INDEPENDENT AUDITORS' REPORT ON
THE COMPANY'S SIPC ASSESSMENT RECONCILIATION REQUIRED BY
RULE 17a-5(e)(4) OF THE SECURITIES AND EXCHANGE COMMISSION

To the Members of
RA Capital Advisors, LLC
San Diego, California

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments ("General Assessment Reconciliation (Form SIPC-7)") to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2013, which were agreed to by RA Capital Advisors, LLC (the "Company"), the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC and other designated examining authority or specified parties of report, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries by tracing listed assessment payments to amounts clearing on original bank statements, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2013, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2013, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers by reviewing the Company's accounting records and internal financial information, noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers by reviewing the Company's accounting records and internal financial information supporting the adjustments noting no differences.

OATH OR AFFIRMATION

I, Joel L. Reed, swear (or affirm) that, to the best of my knowledge and belief the accompanying financial statement and supporting schedules pertaining to the firm of RA Capital Advisors LLC, as of December 31, 20 13, are true and correct. I further swear (or affirm) that neither the company nor any partner, proprietor, principal officer or director has any proprietary interest in any account classified solely as that of a customer, except as follows:

INDEPENDENT AUDITORS' REPORT

To the Members
RA Capital Advisors, LLC
San Diego, California

We have audited the financial statements of RA Capital Advisors, LLC (the "Company"), which comprise the statement of financial condition as of December 31, 2013, and the related statements of operations, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of RA Capital Advisors, LLC as of December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplementary information in Schedules I, II, and III has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information in Schedules I, II, and III is fairly stated in all material respects in relation to the financial statements as a whole.

RA CAPITAL ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 1 – THE COMPANY

RA Capital Advisors LLC (the “Company”) is a registered broker-dealer in securities under the Securities Exchange Act of 1934 (the “Act”) and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company’s principal business consists of consultations with respect to merger and acquisition transactions, and business and financial analysis. The majority of the Company’s revenues are derived from such consultation services. The Company was formed as a limited liability company in the state of Delaware in December 2002.

Except as otherwise provided by the Limited Liability Company Act, the debts, obligations, and liabilities of the Company, whether arising in contracts, tort or otherwise, shall be solely the debts, obligations, and liabilities of the Company, and the members of the Company shall not be obligated personally for any such debts, obligations, or liabilities of the Company solely by reason of being members of the Company.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company’s policy is to use the accrual method of accounting and to prepare and present the financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes consultation fee revenues as services are performed, net of realized foreign currency translation, if any. For the year ended December 31, 2013, realized foreign currency losses were \$22,971. The Company recognizes specific transaction revenues upon consummation of the transaction. Deferred revenue consists of payments received from clients in advance of when services are rendered. As of December 31, 2013, deferred revenue was \$29,167. As of December 31, 2013, the Company recorded \$64,475 of unbilled receivables, which are included in accounts receivable, and are expected to be billed in the future.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of less than 90 days as cash equivalents. Cash and cash equivalents include cash in readily available checking, money market and brokerage accounts.

RA CAPITAL ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentration of Credit Risk

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist primarily of cash and cash equivalents and accounts receivable. The Company limits its exposure to credit loss by placing its cash and investments with high credit quality financial institutions. At December 31, 2013, cash deposits held at financial institutions in excess of Federal Deposit Insurance Corporation (“FDIC”) insured amounts of \$250,000 were approximately \$608,000. Management performs periodic evaluations of the relative credit standing of the institution. The Company has not sustained any credit losses from these institutions.

A substantial portion of the consultation fees of the Company was received from a limited number of clients. During the year ended December 31, 2013, three such clients accounted for 80% of total consultation fees and 42% of the consultation fees related to sales in a foreign country. As of December 31, 2013, five clients accounted for 76% of accounts receivable.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, accounts receivable, prepaid expenses, other assets, accounts payable and accrued liabilities approximate fair value because of the short-term nature of those instruments.

Accounts Receivable, Net

The Company provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Company’s estimate is based on historical collection experience and a review of the current status of accounts receivable. It is reasonably possible that the Company’s estimate of the allowance for doubtful accounts will change. The Company’s management believes the risk of loss on its accounts receivable is adequately reserved in the accompanying financial statements. As of December 31, 2013, there were no reserves for allowance for doubtful accounts. For the year ended December 31, 2013, bad debt expense was \$17,980.

Property and Equipment, Net

It is the Company’s policy to capitalize property and equipment over \$500. Lesser amounts are expensed. Property and equipment are recorded at cost and depreciated over the estimated useful lives of the asset (three to five years) using the straight-line method. Leasehold improvements are depreciated over the shorter of the remaining lease term or useful life of the improvement. Maintenance costs are considered period costs and are expensed when incurred.

Deferred Rent

Rent expense from leases is recorded on a straight-line basis over the lease period. The net excess of rent expense over the actual cash paid is recorded as deferred rent.

