Company.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**Waveland Capital Partners, LLC**  
**Report on the SIPC Annual Assessment**  
**Pursuant to Rule 17a-5 (e) 4**  
**For the Year Ended December 31, 2013**

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2013, which were agreed to by Waveland Capital Partners, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC, solely to assist you and the other specified parties in evaluating Waveland Capital Partners, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Waveland Capital Partners, LLC's management is responsible for Waveland Capital Partners, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries contained in the client general ledger noting no differences;
2. Compared amounts reported on the unaudited Form X-17A-5 for the year ended December 31, 2013, with the amounts reported in General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2013, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with client prepared supporting schedules and working papers contained in our "A" work papers noting no differences;
4. Proved the arithmetical accuracy of the calculations in the Form SIPC-7 and in the related schedules and working papers prepared by Waveland Capital Partners, LLC supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
