Report of Independent Auditors on Internal Control Required by SEC Rule 17a-5	11-12

Independent Auditor's Report

To the Sole Member of
Artisan Partners Distributors LLC:

We have audited the accompanying financial statements of Artisan Partners Distributors LLC (the "Company"), a wholly-owned subsidiary of Artisan Partners Holdings LP, which comprise the statements of financial condition as of December 31, 2013 and 2012, and the related statements of operations, changes in member's equity and cash flows for the years then ended.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Artisan Partners Distributors LLC at December 31, 2013 and 2012, and the results of its operations, changes in member's equity and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described in Notes 3 and 6, the Company transacts business with its member. Because of this relationship, the terms of these transactions may not be the same as those that would result from transactions among unrelated parties.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedules on pages 9 and 10 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Artisan Partners Distributors LLC

Notes to Financial Statements

December 31, 2013 and 2012

1. Nature of Operations

Artisan Partners Distributors LLC (the "Company"), known as Artisan Distributors LLC until July 2011, is a limited liability company organized in the State of Wisconsin. The Company's exclusive activity is to act as principal distributor of the shares of Artisan Partners Funds, Inc., a registered open-end, diversified, management investment company, presently consisting of thirteen no-load mutual funds. The Company's sole member is Artisan Partners Holdings LP ("Artisan Partners Holdings").

The Company is registered as a broker-dealer under the Securities Exchange Act of 1934.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The preparation of financial statements in conformity with GAAP requires management to make estimates or assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the periods presented. Actual future results could differ from these estimates and assumptions.

Cash

Cash consists of cash on deposit with a financial institution.

Prepaid expenses and funds on deposit

Prepaid expenses represent registration expenses paid to the Financial Industry Regulatory Authority ("FINRA"). Registration expenses are calculated on a per agent basis. As of December 31, 2013, all agents of the Company were employees of Artisan Partners Limited Partnership, a wholly-owned subsidiary of Artisan Partners Holdings. Funds on deposit represent deposits with FINRA for future registration and advertising filings.

Revenue recognition

The Company receives no revenue for services provided as distributor of the shares of Artisan Partners Funds, Inc. ("Artisan Funds"). Artisan Funds is a U.S. registered investment company that has not adopted a Rule 12b-1 Plan and, as such, is not permitted to pay expenses related to the marketing and distribution of its shares. Rather, all expenses related to marketing and distribution are paid by Artisan Funds' adviser and/or the Company. The Company has entered into an expense arrangement with Artisan Partners Holdings. Pursuant to this arrangement, Artisan Partners Holdings, through Artisan Partners Limited Partnership, provides the Company with management and support personnel and office premises and facilities to conduct the Company's operations. In addition, as part of the expense arrangement, Artisan Partners Holdings has committed, to the extent necessary, to make capital contributions to the Company to keep the Company's net capital from falling below the Company's required minimum net capital under Exchange Act Rule 15c3-1 or as otherwise required by FINRA.

3. Related Party Transactions

All direct expenses attributable to the Company, such as registration, licensing, professional fees and marketing fees, are accrued and recorded in the Company's financial statements. Artisan Partners Holdings provides the Company with capital contributions to pay direct expenses and maintain required net capital. Other expenses which are not identified as direct expenses, such as rent, utilities and administrative expenses, or which are not specifically attributable to the Company, are paid directly by Artisan Partners Holdings or its subsidiaries and recorded on the books and records of Artisan Partners Holdings or its subsidiaries, as applicable.

Artisan Partners Distributors LLC
Notes to Financial Statements
December 31, 2013 and 2012

4. Income Taxes

The Company is a limited liability company, the profits and losses of which are passed through and included in the tax return of its sole member, Artisan Partners Holdings. Accordingly, the Company's financial statements do not reflect a provision for income taxes.

The Company applies authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the Company's management to determine whether a tax position of the Company is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is reduced by the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. Management has determined that there are no significant uncertain tax positions that would require recognition in the financial statements. Furthermore, management is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will significantly change in the next twelve months.

5. Commitments and Contingencies

In the normal course of business, the Company enters into agreements that include indemnities in favor of third parties. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. However, the Company has not had prior claims or losses pursuant to these agreements and expects the risk of loss to be remote. The Company maintains insurance policies that may provide coverage against certain claims under these indemnities.

6. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's (the "SEC") Uniform Net Capital Rule ("Rule 15c3-1") which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined by the SEC, shall not exceed 15 to 1. On December 31, 2013, the Company's ratio of aggregate indebtedness to net capital was 0.20 to 1.00 and net capital was \$143,805, which was \$118,805 in excess of the minimum capital required of \$25,000. Artisan Partners Holdings has agreed to make sufficient capital contributions to the Company to keep the Company's net capital from falling below its required minimum net capital requirements.

7. Subsequent Events

The Company has evaluated subsequent events through February 24, 2014, the date these financial statements were available to be issued. Based on this evaluation, no events have occurred subsequent to December 31, 2013 that require disclosure or adjustment to the financial statements at that date or for the year then ended.

Artisan Partners Distributors LLC
Supplementary Schedules
December 31, 2013

SCHEDULE I

Computation of Net Capital Pursuant to Rule 15c3-1

Net capital

Total member's equity	\$	<u>364,658</u>

Excess net capital	\$	<u>118,805</u>
Net capital less greater of 10% of total aggregate indebtedness or 120% of minimum net capital required	\$	<u>113,805</u>
Percentage of aggregate indebtedness to net capital		<u>20%</u>

Artisan Partners Distributors LLC
Supplementary Schedules
December 31, 2013

SCHEDULE II

Computation for Determination of Reserve Requirements
Pursuant to Rule 15c3-3

Artisan Partners Distributors LLC claims exemption from Rule 15c3-3 under the provisions of Rule 15c3-3(k)(1), which exempts broker-dealers whose transactions are limited to the sale and redemption of redeemable securities of registered investment companies.

SCHEDULE III

Reconciliation Pursuant to Rule 17a-5(d)(4)

No differences exist between the net capital included in the audited financial statements and the computation of net capital filed with the unaudited FOCUS Report IIA – Form X-17a-5 as of December 31, 2013.

Report of Independent Auditors on Internal Control Required by SEC Rule 17a-5

To the Sole Member of Artisan Partners Distributors LLC:

In planning and performing our audit of the financial statements of Artisan Partners Distributors LLC (the "Company") as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies,

in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013 to meet the SEC's objectives.

This report is intended solely for the information and use of the member, management, the SEC, Financial Industry Regulatory Authority, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