RA CAPITAL ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Company is classified as a partnership for income tax purposes. Accordingly, all tax attributes (items of gain, loss, credits, etc.) will be passed through to its members. Accordingly, revenues and expenses are reported on the member's tax return, and no provision for federal income taxes is included in the Company's financial statements. Although the Company is not subject to income taxes, it is liable for various state fees.

The Company reviews and evaluates tax positions within its major jurisdictions and determines whether or not there are uncertain tax positions that require financial statement recognition. The Company recognizes uncertain tax positions if it is more likely than not to be sustained upon examination by the applicable taxing authority, including the resolution of any related appeals or litigation processes, based on technical merits of the position. Tax benefits are measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement, which could result in the Company recording a tax liability that would reduce members' equity.

Based on its review, the Company has determined the major tax jurisdictions to be where the Company is organized and where the Company makes investments. Such jurisdictions are U.S. federal and certain foreign jurisdictions.

As of December 31, 2013, no reserves for uncertain tax positions were required to have been recorded for uncertainty in income taxes for any of the Company's open tax years. The Company is not subject to examination by U.S. federal and state tax authorities for the tax years before 2010. The Company's policy is to recognize interest and penalties on unrecognized tax benefits in income tax expense within the statement of operations. The Company did not recognize any interest and penalties for the year ended December 31, 2013. The Company is additionally not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially within 12 months subsequent to December 31, 2013. As a result, no other income tax liability or expense has been recorded in the accompanying financial statements.

NOTE 3 – PROPERTY AND EQUIPMENT, NET

Property and equipment consisted of the following at December 31, 2013:

Furniture and fixtures	\$ 488,335
Computer hardware	61,189
Leasehold improvements	12,389
Total	<u>561,913</u>
Less: accumulated depreciation and amortization	(555,073)
Property and equipment, net	<u>\$ 6,840</u>

For the year ended December 31, 2013, depreciation and amortization expense was \$5,447.

RA CAPITAL ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

NOTE 4 – NET CAPITAL REQUIREMENT

The Company is subject to Rule 15c3-1(a)(2)(ii) of the Securities Exchange Act of 1934, as amended, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Under this rule, equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company is also subject to the net capital requirements and is required to maintain minimum net capital of \$5,000 or 6 and 2/3% of aggregated indebtedness, whichever is higher. At December 31, 2013, the Company had net capital of \$735,480, which was \$730,480 in excess of the required minimum net capital of \$5,000. At December 31, 2013, the Company's ratio of aggregate indebtedness to net capital was 0.07 to 1.

NOTE 5 – COMMITMENTS

The Company's office lease agreement expires in 2014. Rent expense for the year ended December 31, 2013 was \$208,142. The Company is obligated to make future minimum lease payments under this lease amounting to \$140,443 in 2014.

NOTE 6 – EMPLOYEE 401(k) PLAN

The Company's 401(k) Plan covers substantially all employees and allows eligible employees to contribute a percentage of their compensation, subject to annual limits. For employees choosing to participate in the 401(k) Plan, the Company will match their personal contributions at the rate of 100%, up to 5% of their compensation. For the year ended December 31, 2013, the 401(k) matching contributions made by the Company was \$38,564.

NOTE 7 – INDEMNIFICATION AGREEMENTS

The Company enters into contracts that contain a variety of indemnifications. The Company's maximum exposure under these arrangements is unknown. However, the Company has not had prior claims or losses pursuant to these contracts and expects the risk of loss to be remote.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events, as defined by FASB ASC 855, *Subsequent Events*, through the date that the financial statements were available to be issued on February 18, 2014.

Net capital less greater of 10% of aggregated indebtedness or 120% of \$5,000	<u><u>\$ 729,480</u></u>
Ratio of aggregate indebtedness to net capital	<u><u>.07 to 1</u></u>

RA CAPITAL ADVISORS, LLC
SCHEDULE II
COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS
UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION
FOR THE YEAR ENDED DECEMBER 31, 2013

A computation of reserve requirement is not applicable to RA Capital Advisors, LLC as the Company qualifies for exemption under Rule 15c3-3(k)(2)(ii).

RA CAPITAL ADVISORS, LLC
SCHEDULE II
INFORMATION RELATING TO THE POSSESSION OR CONTROL REQUIREMENTS
UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION
FOR THE YEAR ENDED DECEMBER 31, 2013

Information relating to possession or control requirements is not applicable to RA Capital Advisors, LLC, as the Company qualifies for exemption under Rule 15c3-3 (k)(2)(ii).

INDEPENDENT AUDITORS' REPORT ON
INTERNAL CONTROL REQUIRED BY
RULE 17a-5 OF THE SECURITIES AND EXCHANGE COMMISSION

To the Members
RA Capital Advisors, LLC
San Diego, California

In planning and performing our audit of the financial statements of RA Capital Advisors, LLC (the "Company"), as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2013, to meet the SEC's objectives.

This report is intended solely for the information and use of the Members and management of RA Capital Advisors, LLC, the SEC, the Financial Industry Regulatory Authority and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
